Indigestion

It is not only a distressing complaint, of itself, but, by causing the blood to become depraved, and the system enfeebled, is the parent of innumerable maladies. That Ayer's Sarsaparilla is the best cure for Indigestion, even when complicated with Liver Complaint, is proved by the following testimony from Mrs. Joseph Lake, of Brockway Centre, Mich.:—
"Liver complaint and indigestion made my life a burden and came near ending my existence. For more than four years I suffered untold agony. Was reduced almost to a skeleton, and hardly had strength to drag myself about. All kinds of food distressed me, and only the most delicate could be digested at all. Within the time mentioned several physicians treated me without giving relief. Nothing that I took seemed to do any permanent good. I until I commenced the use of Ayer's Sarsaparilla, which has produced wonderful results. Soon after commencing to take the Sarsaparilla I could see an improvement in my condition. My appetite began to return and with it came the ability to digest all the food taken, my strength improved each day, and after a few months of faithful attention to your directions, I found myself a well woman, able to attend to all household duties. The medicine has given me a new lease of life."

A Sensible Man.

Would use Kemp's Balm for the Throat and Lungs. It is curing more cases of Coughs, Colds, Asthma, Bronchitis, Croup and all Throat and Lung Troubles, than any other medicine. The proprietor has authorized any druggist to give you a Sample Bottle FREE to convince you of the merit of this great remedy. Large Bottles 50c and \$1.—12-1

The man who can pay fifty cents on the dollar, and will only pay twenty-five, is a robber, and the man who is not doing all he can for the Lord is no better.

If all print is true, Mrs. Wm. Astor has two million dollars worth of jewelry. She must attract a good deal of attention in the horse car when she has it all on.

An incorrigible old toy says the elections on Thursday were as usual, a victory for the grays, but he preferred the substantial kind of victory they were for the conservatives.

The ladies of St. Paul's church intend holding a concert in the school house very shortly, in aid of the church debt and cordially invite their friends. Further particulars will appear next week.

Banting Trust Blue Lodge No. 46, will hold their third annual entertainment, on Friday evening next, February 26th, in the Methodist church, Janetville. A good programme is prepared, and a pleasant evening is anticipated.

"I have used Ayer's Pills for the past 30 years, and am satisfied I should not be alive today if it had not been for them. They cured me of dyspepsia, when all other remedies failed."—T. F. Somers, Chester, Pa. Ayer's Pills are sold by all druggists.—23-1

ORESWELL.

Special to The Warrier.
The Salem base ball club intend holding a basket social and entertainment in the Oreswell hall at Ramsey's corner, on Friday evening February 26th, at 7.30 p.m. A good programme will be rendered by both foreign and local talent. Ladies cordially invited to bring baskets. Admission, gentlemen 10 cents.

WAUBESHENE.

Special to The Warrier.
DUNLOM, Rev. K. J. Sturgeon has declined the call to South Mountain, Brockville previously.

COBURN.—The memorial church choir concert netted over \$37.

NORTH VICTORIA REDEMPTED.—"Well done, Sam" was the voice heard when the report came out that Sam Hughes had carried North Victoria. Of course everyone expected he would carry it, but the handsome majority of over 200 was a surprise.

PERSEUS.—Mr. R. Biddell attended the Masonic ball in Beaverton last Friday night. Mr. O. Perry has left us for Athol Junction.

MAN - WOMAN, Ghost or Human.
We cannot say what will one ghost, but many men and many women who look like ghosts rather than human beings, through sickness, would regain health and happiness, if they would try the virtue of the world-renowned remedy, Dr. Farrow's Golden Medical Discovery. Turpentine, or biliousness, impure blood, skin eruptions, nervousness and swellings, Consumption (which is scrofula of the lungs), all yield to this wonderful medicine. It is both tonic and strength-restoring and alternative or blood-cleansing.

E. COCHRANE

Merchants' Bank Chambers,
Toronto, Feb. 12, 1892
I have just heard with much pleasure of your brilliant triumph in North Victoria, and hasten to tender you my hearty congratulations thereon. The contest has been keenly watched by all your old pupils here—several of whom I have met from time to time, and by whom much interest has been evinced in your success. I feel, too, that the militia force will be a gain to your election, as it has hitherto found very poor advocates on the floor of the House,—from Ontario at least.
