MR. AND MRS. A. S. MADILL HONORED ON GOLDEN WEDDING

Family And Friends Paid Their Respects On Fifty Years Of Marriage

Sault Star of May 16

Mr. and Mrs. Alexander Stuart Madill, 42 Hawthorne avenue, celebrated their golden wedding Wednesday and on this very special occasion a family reunion was held. The relatives present at the family dinner were Mr. and Mrs. Fred Walton and family, Mr. and Mrs. A. W. Madill and family, Mr. Sam Madill, Mr. and Mrs. Wm. Taylor and family, Mr. and Mrs. J. W. McDonad and family, Mrs. Ralph Weeks and son, Emerson, of Mactier, Mr. Basil Carruthers (a grandson), of Eugenia, Mr. and Mrs. Alex. Holley and Mrs. H. J. Weeks. The only members of the family who were unable to be present were Mrs. A. Carruthers of Eugenia, Mr. John Madill of Port Arthur, and Mr. Ben Madill of Glenside, Sask., As a token of remembrance from their family, a purse was presented to the happy couple, and also a framed marriage certificate with th epicture of Mr. and Mrs. Madill taken 50 years ago, and the picture of them taken recently, on either side. The following letter accompanied the gifts:

Dear Father and Mother:

We have gathered here today to celebrate with you the 50th anniversary of your wedding. It is with regret that some members of the family are unable to be present. However, we know their hearts are with us and they join with us when we say: 'There never was better father and mother than ours.' You have fought the fight with the pioneers of this country in hewing out the old homestead and yet you have given to us the education and opportunities such as few families have been able to obtain under those conditions. Your first thought has always been for your children and may God grant that we may be worthy of that love and devotion.

We beg you to accept this token from us as a mark of remembrance and pray that you may both be spared to enjoy continued good health and prosperity and that we may be able to celebrate more anniversaries of your wedding day.

Singned on behalf of the family,
EDNA M. WEEKS

Later in the evening a very jolly group of neighbors and friends arrived to surprise the bride and groom of fifty years ago, bringing with them many beautiful gifts to honor the day. Among the friends who attended the anniversary were Dr. A. Sinclair, Rev. Hugh McFarlane, Mr. and Mrs. George Harbottle, Mr. and Mrs. Harry McQuarrie, Mrs. B. Ellis, Mr. and Mrs. Roy Turner, Mrs. John Harbottle, Mrs. C. Bridge, Mrs. W. McAuley, Mr. and Mrs. B. McLean, Miss C. Graham and Mrs. Walter Anderson and they presented the following letter to Mr. and Mrs. Madill:

Dear Friends and Neighbors:—

We have learned that you are today celebrating the 50th anniversary of your wedding, known as your golden wedding day, and have come here to do honor to both of you.

We have every reason to believe that you have lived happily together for the past 50 years, a pleasure very few ever live to accomplish. It is no surprise to us to understand why you have always got along so well, one with the other, knowing you as we do, we realize that with such kind and loving dispositions as fortune has been so knd to bestow upon you both, that you could scarcely have lived other than happy.

No doubt you have already received many hearty congratulations and we have pleasure in adding the heartiest congratulations of your friends and neighbors to those already received and would ask you to accept these small gifts as a remembrance of this great occasion and sincerely trust you may both be spared for many years to add to your enviable record. With best wishes and heartiest congratulations.

An unexpected event which added to the pleasure of the evening was a telephone call from Collingwood from the bride's sister, Mrs J. Thompson, who was bridesmaid at the wedding half a century gone by. During yesterday and to-day Mr. and Mrs. Madill have been showered wtih congratulations and anniversary gifts, Mr. and Mrs. Madill made their home in the Sault twenty-one years ago, having come here from Grey county. Their ages are 73 and 70 years.

[The Advance is also glad to add its congratulations to the many received by Mr. and Mrs. Madill and wish them many more years of happy wedded life.—Editor Advance.]

Absolutely the Biggest Rug Sale We Have Ever Featured

Thursday, May 22nd, to Saturday, June 7th

For fourteen days commencing Thursday, May 22nd, and continuing until Saturday, June 7th, we will place on sale our entire stock of Rugs. In the lot there are about 150 from which to make a selection. These on account of being purchased in such large quantities were bought below the regular market value and were priced accordingly, but notwithstanding the low price at which they were being sold, during this remarkable sale every rug has been reduced very materially in price. Look for the RED TICKET.

Here you will find rugs to suit every pocketbook, whether it is a Union Rug, Tapestry, Velvet, Axminster or Wilton, in any standard size as 6x9, 7½x9, 9x9, 10½x9, 9x12 and 10½x12.

One of the most remarkable features about this sale is the fact of it being put on at such an opportune time, just at the season of the year when house cleaning is about finished and most housewives are looking for new floor coverings. Don't miss thi sexceptional opportunity of securing a handsome rug at much less than regular prices.

DIED OF SMALLPOX IN DETROIT HOSPITAL

Mr. Frank Cole An Old Boy From Here Dies

Mr. Frank Cole a former resident of Flesherton, died Sunday morning last at the Detroit isolation hospital of smallpox. The remains were interred the same day.

Frank is well remembered in Flesherton by many friends, who deeply sympathize with his wife and son and relatives here. The deceased gentleman was born at Forest, Ont., but came to Flesherton with his parents, the late Mr. and Mrs. F. G. Cole, some 37 years ago. He obtained his chooling here and started to earn the carriage making with the late David Blair. Later he went to Detroit where he marreid and has been employed for years in an automobile factory. Mrs. Chas. Stewart of Flesherton and Miss Hattie Cole of Toronto are sisters.

Successful At Pharmacy

We were pleased to notice three names of former Flesherton high school pupils who were sucessful at the recent Pharmacy examinations in Toronto. These were Robt. Meads, son of Mr. and Mrs. W. J. Meads of town, Clarence Fisher, son of Mr. and Mrs. L. A. Fisher of town and A. Ray Belfry, son of Rev. and Mrs. Belfry of Huntsville and formerly of Flesherton. We heartily congratulate these young men on their success and wish them the best of prosperity in their work.

A NEW STRAWBERRY DISEASE.

Leaf Scorch or Mollisiose Described and Treatment For It Suggested.

Until recently the leaf spot of strawberry has been considered to be the most serious leaf disease of the cultivated strawberry. During the past three or four years a leaf disease has been observed in strawberry plantations, and which seems to be generally distributed through the southern and eastern parts of the Province. This disease from its appearance can be appropriately called "leaf scorch." Considering the fungus responsible for the disease, it can be designated "mollisiose." Dr. R. E. Stone, of the Department of Botany, Ontario Agricultural College, thus describes the disease and treatment:

Symptoms of the Disease.

In the spring, May and June, the strawberry leaves become covered with small, irregular, purplish spots. The spots enlarge and coalesce until the whole leaf may become involved. When the spots have become quite large they turn ashy brown or dirty grey in the center and then small fruiting specks or acervulae appear. In these acervulae hyaline, two-celled spores appear. These spores serve to spread the disease to other leaves and plants. Later, in July and August, the entire leaves dry up and the diseased plants take on a scorched appearance as though burned over with fire. It is not uncommon to see whole beds present this appearance and it becomes difficult to distinguish the plants suffering from leaf scorch from those severely injured by drouth and white grub injury.

Varieties Susceptible to the Disease.

Not all varieties are equally susceptible to the disease. The most susceptible seems to be Clyde followed by Glen Mary, Haverland, Senator Dunlop, New Williams in the order given here.

Control.

Control measures have not been worked out. From field observations the following procedure would seem to be desirable:

Clean cultivation.
Removal and destruction of all dead leaves in spring.
Spraying with Bordeaux mixture.

In setting out raspberries, blackberries, dewberries, and strawberries, young plants which grew the preceding season are generally used, except when they are planted in the autumn. In that case plants of the current season's growth are used.

Ontario Variegated and Grimm Alfalfas.

Ontario Variegated is not a Grimm alfalfa. The seed of the former was obtained from Lorraine in 1871 and has been grown in Welland County for the last half century. The Grimm variety was brought from Baden, Germany, by Kulsheim Grimm and was sown in Carver County, Minnesota, in 1858, where this type of alfalfa has been grown since that time. Both varieties have variegated flowers and are similar in some characteristics.

If you place your order early by phone. or better still, come and look our flock over personally. — Thos. W. Findlay, Flesherton.

There was some excitement last Saturday in Orton over a cattle stampede. It seems Mr. Peter McLaren was delivering 7 or 8 head of fat cattle to Norman Deering who intended to ship them with some others to Toronto, but when the cattle were almost to the yards something frightened them and they stampeded. All though quite an army of men tried to round them up they could do nothing with them as they went clean wild and at last report they are still in the swamp.—Grand Valley Star.
