The abnormal potato crop this year has given rise to the rival for big fish stories, and some enormous tubers have really been unearthed. Mr. Ben White of the west back line handed us four "spuds" the other day which tipped the scales at eight pounds. These were perfectly formed potatoes. without any "side issues." We have heard of one potato which weighed four pounds, but did not see it, therefore cannot vouch for it, but the four mentioned we weighed ourselves and are prepared to swear to the weight. Geo. Hutchinson, Kimberley, hands us one which weighed two pounds eleven ounces, net, and it probably had to be pried out with a handspike.

A. J. Preston Ordained In Baptist Church On Friday

REV. A. J. PRESTON

Friday last, October 10th, was a never-to-be-forgotten day in the history of the Flesherton Baptists. Baptists hurried to the village from all parts of Grey County and some even from Toronto and Hamilton. The reason for this extraordinary interest in our village was this: the Baptist church had decided to set apart to the work of the Gospel ministry their pastor, Alfred James Preston.

Mr. Preston, who hails from Hamilton, first saw Flesherton on Sunday, February 10th this year. The country looked vastly different then than it did on Friday last. The fields were white with snow and a blizzard was blowing, giving the visitor anything but a warm reception. Somehow, however, his heart warmed up to Flesherton and he decided to assume the leadership of the local church in the Lord's work. Since being here much success has rewarded his efforts. Souls have been won; three have been baptised and received into the membership of the church. Still others are expected to take the initial step.

The ceremony commenced when Deacon W. Beaton called those present to order andl informed them why the meeting had been called. This having been done the Rev. W. McDonald, formerly of Flesherton, now of Owen Sound, was appointed Moderator of the council which had been called together for the purpose of examining the candidate. Rev. Caleb Harris, B.A., of Hanover, was next elected clerk of the proceedings. After a few more preliminary details Mr. Preston was called upon to make a statement as to his conversion, call to the ministry, and views of Christian doctrines. This he did so ably that few if any were needed to convince the councill of his fitness for the work to which he has been called. The council voted unanimously to fellowship Mr. Preston on all the counts conversion, call and Christian doctrines. An excellent supper was then served by the ladies of the church and other willing helpers.

At 7 o'clock the council again assembled to proceed with the ordination. Rev. C. J. Loney of Hamilton led the opening devotionall exercises in a spirited manner. The Moderator then callled upon Dr. E. M. Kierstead of McMaster university, to deliver the ordination sermon. The visiting ministers then assembled on the platform and, while Rev. W. Buckberrough of Stayner led in the ordination prayer, the bretheren placed their hands upon the head of the candidate, thus setting him apart to the work of the Gospel ministry. Following this the Rev. C. J. Loney gave the right hand of welcome to the new minister on behalf of the ministry. Rev. James Meduckie of Paisley gave the charge to the candidate, while the Rev. W. S. McAlpine B.A., of Wiarton, gave the charge to the church. A voluntary, splendidly rendered, by the choir, a hymn and the pronouncement of the benediction by the Rev. Alfred James Preston, brought a really wonderful day to a close.
