Kitchener Couple Wins Ease From Suffering

DRECO A GREAT SOURCE OF HELP TO MR. AND MRS. DENTON, WHO GLADLY TELL OF ITS REMARKABLE MERITS AS A SYSTEM BUILDER.

"There is nothing like it," says Mrs. E. Denton of 54 Cedar St., South, Kitchener, Ont., after trying and proving the merit of Dreco as a health builder.

"For the past two years I have been in a generally run-down condition. My nerves were bad and the least noise made me jump., My stomach was very weak, this condition often causing severe pains through my back. My liver too, was sluggish and I would get very dizzy at times with spots floating before my eyes.

"Since taking Dreco, however, I am feeling more like myself again. My nerves are much quieter; I have no more dizzy spells or gastric attacks; my food digests better; my annetite is better; I sleep better and constipation, which was formerly chronic with me, has greatly improved.

"Mr. Denton has also been taking Dreco. His system had been generally run down,but he is feeling 100 per cent. better and joins me in recommending Dreco."

Dreco is made from the pure extracts of herbs, roots, bark and leaves and contains no mercury, potash or habit-forming drugs.

Dreco is being specially introduced in Flesherton by C. N. Richardson, and is sold by a good druggist everywhere.

OWEN SOUND'S TEAM

Owen Sound has one sweet junior hockey team this year and just now they are in the West trying for the Dominion championship and the Memorial cup. The team was all re-built last year and is one of the strongest that ever won the O.H.A. series. Three on the team were brought in last year to bolster up the other three stars, and these were:—Weiland from near Seaforth, centre; "Dutch" Cain of Newmarket left defence and Elliott right wing, of Clinton. This combination, along with Keeling, left wing, Graham, defence, and Smith in goal, is one of the smoothest working hockey machines in Canada. The popular manager of this outfit is E. N. Jamieson, formerly of Flesherton and he has made a success of the team. The following write-up by the O. S. Sun-Times in a recent issue, concerning "Jimmy", says :—

"E. N. Jamieson, who usually gets manager Jimmy Jamieson, is just what the title tells. His motto is "Cover up." The team have got so used to it that they cover up automatically even when they are asleep. Manager Jamieson came here from Flesherton, where some good hockey players and managers have been produced. He played goal at one time and has managed baseball teams. He has been the big factor in the success of the Greys. It is doubtful if anyone else could have steered the club to a title. He has unfailing good humor, when it appears the thing best calculated to put over something to the advantage of the club. Jimmy claims it is his last year in hockey. The rest of the fans claim it isn't."

The team played a semi-final game with Kenora on Monday night and were beaten 5-4, but won the round 16-12, having won Saturday night 11-7. Thursday they play Calgary in Winnipeg and again on Saturday night, the winner of these games to be Dominion Junior Chapmpions. We are all pulling for you Owen Sound.

The fund for Johnny Brackenborough, the Hamilton Tiger senior hockey player who lost an eye in a game in Toronto, now amounts to $14,000. The amount originally intended to raise was $10,000. The victim is a cousin of Mr. George Brackenbury of town, although there is a difference in the spelling of the name.

Checkers seems to be securing a hold on the men in town during the past couple of months and the climax came on Thursday evening of last week when a tournament was held at the home of Mr. S. E. deCudmore to bring out the best player. Mr. Walter Akitt was declared the winner. Others who competed were Dr. A. Turnbull, Geo. Brackenbury, F. Pinder Geo. McTavish, C. N. Richardson, S. E. deCudmore and F. J. Thurston.

DOUBLE-HEADER WON BY MAKDALE HIGH SCHOOL

Flesherton high school teams, both girls and boys, went to Markdale on Friday night and played the high school teams there in two good games of hockey. As it was only the local girls first season in hockey they did remarkably well considering their opponents' three years on the ice. Markdale only won by 3 to 0, but only for the splendid goal tending of Miss Louie Cargoe the score would have been higher. She played a whale of a game in goal. The rest of the girls will turn out to be real hockey players in a year or so, and next year we hope the girls will show the other schools the way. The players were :—Goal, L. Cargoe; defence, D. Stuart and M. Patton; forwards, A. Henderson, H. McLeod, L. Boyd; subs., T. Wilson and E. McKee.

The boys fared worse at the hands of the Markdale boys, losing their game 9 to3. Akins had an off night and let in some easy goals.

France ha smade a profound mistake in carrying on with a dishonest budget for the past five years. Graft and waste were encouraged by the slogan, "The Germans Will Pay." To-day the nation is waking up to the truth that, although Germany has been ruined. France has also been injured by the same policy which brought that ruin about.
