Skin Disease 9 Years. Doctors and Medicines Useless. Cured by Cuticura for \$4.75.

I feel it is my duty to tell you my experience with your CUTICURA REMEDIES. I have been troubled for over nine years with a dreadful skin disease. When I first felt it, there appeared a few amail red spots on my breast, and it kept on spreading slowly. It started the same on my back, between my shoulders. A few days after the spots turned gray, and began itching. Bmailscales would fall off, so it continued spreading all over my body. I tried all the patent medicines I could think of, or get hold of. I also consulted doctors. Yes, they would cure me in a short time, but they always failed. Then I gave it all up, thinking there was no cure for me. Some few months ago, I noticed your advertisement in the Tacoma Morning Globe; thought I would try the CUTICURA REMEDIES, not thinking it would do me much good, but to my surprise, three boxes of CUTICURA, one cake of CUTICURA BOAP, and three bottles of CUTICURA RESOLVENT CUTIED HAVE MY skin is now as white and pure as that of a child. I send my photograph. I have many friends in Chicago, Ill., and St. Paul, Minn.
