WARDER.

Remember, all our goods are marked in plain figures, and it is a well-established fact that our prices are the lowest, consequently when we advertise a

Grand Reduction Sale

it means a reduction, for the goods are sold at the regular prices and the discount taken of after the sale is made.

We have just closed a remarkably successful season, our sales going away beyond our most sangaine expectations. Thanks to you, good people of Lindsay and Victoria county. And although we are certain we have given general satisfaction, we are not egotistical enough to believe we have pleased everybody. When our Saviour was on earth he did not please everybody. Can we expect to? Nor do we claim to be infallible. We are liable to err in our judgement as well as others, but we do claim to do our business in an honorable way, because we believe it pays; and for this reason if there are any of our patrons who have cause for complaint let him come to us and we will make it right now, either by refunding the money or replacing the goods. This fall we will astound astonishment in our

OVERCOAT DEPARTMENT.

Not only in our prices but by showing twenty times more goods and ten times nicer goods than were ever seen before in Lindsay. But more about this hereafter. What we want now is to make room for this great seen before in Lindsay. But more about this nereaster. What we want now is to make room for this great stock for fall, and if low prices will do it, you will get them now, for we are bound to clear out the balance of our Spring and Summer Goods regardless of cost. Don't miss this great opportunity; it will pay you to buy now for next year, and other merchants would do well to take advantage of this great sale, also, for we will sell them cheaper than any man in Canada can make them for,

"Friends, Romans, Countrymen, Lend me your Ears."

I have undertaken the management of an entertainment to be given in the Opera House in the near future in aid of the Y.M.O.A. of this town. I am much interested in Association work. I love to ally myself with the better class of young men. I love to help on with God's work. I want to enlist your sympathy and hearty co-operation in this undertaking. We are going to have a bumper house. Why am I so certain of success? Because we have wonderful talent, exceptional ability. I mean this. "The Lord of Hosts is with us," and "If God be with us, who can be against us?" Give us your sympathy, and we will make this one of the most interesting events that has ever taken place in Lindsay.
