Annual Meeting Of Centre Grey League Postponed

The annual meeting of the Centre Grey Baseball League was to have been held in Markdale on Friday last, but owing to the wet weather it was postponed until Monday, May 26th To date Eugenia, Vandeleur and Dundalk have signified their intention of entering teams this year, and all will be able to put good teams in the field. Nothing has been done here about organizing for this year, as none of last year's officers feel inclined to have anything to do with baseball. no doubt being fed up with the way things were run last year. The club is not in very good financial condition and maybe that has something to do with it. The fans around here would like to see a team in the field again, even though it wasn't supposed to be a high class organizaation such as last year's outfit. The young fellows should be given a ehance to perform, and this is just the time that they could be given a chance. as the league was formed with the idea of bringing the young fellows along in the art of playing baseball. Come on officers, and do something about osganizing a team for this year.

YOUNG MAN PASSED AWAY AT FERGUS

Mr. Newton Bannon, Age 32, Pases Away After Short Illness

HIGHLY RESPECTED

A peculiarly sad death occurred in Fergus hospital on Friday last when Mr Newton Bannon, son of Mr. and Mrs. Thomas Bannon, Toronto line south, near Victoria Corners, passed away after two operations for appendicitis and adhesion of the bowels.

A week ago last Saturday Newton was working and in good health. Sunday morning he complained of a pain and Dr. Turnbull was called. The Dr. had him taken to Fergus the same day, where he was at once operated upon for appendicitis. Later it was decided that a second operation was necessary and tis was accomplished Thursday morning with little hope of saving his life. He came out of the anaesthetic but a couple of hours afterward the spirit took its flight.

The deceased young man was only 32 years of age, and leaves a young wife and three small children, the eldest under five years of age. Newton was an exemplary young man and his death is a severe blow to family and friends. The bier was a mass of beautiful flowers donated by relatives and friends.

The funeral was held on Monday of this week to Flesherton cemetery and was attended by a host of friends and relatives. There were between forty and fifty motor cars in the procession, it being a motor funeral.

This family has been called upon to bear more than its share of burden and sorrow during the past few years. One son, Max.. died of the flu at Vancouver during the war while on his way to Vladivostock with the army. Another son, Milton, the third and last, has been operated on several times for the same trouble which took the life of his brother, Newton, and even yet is not in the best of health.

The pallbearers were neighbors of the deceased and were: Messrs. Geo. Ludlow. Geo. Best. Chas. Moore, Ed. Stinson, Ernie Stinson and Lawson Lockhart.

The floral ogerings were :— Wreath from the parents wife and brother; wreath from Geo. Acheson and family; wreath from the neighbors;sprays from the Armstrong families, Flesherton; Ladies' Aid of Presbyterian church; Wardie and Jas. Harrison; Mr. and Mrs. Les. Brooks, Toronto; Mr. and Mrs. Hyland, Weston; Mr. and Mrs. McNaught, Shelburne.

Friends from a distance were: Mr. Geo. Bannon, Owen Sound; Mr. and Mrs. McNaught, Mrs McGuire. Mr. and Mrs. C Johnston, Mrs. Connor, of Shelburne; Miss F. Acheson, Acton; Mr. D. Little, Brampton; Mr. A. Acheson and Mr. and Mrs. Brooks, Toronto; Mr. and Mrs Cameron, Woodbridge; Mr. and Mrs. McDonald. Weston.
