Hydro Users Requested To Use Power Here

The village hydro commission has received word that there is a possibility of our power being curtailed during the months of November and December, owing to the great demand on the system and a delay in securing machinery from the manufacturers. The letter conveying this information reads as follows:

Please be advised that due to excessive demands for power on the various plants serving your district that the Commission might find it necessary to curtail your supply of power during the period between the present date and the first of January next.

The Commission regrets having to give this notice but delay in securing delivery of equipment for the extension of the Muskoka development at South Falls (which is no fault of the Commission's, but is entirely due to the manufacturers being unable to live up to their contracts) has prevented the Commission completing the South Falls development in time to be of any value in helping out the demands on the Georgian Bay system during this period.

It is expected that the first new unit at South Falls will be in operation by January 1st, after which date the Commission expects to have sufficient power available to meet all requirements for some time to come.

Should curtailment be necessary, you will receive notice by telephone from the Superintendent of the system, (Mr. T. Berry), and when this notice is given it is expected that you will comply with same; otherwise, the only means of protecting the generating equipment is to trip the switch and interrupt the service.

The Commission trusts that it will have your co-operation during this period and you can rest assured that every effort will be made to maintain the best service possible under existing conditions.

An Agricultural Authority

The Toronto Star, referring to the success of modern Canadian women in the judging of live stock, thus refers to a lady who received her early education in Flesherton, where she spent her girlhood and where she still has numerous friends:—"Cora Hind, the agricultural editor of the Manitoba Free Press, in many respects the greatest living spinster, is the most honored figure at Stockbreeders' Conventions, and, of course, is as womanly-hearted as the world contains. The Free Press wheat crop estimate is Miss Hind's estimate, and the best that comes through." So say we all!

On Tipping Overseas

Clippings Taken From Some Exchanges On Occurrences In Europe

Europe is wedded to the tipping system, and some of the editors who were overseas the past summer had rather funny experiences.

While visiting the tower of London, Mr. H. E. Rice, of the Huntsville Forester, had an experience in the matter of tips even more singular . Mr. Rice described it thus—Our guide, rotund, ruddy-faced, good-natured and humorous, came in for many words of thanks. Thinking these a little unsubstantial, I waited until the party had got safely away and then slipped a coin into his hand. He immediately handed it back with the proud assertion that he "was employed by the King" and could not receive tips. As far as I can recall, this is the one and only outstanding example of proudly asserted financial independence met with on our entire trip.

The Walkerton Telescope man says some of the editors found it rather difficult to get acquainted with the currency of the various countries. One of them was Sam Wynn of the Yorkton, Sask., News. At Antwerp Sam and the editor of the A. T. decided to visit the museum, once a feudal baron's residence, but had long since become the property of the state. While in the basement of the building viewing the dungeons Sam suddenly remembered that European guides were not averse to accepting gratuities and produced a coin and gave it to the guide. Shortly afterwards we went upstairs and were examining other relics of barbarism when that functionery again appeared and called out, "Meester, Meester," and at the same time held up something between his fingers. I went over to him and found it was a coin he was holding. I took it from him and notwithstanding his threatening attention burst out laughing, for Sam with true Canadian generosity had handed him a five centime piece as a tip. This I replaced with a franc. As a franc was only worth five cents in Canadian money Sam had unwittingly presented our honored guide with the magnificent Canadian equivalent of one quarter of a cent. Needless to say when it was explained to him Sam and the guide had a good laugh.

A Scotchman who walked into an hotel washroom and seeing a printed sign on the wall which read "Please Tip The Basin," walked out again in high dudgeon.

MR. JOHN HOWARD DIES

Mr. W. H. Bunt was called to Toronto to attend the bedside of his brother-in-law, Mr. John Howard, who died on Wednesday morning last. Mr. Howard was well known here, having frequently visited with Mr. Bunt.

At W. M. S. Convention

There was a very successful gathering, under the auspices of the District Methodist Women's Missionary Society, at Owen Sound on Wednesday last. The following ladies motored to that city from Flesherton, viz: Mesdames Heard, Boyd, W. A. Armstrong, Mitchell, Murray, Cargoe, Holland and Bentham, together with Misses Maybee, Allie Norris, Louise Cargoe, Agnes Henderson and Florence McFadden.

DIED

WHITTEN—In Toronto on Sunday, October 26th, 1924, Billie, infant son of Mr. and Mrs. Alf. Whitten, aged three months and three days. Interment took place in Lorne Park Cemetery on Monday aftrnoon, October 27th.

EAGLES—McINTYRE

A very quiet but happy and interesting event took place in Markdale on Wednesday afternoon last at 1 o'clock p.m., when Sarah Alice Jane McIntyre, eldest daughter of Mrs. Robert McIntyre of Singhampton, became the bride of Charles Frederick Eagles, youngest son of Frederick Eagles of Barrie. Rev. F. N. Bowes joined the couple in the holy bonds of marriage. The happy couple will reside on the groom's farm, near Irish Lake. The Advance extends hearty congratulations to the young married couple.

SHOW NIGHT CHANGED

The picture show night has been changed from Thursday to Friday night commencing this week. Mr. Stephenson has a fine show for this Friday.

CARD OF THANKS

I desire to express my gratitude to friends for kindnesses rendered and sympathy offered during the illness and death of my wife, Isabel Williams.

—A. WILLIAMS.

HALLOWE'EN CELEBRATED

The young people were again at work on Hallowe'en night and loaded the market square with a miscellaneous litter of junk, wagons, gates, etc. No damage was done to any extent.

Nelson Reynolds of Port Hope sold raspberries to the local grocer on October 3rd.

It looks as though the Chautauqua movement, so popular for several years, is pretty nearly done in Ontario. Deficits have been the rule in many towns this summer and guarantors are getting tired of meeting them.
