Superceding as it does all other modes of illumination, and rivalled only by the glorious sunshine, will not be hailed with greater joy by mankind, than is Burdock Blood Bitters, which is as far superior to all other blood purifiers and tonics as the electric light is superior to the old fashioned tallow dip. Now that winter has well commenced we would advise our readers against using pills containing Calomel and other injurious substance, as there is great danger of catching cold after their use. An excellent substitute for pills is a Vegetable Preparation known as Dr. Carson's Stomach and Constipation Bitters, a family medicine that, from all accounts, will soon take the place of every other purgative and blood purifier. A Turner and Co., Special Agent, Markdale.

The Meaford *Monitor* thinks the paragraph that appeared in our columns a week or two ago stating that Mr. Masson left Owen Sound after the train and arrived in Markdale ahead of it, rather "thin." We gave the story as it was given to us by Mr. Masson himself, who is a lawyer, and our brother of the quill must be aware editors and lawyers never lie.

FEEBLE LADIES.—Those languid, firesome sensations, causing you to feel scarcely able to be on your feet; that constant drain that is taking from your system all its elasticity; driving the bloom from your cheeks; that continual strain upon your vital forces rendering your irritable and fretful, can easily be removed by the use of that marvelous remedy, Hop Bitters. Irregularities and obstructions of your system are relieved at once, while the special cause of periodical pain is permanently removed. Will you heed this?—*Cincinnati Saturday Night.*

It will be seen by reference to our advertising colums that Messrs. Lane & Rowe have opened a Law office in Markdale, McFarland's Block.

TO THE SECRETARIES OF SCHOOL BOARDS.—We keep on hand printed notices for annual School Meetings, made to suit any School Section by filling in the number, and they cost only 15cts. for half a dozen. Call at the STANDARD office or send by mail for them, or to A. G. Hunter, Dundalk.

Owing to the change of time in carrying the mail on the train some of our papers missed the regular country mail last week, and were delayed two days in consequence. We will in future endeavor by some means to have the paper out in time to make connections with Friday's country mails.

Next week we will issue 500 extra copies each of Markdale STANDARD and the Dundalk HERALD. Any person taking a half page advertisement for the week will receive one hundred extra copies of the paper. We have room for two or three yet.

W. Jelly, Esq., M.P.P., and Mr. Johnston, of Shelburne, were in Town on Wednesday.

Don't forget the special cargains in Ladies' Gold Watches at W. F. Doll's.

On account of the change in the time of closing the mails, we have to go to press several hours earlier than formerly, consequently advertisements and all other matter must be in not later than 12 o'clock Wednesday to insure insertion.

You want to make the money go as far as you can. Well, then, call upon W J. McFarland, the only direct Importer of goods in Markdale. No Middlemen's profits to add to the price of his goods. He buys at same prices, and from the same Houses in Europe as the Wholesale Houses. Ten Cases and Bales of English Goods expected this week.

There is good time being made on the T., G. & B., since the great change which took place last week. Every person who travels over the road is delighted with the great improvement; but we have a word to say in regard to a custom which prevails amongst a certain class, arising from thoughtlessness, or perhaps ignorance, which is very annoying to the train officials, as well as the travelling public who prefer a clean seat; that is, the habit of putting their feet upon the seat in front of them. It is impossible to keep the seats clean and unsoiled so long as those who do so persist in so doing, especially in a time when mud prevails. They might easily throw a newspaper on the seat, or else remove their shoes if they wish to stretch themselves out and take a nap. The conductor is, no doubt, timid in reproving those who do not appear to know better, for he well knows he would generally receive in return impertinence and abuse. We would suggest that a notice be put up in each coach in large type requesting travellers to keep their feet down except when scrupulously clean.

For the Christmas Holidays W. J. McFarland is offering Gent's Fashionable Ties at 50c, worth $1, Gent's handsome Suspenders, 35c, worth 50c. Ladies' warm lined Gloves, 15c per pair. Ladies' lined Kid Gloves, Fur Top, $1. A good useful Kid Glove, 2 buttoned, 55c. Irish Table Damasks 35c, 40c, 42½c, 45c, 50c. 55c and 60c, cheap at 10c per yard more. Children's Cloth Jackets, 50c, 85c, $1, and $1.25, a bargain. Ladies' Dolman's & Cloth Jackets at a big reduction. Shawls $1, $1.75, $2.75 up. New Glass Table sets, 60c, very stylish. Table Knives and Forks, $1.25 up. China Tea sets, Cheap. Men's Overcoats, for the cost of making up. Black Silks, every Lady and Gent intending making a present should see them. Real Laces, cheap. See our 5c lace and our 10c lace. In fact his store is crowded with bargains for the Xmas Holidays.

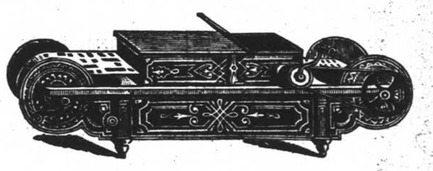
Mechanical Orguinette.



An Automatic Reed Organ.

"The Orguinette may now be called a celebrated instrument. In tone it is akin to the Cabinet Organ, but the organ must be manipulated by an artist in order to produce music; the ORGUINETTE is on the other hand entirely mechanical in its action, and at a trifling expense it can be made to furnish an unlimited supply of all kinds of music. —*Toronto Globe.*"

"The Orguinette is indeed a musical wonder. It is a miniature reed organ, with as strong and melodious a tone as the Cabinet Size. It surpasses the Cabinet Organ for the reason that the ignoramus in music can play it as well as the most accomplished professor. THE ORGUINETTE is strong and accurate in its mechanism, and consequently not liable to get out of order."—*Montreal Gazette.*

"The Orguinette is the most perfect automatic musical instrument yet invented; its repertoric is unlimited, the tone is remarkably good."—*Montreal Star.*

MANHOOD

HOW LOST, HOW RESTORED.

WE have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and nervous Debility, Mental and Physical Incapacity, Impediments to Marriage etc., resulting from excesses.

Price, in a sealed envelope, only 6 cts., or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.
