EUGENIA

The visit of the Rt. Hon. Arthur Meighen here on Thursday was one to be long remembered by the people of this district. It was estimated that over two thousand autos poured in during the course of the day and between six and seven thousand people picnicked and took advantage of the up-to-date conveniences of our Park, of which all are unanimous in proclaiming one of the most ideal spots for a gathering so large as was accommodated here on Thursday. The Hon. Mr. Meighen, Hon. Geo. S. Henry, Ontario Minister of Public Works and Highways, together with the many other prominent speakers, who took part in the program of the afternoon, was right royal, and a very enthusiastic crowd listened with bated breath to every statement made by these men who play such a prominent part in the making or breaking of our country. It can well be said of Mr. Meighen that he is a statesman in every sense of the word and a man of whom Canada can well be proud. His keen eye took in the picturesque beauty of our park and did not forget to express himself in high terms of praise. The Dundalk and Markdale combined bands were appreciated very highly by the crowd, as it always takes a real good band to take the lead on an occasion of this kind. The day was ideal in every respect and a success from start to finish, not an acident occurring throughout the day. Everything was ararnged by our local association here for the comfort and accommodation of the visitors. Nothing was left undone, and we hope to have the pleasure at some future date of entertaining a similar crowd to listen to other prominent men.

No change has been made in the admission price to the Canadian National Exhibition since 1879 when the dollare was worth three times its present value.

FEVERSHAM

A very large crowd attended the public auction sale of the Hodgins estate on Tuesday of last week, by the Toronto Trusts Co., who are administrators. The personal property was sold at fair prices, the crops cheap, but the farms were not disposed of.

Miss Tillie Kerton is holidaying in this village with her grandmother, Mrs. John Kerton.

Mr. and Mrs. Harvey Perigo motored from the Queen City on Wednesday and are visiting with the former's parents, Mr. and Mrs. Ira Perigo.

Mr. and Mrs. Mowitt of Peterboro are visiting with the latter's sister, Mrs. Wm. Mullin Sr. The former is school inspector for the Peterboro inspectorate. Inspector Mowitt called on the Rev. A. Mills while in this locality, having been teacher when the latter went to high school.

Mr. and Mrs. Frank Whewell of Hamilton are spending a few days with the latter's father, Mr. S. Brownridge.

Our junior football team is coming along fast. On Saturday the 16th they played Collingwood juniors on the home field and scored three to nothing against Collingwood. On the following Tuesday they played a return match in Collingwood with a score of five to nothing in their favor. We'll tell the world that when Brackenbury and Henderson get the ball and Brack. gets a shot on goal, —well, there is a goal scored, as few goalkeepers can stop the ball. Brackenbury, Henderson, McMullen and Fawcett are all fast and for juniors have combination and speed excelled by few. Another nice thing in both the teams was the good sports who played the game in a sportsmanlike manner. Watch out, Feversham seniors, the juniors will be after your scalps next, so keep your hair cut short.

Well, John has got a car at last and now he has room in it for two, and no doubt will be liking the company some of the ladies with bouquets of Roses in their belts, and red ones at drives.

Some of the rose gardens are in bloom now so we can expect to see some of the ladis wieth bouquets of roses in their belts, and red ones at that. 'Nuff said.

Houses are being repaired and the pleased look on the faces of some of our young men would lead us to believe the fair one has said yes.

A number of our vilagers attended the Conservative picnic at Eugenia, where the speaker of the day was the leader of the Opposition at Ottawa, Hon. Arthur Meighen, whose topic was Canada and protection for Canadians and the closer unity of producer to consumer. A considerable difference to what we had heard other politicians say rather antagonizing those two factions and preaching that everyone had their knife out for the farmer. Mr. Meighen declares that the consumer can't do without the producer, neither can the producer do without the consumer, which we have always maintained was only reasonable. Mr. Meighen is a forceful and pleasing speaker and his speech was applauded to the limit.

Our commercial school will open again on September 2nd with Mr. C. M. Morris again as teacher. This will be the fifth year for him to teach this school. We understand that Miss A. Baird of Mitchell has been engaged to teach our public school for the coming year.

In the football tournament on Saturday the scores stood as follows: the first game Strathavon scored one goal against Swnton aPrk's none. The next game Feversham worsted the Collingwood Scottish 2-0, leaving Feversham and Strathavon to play off Strathavon scoring one goal in this game, leavng them winners of the prize. The sad part of the story is that one of the Collingwood men was brutal enough to deliberately kick Jimmy Davidson of the Feversham team and injure him so that he had to be carried off the field and undergo a critical operation next morning to save his life. A great pity such men are ever let on to a field of sport. What he ought to get is ten years in Kingston at hard labor and a few doses of the cats, as well. We had a fine day and a large crowd, only for the acton of this poor sport.
