A TRIP THROUGH NORTH CAROLINA.-Last Thursday we set out to go to every part of North Carolina and Haliburton not recently visited. On Friday morning early while on the plains of Canada, our horses, which we thought knew every step of North Carolina, rode a foot into a deep hole and the sprain rendered further progress impossible. Our intention was to go through Dalrymple, Orange Valley, Selkirk, Sadowa, Uphill, Head Lake, Norland, Moore's Falls, Minden, Stanhope and other northern parts returning via Guelph, Kilmont, Burnt River and Fenelon Falls. It was with difficulty our enticed and trusty roadster made Lindsay again. We regret the interruption but must ask our good friends in those parts to pardon our having unintentionally disappointed them. At another time we shall meet them possibly under more favorable auspices than in cold wintry weather.

THE WARDER PREMIUM FOR 1893.-At considerable expense we have secured a limited number of a beautiful work THE CANADIAN ANNUAL, for distribution among those of our subscribers paying in advance for THE WARDER. The work is 14 inches by 10 inches, contains 100 pages, bound, and is full of beautiful illustrations several of which are suitable for framing. Each number cost quite a sum which renders it impossible for us to give the premium to any who do not pay up in advance. Do not delay but send along subscription in advance and receive the handsome annual.

THE TEACHERS OF WEST VICTORIA in large numbers attended convention at Kirkfield on Wednesday, Thursday and Friday last. Mr. Houston of Toronto, Mr. Stevens of Lindsay Collegiate Institute, Dr. Wood of Kirkfield and others besides the teachers of the inspectorate addressed the teachers. The teachers themselves are a superior lot, and as THE WARDER has on former occasions stated, can teach more pretentious places how to discuss questions and run an association. A full report will appear later. Very pleasant evenings were spent, Wednesday an Oddfellows' concert in which John Petty, Mrs. Roberts, D. McEwen and others from a distance took part, followed by a quiet hop; while on Thursday night Mr. Houston lectured to a large audience of teachers and residents of Kirkfield, Inspector Raszin, Dr. Wood, Mr. Stevens and Sam. Hughes with President Don. McMillan were with Mr. Houston. After the close of the meeting the teachers enjoyed themselves in informal readings, recitations, songs, and other appropriate entertainment in Gastly's best parlor; Friday closed the proceedings. Full report later.

WITTY TO THE LAST.-A forlorn Irishman reduced to the last stage of poverty and destitution as a last resource made inquiry at a marine store as follows: "Do you buy rags and bones here?" "Yes," was the reply. "Then, be jehers," said Pat, "ye may put me on the scales."

RHEUMATISM CURED IN A DAY.-South American Rheumatic Cure for Rheumatism and Neuralgia radically cures in 1 to 3 days. Its action upon the system is remarkable and mysterious. It removes at once the cause and the disease immediately disappears. Cures greatly benefit. 75 cents. Warranted E. Greeney, druggist.-48-ly.

CONGRATULATION.-At the regular meeting of Westminister lodge, No. 20, S.O.E., it was moved by Bro. John Way, and seconded by Bro. Geo. Coombs, that the lodge now in session tender the congratulations of the lodge to our esteemed Bro. G. H. M. Baker on the occasion of his marriage, and wish him and his worthy bride a happy and prosperous voyage through the journey of life. Bro. J. D. Graham, President, and Miller Sec'y, were delegated to convey the resolution to Bro. Baker.

GOOD FOR COBBOCK.-Dr. Smiles, veterinary surgeon, formerly assistant to his friend Dr. Mason, of Fenelon Falls has opened up at Cobcock. We bespeak for Dr. Smiles a good practice, for he is an expert. Having from West York he is full of energy. Far and near and town and country are generally learning that it pays to have horses, cattle and farm stock generally properly looked after. In cattle alone many a dollar might be saved by having teeth looked after thus avoiding cancers, etc. Horses too repay careful attention.

WITH THE WARDER'S COMPLIMENTS.-So many of our friends have again and again requested us to send them our likeliest that we have given each WARDER subscriber a very flattering picture. Like all good pictures it is an improvement on the original, but that is only in keeping with the artist's profession. In case any of our friends should have been overlooked or each have received one we shall be pleased to send one on receiving notice. Will our friends kindly send us theirs in exchange?

SABBATH SCHOOL ANNIVERSARY.-On Friday the annual anniversary of St. Paul's church, Sabbath school was held in the school room. In addition to the usual school children were treated to a sleigh ride which was heartily enjoyed by the happy youngsters. There were twenty scholars in the procession which was an attractive and pleasing sight, as in each one, two or three British flags were carried by the occupants of the sleds. The officers of the Sabbath school were to be congratulated on the arrangements made and so successfully carried out in giving the children such a pleasant afternoon's enjoyment and combining with it a lesson in loyalty to Britain and British connection.

THOSE WISHING a handsome and beautifully illustrated book 16x10 inches, containing 100 pages, full of stories, pictures, and other interesting and instructive matter should pay in advance for THE WARDER and receive the above premium. Remember payment must be in advance, for the books cost us a large sum, and should be charged extra. However, to those paying in advance we give the premium free; or to those paying us up to date we will send it for fifteen cents extra. That is THE WARDER and premium book of 100 pages each 16 x 10 inches, for \$1.00 if paid in advance; or THE WARDER and premium for \$1.15 if paid only to date. New subscribers paying in advance get the premium also.

THE ANNUAL MEETING for the Collegiate Institute Literary Society was held last Friday evening and resulted as follows:-President, E. A. Hardy; 1st vice-president, J. Smale; 2nd vice-president, Miss E. Flavelle; Sec'y, A. E. Silverwood; Cor-Sec'y, Miss L. Taylor; Mr. L. Taylor, Mr. J. March, Mr. Keith; Librarian, V. Vance; Warden, S. McLean; Master of Rolls, W. Munro; Curator, L. Bower; Sec'y of committee, Miss L. Skinner; Councilors-Miss Fitzgerald, Miss Hillock, J. F. Harrington, M. McEwen, A. Shewey. After the results were announced and despite his efforts to escape Mr. Hardy was seized and mounted on an arm chair. Thus borne on the shoulders of the senior young men and followed by his enthusiastic supporters he was marched in procession down town through the main streets and finally to his great relief was safely deposited at his own door. For once the "boys" were born.

ON THURSDAY AFTERNOON last the children and young people of the Baptist Sunday school enjoyed a very pleasant drive around town. The sleighs were decorated with British flags and the merry jingling of the sleigh bells and the rippling laughter and cheering of the children, coupled with the charming countenances made us wish ourselves one of the party. Rev. Mr. Ware is a man of heart; he thoroughly understood human life. But all the same he does not practice what he knows, for he is just recovering from a serious illness brought on by over work in his grand work. Like him we are all right in theory, so he will kindly accept our medicine. He should take better care of his health for good men are scarce. We wish the worthy gentleman a pleasant trip to Chatham and Western Ontario.

After the sleigh ride through the town, with appetite whetted by the keen January air, the children sat down to a bountiful spread. At 7.30 a lecture on London, England with views by the Pastor, closed a very happy evening. The Pastor is sufficiently recovered to be in his pulpit on Sunday.

SAD DEATH OF MRS. THOMAS BLACKWELL.-Lindsay community was shocked on Monday morning last by the sad news that of C. S. Blackwell, wife of Thomas Blackwell Esq., of C. S. Blackwell & Co., grocer. The deceased lady was Miss McCarty, daughter of Mrs. Z. Pollard of Lindsay, who was daughter of Mr. Brabin of Darlington. The lady was about being confined, but was seized with convulsions brought on by kidney trouble. The funeral on Tuesday was very largely attended, many being present from North Victoria, Mavora, Cartwright and Darlington, besides hundreds from Lindsay and South Victoria. The pall-bearers were the brothers and cousins of Mr. Blackwell, Mr. Charles S. Blackwell being down from Toronto, Mr. D. Mackenzie, Mr. J. D. Mackenzie, Mr. Little, Mr. Wm. Brien, Pollard, Thompson, Gardner, Hick, Turner Brabin and Mrs. Hick, Miss Brabin and others. The funeral took place to Riverside Cemetery. Rarely has a death produced greater sorrow or more universal sympathy in a community than that of Mrs. Blackwell. The sympathy of the public is extended to the bereaved husband, Mr. William McCarty of Rochester, brother of Mrs. Blackwell, arrived here on Tuesday evening, too late to attend the funeral.

## BABY RUNNING SORE

Worst Sight Ever Seen. Legs, Hands, Arms, Body, One Solid Deep, Running Sore.

Begin Using Cuticura. In Two Weeks Great Improvement Followed by a Complete Cure.

My child began to be sore when two months old, -scarcely on his face and head. It rapidly spread over all his body. Every one who saw him said he was the worst sight they ever saw. He had to be so sore that he could not be moved in his clothes. I could not get him to sleep. He was alone for months. His little legs, hands, and arms were just one solid deep running sore; he was sore all over, but the deepest sores were on his arms, legs, and hands. I would like to tell everyone who has a suffering baby about CUTICURA.

CIVIL ENGINEER.-Mr. F. L. Somerville, civil engineer and architect, has opened an office in the new Opera House Block, where he will be pleased to meet any who require his services. See his card in another column.

ACADEMY OF MUSIC.-The musical and dramatic entertainment given in aid of local charity on Tuesday evening was well patronized. The company being composed principally of local amateurs, acquitted themselves successfully. The management of the Academy are apparently on the look out as caterers to the public taste in theatricals, having already had two good companies, Harry Lindley and Barry & Fay. A first class opera company of sixty is to be billed for early in February.

ELECTION OF WARDEN.-Mr. E. H. Hopkins, reeve of Ops, was elected Warden at the meeting of the county council on Tuesday. The vote on the first ballot was a tie between Capt. Bottom of Cobocook, and Mr. Hopkins, in such a case the law provides that the reeve of the highest assessed municipality shall give the casting vote, which Dr. Wroome as reeve of Mariposa, gave in favor of Mr. Hopkins. The feeling of the council of late years apparently is that the office of Warden shall go around the several municipalities and it is now a score of years since Ops had the honor of its representative being elected to the Warden's chair.

THE LADIES WIN EVERY TIME.-A worthy lady residing in West Eton wrote us some days ago, the communication appears in another column being too late for last week's issue, suggesting that the Saturday morning trains from Cobocook and Haliburton be stopped at Kent street crossing to allow those with market baskets to alight, thus leaving them only a short walk. We promptly wrote to James S. Thompson, General Superintendent of the Grand Trunk Railway, Montreal, a great friend to the ladies and public in general, and received a prompt reply. The good ladies of Eton, North Mariposa, Carden, Beasley, Eton, Fenelon, Vanarsdale, Somerville, Gt. West, Haliburton, and other northern districts have been favorably recognized by the Grand Trunk. They will henceforth be able to alight at Kent street near the market. The trains will stop there. Going home they must alight at the station as usual. Mr. Macbeth the Grand Trunk agent here has given the necessary instructions beginning Saturday morning next. Our fair "West Eton" correspondent deserves the thanks of the northern community for her action. Any suggestion our correspondents or others make we are always given proper consideration. The Grand Trunk Railway Company too are deserving of the best thanks of the ladies for kindness and courtesy. A proposal now receiving attention from the Grand Trunk is the erection of a waiting room at Grass Hill station. The question of summer routes to Victoria waters is also under their consideration.

**MARIPOSA.**  
Special to The Warder.

LO DISTRICT lodge met at Hartley, on 12th inst., although the weather was very cold there was a good attendance. After the general routine of business the W.D.M. Bro. P. Conquergood gave his report which was interesting, as were also those from the different lodges, which showed the Order was steadily increasing in membership. The election of officers was the next order of business, the names of which have already appeared in THE WARDER. After the installation short and pithy speeches were then given by the new officers; also a very able one by Bro. Scott, past district master, showing that he is alive to the interest of orangeism. The coming 12th July celebration was then taken up which it was decided to celebrate in the village of Kirkfield, provided that a new lodge be started there shortly as anticipated. The next order of business will be the hall of I.O.L. No. 664, Greenwell. After the lodge was closed a luncheon was served by the Hartley brethren, which was heartily enjoyed by all.

**LORNEVILLE.**  
Special to The Warder.

ON Wednesday afternoon the 18th inst., St. Andrew's church, Eton, became the scene of a very happy event when the Danes McIntyre of Arny, and Miss Katie McEwen of Grass Hill were united in matrimonial bonds. The ceremony was performed by the Rev. D. J. D. Boyd of Eton, in the presence of a large concourse of people, consisting of a large number of both parties. The bride was attended by Miss Katie McIntyre, and Mr. Alexander Lovett performed a similar service for the groom. When the happy couple were pronounced husband and wife, congratulatory and good wishes were sent them on the day. Then the newly married pair accompanied by their many friends drove through Lorneville and Woodville to the home of Mrs. Lovett at Grass Hill, where they enjoyed the hospitality of the above named hostess.

The Rev. J. D. Boyd, of Kingston, spent the greater part of last week with his old College friend and class mate, the Rev. D. D. McDonald of Eton. Mr. Boyd was a perfect stranger here when he came, but made many friends for himself during his short stay. We hope to see him soon again.

Mr. F. A. McRae, student of Queen's University Kingston, preached very acceptably to the congregation of St. Andrew's church Eton, last Sabbath. On Monday he returned to college to resume his studies for the remainder of the session.
