Horses Coming To Flesherton Fair

Through the efforts of the directors of the Society there have been quite a unmber of Exhibitors at the Owen Sound fair promised to come and exhibit at Flesherton at the fair on Friday of next week. There were fifteen road horses at Owen Sound fair and at least six of these are expected here, also the first prize carriage horse, along with the first prize carirage team, first prize general purpose team, 1st prize single driver general purpose. These teams also captured the best turnout double and best matched team; best farm team and best harnessed, hitched and groomed team specials at the Owen Sound fair. Dr. Hodgson's horse of Owen Sound, driven by T. W. Findlay of this place and which won 4 firsts and 2 seconds at Owen Sound, is already here and purposes taking in some neighboring fairs before Flesherton fair. We are assured of some good horses at our fair which should attract a large crowd. Besides those horses mentioned above as coming there are, no doubt, some others that will also be here and a big competition is expected in light and heavy classes. Let everybody try and get at least one new exhibitor for our fair this year.

Sports at High School

On Monday, Sept. 8th the annual meeting of the Flesherton High School Boys' Athletic Society took place. About forty boys in all were present, with the last year's President, MacLeod, in the chair. The election of officers was held and Jack MacLeod was again elected President. Mr. Lawrence was elected as Honorary President, with Geo. Akins as Vice-President. Alex. MacLean was elected Secretary - Treasurer. Each form elected two representatives on the Executive. It was decided to organize baseball and hockey teams, as the school has some excellent material, and should go a long way. It was decided to hold a field day about the first week of October. It is probable that some other school will be asked to compete, and the boys are already hard at work practising. The boys are asking for the co-operation and support of the people in their athletic as well as educational endeavors.

On Tuesday, Sept. 9, the girls of the High School met and elected their games captain for the year. Elizabeth Bentham was elected to fill that position. The girls are hard at work practising for the soft ball games, and will also take part in the field day events. Much speedy material is on hand and good teams should result.
