SOCIABILIY WITH TRAVELLING

A correspondent says:— I never got so well acquainted with the passengers on a railway train, as I did one day on the Milwaukee & St. Paul railroad. We were going at the rate of about thirty miles an hour, and another train from the other direction telescoped us. We were all thrown into each other's society and brought into immediate contact, so to speak.

I went over and sat in the lap of a corpulent lady from Manitoba and a girl from Chicago jumped over nine seats and sat down on the plug hat of a preacher from La Crosse with so much girlish enthusiasm that it shoved his hat clear over his shoulders.

Everybody seemed to lay aside the usually cool reserve of strangers, and we made ourselves entirely at home.

A shy young man with an emaciated oil cloth valise, left his own seat, and went over and sat down in a lunch basket where a bridal couple seemed to be wrestling with their first picnic.

Do you suppose that reticent young man would have done such a thing on ordinary occasions? Do you think if he had been at a celebration at home, that he would have risen from his seat and gone where those people were eating by themselves, and sat down in the cranberry jelly of a stranger?

I should rather think it.

Why one old man who, probably at home led the class meeting, and who was as dignified as Roscoe Conkling's father, was eating a piece of custard pie when we met the other train, and he left his own seat and went over to the front end of the car and snabbed that piece of custard pie in the ear of a beautiful widow from Iowa.

People travelling, somehow forget the austerity of their home lives, and form acquaintances that sometimes last through life.

Why suffer from Indigestion and Dyspepsia when Burdock Blood Bitters will positively cure these ailments. A trial bottle only costs 10 cents.

Emperor William, of Germany, once visited an orphan asylum. He took a little girl on his knee, and pulling an orange from his pocket, said: "To what kingdom does this belong?" The orphan replied "The vegetable kingdom." He next produced a gold piece and the girl's reply to his query was "The mineral kingdom." "Now look at me, and say to what kingdom I belong," said the Emperor. The little one hesitated, fearing to say the animal kingdom, and at last looking at the aged monarch, she said, "To the heavenly kingdom." "Yes, yes," said he "and I trust the day is not far distant."

A common, and often fatal disease is Jaundice. Regulate the action of the Liver, and cleanse the blood with Burdock Blood Bitters, and the worst case may be speedily cured. Sample bottle 10 cents.

A peculiar bet was made recently. At a party, conversation turned upon kissing, and the number that could be exchanged between two ardent lovers. A youth bet $50 he and his betrothed would kiss 10,000 in 10 hours. The bet was accepted and the osculation began. In the 1st hour the pair passed 2,000 kisses, in 2nd in our 1,000, in 3 hour 750, and then they broke down. The youth's lips were stricken with cramp, and the maid fainted. Sad to say the nuptial engagement was broken off.

The railroad is almost completed to Hepworth, and the men will reach Allenford this week. The road will be ready for opening by the 1st of June. The greater part of the road between Chesley and Allenford was ballasted last fall, and a couple of weeks will complete it.—*Tara leader.*

KENDALL'S SPAVIN CURE.

The most successful Remedy ever discovered, as it is certain in its effects and does not blister. READ PROOF BELOW.

FROM THE ONEONTA PRESS, N.Y.

Oneonta, New York, Jan. 6th, 1881.

Early last summer Messrs J. R. Kendall & Co., of Enosburgh Falls, Vt., made a contract with the publishers of the *Press* for a half column advertisement for one year, setting forth the merits of Kendall's Spavin Cure. At the same time we secured from the firm a quantity of books, entitled Dr. Kendall's Treatise on the Horse and his Diseases, which we are giving to advance paying subscribers of the *Press* as a premium.

About the time the advertisement first appeared in this paper Mr. P. G. Schermerhorn, who resides near Colliers, had a spavined horse. He read the advertisement and concluded to test the efficacy of the remedy, although his friends laughed at his credulity. He bought a bottle of Kendall's Spavin Cure and commenced using it on the horse in accordance with the directions, and he informed us this week that it effected such a complete cure that an expert horseman, who examined the animal recently could find no trace of the spavin or the place where it had been located. Mr. Schermerhorn has since secured a copy of Kendall's Treatise of the Horse and his Diseases, which he prizes very highly and would be loth to part with at any price, provided he could not obtain another copy. So much for advertising reliable articles.

Kendall's Spavin Cure.

New Hamburg, Ont., Dec. 28th, 1881.

Mr. F. H. McCallum, Dear Sir:—The bottle of Dr. Kendall's Spavin Cure bought of you last summer gave me the utmost satisfaction and performed a wonderful cure upon a mare nineteen years old belonging to me, which was badly spavined for ten years. She was so lame that I could hardly get her to move. The lameness is entirely gone after using half a bottle of the cure, and she is like a young horse again.

Yours truly,

J. F. Rose.

FROM A PROMINENT PHYSICIAN.

Washington, Ohio, June 17th, 1880.

Dr. J. R. Ken[illegible] Dear Sir:—Reading your advertisement in the Farm [illegible] I [illegible] Kendall's Spavin Cure which had been lame from spavin for eighteen months, I sent to you for a bottle by express, which in six weeks removed all lameness and enlargement and I now drive that mare hard and she is sound as a dollar. Its value cannot be told with dollars.

Respectfully yours,

H. A. Bartlett, M. D.

Kendall's Spavin Cure. ON HUMAN FLESH.

There almost is one on human flesh has proved beyond a doubt that "KENDALL'S SPAVIN CURE" has sufficient strength to penetrate and virtue to cure the worst cases of rheumatism, corns, bunyons, frost-bites, or any bruise, cut or lameness which are not affected in the least by ordinary liniments. It does not blister but on the contrary removes all soreness.

St. Johns, P.Q., Oct. 27th, 1881.

Dr. B. J. Kendall & Co., Gents:—About a year ago I fell in the road onto some ice and was badly hurt in the hip joint, which caused me much suffering. I tried various remedies but none gave relief, until I tried Kendall's Spavin Cure. I applied it full strength twice a day for two weeks during last October and it effected a perfect cure. I have since then been well and free from lameness. It is very valuable for man as well as beast.

Yours truly,

Chester K. Green.

Kendall's Spavin Cure.

Is sure in its effects, mild in actions as it does not blister, yet it is penetrating and powerful to reach every deep seated pain or to remove any bony growth or other enlargements, such as spavins, splints, curbs, ringbones, callous, swellings and any lameness and all enlargements of the joints or limbs, or for rheumatism in man or for any purpose for which a liniment is used for man or beast It is now known to be the best liniment for man ever used, acting mild and yet certain in its effects.

Send address for illustrated circular which we think gives positive proof of its virtues. No remedy has ever met with such unqualified success to our knowledge, for beast as well as man.

Price $1 per bottle, or six bottles for $5. All Druggists have it or can get it for you, or it will be sent to any address on receipt of price by the proprietors, DR. B. J. KENDALL & CO., Enosburgh Falls, Vt.
