FIVE GENERATIONS IN PORTEOUS FAMILY

This picture is a five-generation group which gathered on August 6th, for the 88th birthday celebration of Richard Porteous, formerly of Flesherton, who now resides with his son, James, 8th line, Artemesia, who is shown back row. Others in the group are the latter's daughter, Mrs. Fred Duckett of Eugenia, the former Hazel Porteous, front right; left front is the former Selina Duckett, now Mrs. Bernell Hutchinson of Ravenna. The latter's son, Vernon Hutchinson, great-great-grandson of Richard Porteous, may be seen in the rear row, left. — Photo by Palmer, Dundalk.

Any way you look at it your telephone is
BIG VALUE

Compare

You'll find the cost of telephone service has not gone up as much as most other things you buy.

Even with recent rate increases, your telephone still costs so little; it remains one of the smallest items in your family budget.

And it gives you so much. In moments of urgent need, its convenience and speed may be beyond price. In terms of day-to-day usefulness it means more than ever before; twice as many people are within reach of your telephone today as there were ten years ago. Telephone value has steadily increased.

Today, as always, your telephone is *big* value.

THE BELL TELEPHONE COMPANY OF CANADA
