A SCOTCH REEL among the grain dealers at Oresewell. It is not often one is favored with such a sight as greeted the gaze in Kislick's hotel, Cresswell, on Tuesday afternoon last week. Our readers may remember the terrific storm of snow, rain and wind which prevailed during the afternoon. That was sufficient to prevent farmers from venturing out to market. Consequently the grain dealers had a "half-holiday." Being a goodnatured lot they went in for fun. It was a truly interesting sight to witness the stalwart and staid grain men of Creaswell "hoeing down" a Scotch Reel in fine style to the landlord's playing the hiddle. Next stormy day there will be a larger gathering, for the sight was a memorable one. The dance was merely for fun, so it is hoped there will be no critical inquiries. Any offurchman could indulge in it without fault. Cresswell. It is not often one is favored with

ALWAYS NAME THE POST OFFICE.—An incident recently occurred near Victoria Road which shows the necessity of being particular to locate men correctly. Last year Mr. Wm. Fry, one of Eldon's worthy citizens had a joint interest in a threshing machine which did good work in Mariposa and Brock township. On setting up for the season Mr. Fry took notes from many persons, among others did good work in Mariposa and Brock township. On setting up for the season Mr. Fry took notes from many persons, among others George Taylor of Pefferlaw P.O., and Michael Hayle of Derryville. All the notes heing feet. Hayle of Derryville. All the notes being from good men, Mr. Fry left them in the Bank of Montreal in Lindsay for omitted placing the post office addresses on them. Accordingly when they fell due the bank naturally sent notices to Mr. Fry's home office, Victoria Road, Now it chances there are a "G Taylor" and a "Michael Haley" in or near Victoria Road who received the letters intended for others. Naturally they were surprised, the names being so similar. However, explanations followed; notices were sent to the correct parties and Mr. Fry was paid for his notes. So all ended properly. The incident merely serves to convince persons of the necessity of being accurate regarding the names and addresses of those with whom one

is doing business. When a man tells you that he attended a certain church six months without being noticed by anybody, ask him how many people he tried to help.

YOU CAN FIND OUT IF THIS IS TRUE!-Five dellars' worth for fifty cents is an unusual offer, yet it is a bonna fide one. While travelling in Germany, Mr. Edmund E. The subject of this beautiful picture is Fatime, the daughter of Mahomet. Only one thousand copies had been printed and these were sold at twenty marks (\$5,00) each. The firm had paid the artist, one of the most distinguished portrait painters in Europe, five thousand marks for the privilege of reproducing this picture, and the sale in Germany has been limited to one thousand copies, yet the picture me ?"

The Sad Death of Mr. Hillary Wells, son of Robert Wells of north-east Mariposa, lot 20, con. 15, recently has cast a gloom over the neighborhood. Deceased was only 28 years of age and was highly respected by all. His father, Robert Wells, and his mother, formerly Miss Adams, came many years ago from Reach. Several years ago the young man married Miss Armitage, daughter of Mr. Seth Armitage of Eden, Mariposa, and leaves the widow and two children. The cause of death was inflammation of the bowels. Drs. Ray of Cambray, and Hart of Cannington, operated on the patient, but their efforts were unavailing. He leaves five brothers and four sisters, besides his parents and his own family. Every one knowing Hillary Wells liked him. Whether as carpenter and builder, or thresher, or rifleman, he was a general favorite. He was interred at Eden cemetery, Mariposa, and will ever be remembered as a noble young will ever be remembered as a noble young life brothers and in the world.
