Experience points the way

RECENTLY a man left his son a portion of his estate *on condition* that he save $500 out of his *own* earnings within five years.

Why? Because he knew from experience that one must first learn to save before he is capable of handling other money matters successfully. Systematic saving develops responsibility and careful judgment, and gives that confidence which leads to success.

We invite you to make your start now with

FORMER CHURCH ORGANIST IS SENT TO PENITENTIARY

F. W. Timms, former organist of Knox Presbyterian Church. Owen Sound, will spend the next four years of his life at Kingston Penitentiary, to which institution he was sentenced last Thursday by Magistrate Creasor. Timms had previously pleaded guilty to two charges laid under the Criminal Code with regard to his reations with two young girls in the city under the age of sixteen years. He was sentenced to four years on each charge, but the sentences will run concurrently.

Previous to sentence being passed a telegram from the Attorney-General's office was read to the effect that Dr. English of the Ontario Hospital at Hamilton, who examined Timms on Monday as to his mental condition, had declared him to be of a sane mind, and that there was no reason why he should not be sentenced.

The Timms case has been the talk of Owen Sound for several weeks past, and the courtroom was crowded when sentence was passed. He will be taken to Kingston at once. Timms has a wife and two children.

BORN

HOWELL—On Monday. April 14, 1924, to Mr. and Mrs. W. J. Howell (nee Laura Pedlar) of Winnipeg. Man., a daughter, Mildred Dolores.

OLD RESIDENT DEAD.

Edward Purdy, an old resident of Stone's Line, died on Monday morning at the age of 78 years. He has been a resident of this district for over forty years and leaves a wife and one grown up son. His wife was a Miss Rebecca Stone. The funeral took place to Flesherton cemetery on Tuesday.

Eugenia Is Ready For A Good Baseball Year

The Eugenia baseball team held a get together meeting at the Eugenia House on April 11th, when a large gathering of fans and players assembled. It was decided to put a team in the field for 1924 and with players in the village, pipe line and power house will be able to put on real fast ball. Training is to be commenced immediately. Any communications addressed to the manager, C. Graham, Eugenia, or E. Morgan, Sec.-Treas., will receive attention.

Have Not Had Meeting To Organize For This Year

Baseball in the Centre Grey League for 1924 doesn't look very hopeful. The annual meeting will take place early in May and it is not known how many teams will be in the running. It is doubtful if Flesherton puts a team in as several of last year's players have left. Dundalk and Vandeleur have organized for this year. Markdale couldn't get enough together to hold a meeting. so it is not likely there will be anything doing there. Eugenia has organized and are talking of entering a team in the League, with the help of some hydro players. The President of the Flesherton team should call a meeting at once and settle on what can be done this year, as the season is advancing We will be lost if there is no baseball here as the past few years have seen some good games played.

Ontario Grown Alfalfa Seed

The following is a letter received from the Kellogg Seed Co., Milwaukee Wis., "A Special Message — To our friends and customers : This is an Alfalfa year; act quick; big demand; limited supply; Canadian Variegated Alfalfa. We are specializing this season on a hardy strain of Alfalfa known as Canadian Variegated Alfalfa; Grimm type, grown in the province of Ontario, Canada. We offer this seed under the following description—Furnished to us by most reliable and conservative shippers.

This special stock of the same type as Grimms being more or less variegated varies from tap roots with spreading secondary to a decidedly spreading root system and the crop would pass for the variety. in fact, it has really more claim to be called Grimms than seed which is often sold under that name. Trial plots in Canada show a very decided superiority over all others in every way, both in stand of plants and healthiness of growth. Hardier seed cannot be obtained. Growers preferring Grimms, but hesitating at the price will make no mistake in securing this variety.

Grey County Farmers : This is an Alfalfa county. We wonder if it would not be possible to supply this big market with seed grown in this County. Would it not be advisable for you to get together and look into the merits of an organizataion such as Grey Conuty Alfalfa Growers. which would look after the sale of seed to companies which are advertising your own produce unknown in many cases to yourselves.

What think you of the ideal? You alone must answer. Your local Branch will certainly give you any assistance required.

Peel County Alfalfa Growers have united and are doing a big business. In fact, the Department of Agriculture, Markdale, is informed that many Grey county farmers are buying their seed through this Association. Grey county seed, if it is properly cleaned, is just as good. We trust that you may think over the proposition suggested here.

Wants $40,000 Damages

Mrs. Lillian Semple is suing the Canadian National Railways on behalf of herself and four children, asking $40,000 damages for the death of her husband, Henry Semple, and the costs of the action.

According to the plaintiff's statement of claim, her husband was employed as a steam shovel operator. While travelling to work from his lodgings in the village of Varney, Grey County, in the automobile of a friend, deceased was struck by a freight train at the Varney level crossing and was killed. It is alleged that the defendant was negligent in that the engineer did not blow a whistle or ring a bell in approaching the crossing.

The defence contends that the accident was not caused by the negligence of the engineer or any other employee, and that reasonable precaution was used in approaching the crossing. On the contrary, it is alleged that the plaintiff was negligent in not approaching the crossing with due care.
