James Russell Died Suddenly At His Home

Was In His 75th Year—Born In England

Following a rather lengthy illness Mr. James Russell, a well known resident of Artemesia township, passed away on Sunday morning November 16th at 9 o'clock at his home here. Mr. Russell had been feeling much better of late and was able to be out around and visited with his daughter, Mrs. Jas. Linton, just the week before his death. He took suddenly worse and was confined to his bed Saturday. Sunday morning he arose and ate his breakfast and a few minutes later passed away, heart trouble being the cause of his death. To his many friends and relatives in this district the news of his death came as a severe shock, since he was so well known and very highly respected by all who knew him. He was 74 years and 8 months of age.

Mr. Russell was born in England and married a Miss Dinah Holland, also of England, later coming to Canada and settling on his farm here, where he has lived for a great number of years. Mrs. Russell died some twenty-six years ago. Their union was blessed by a family of six boys and three girls, namely:—Geo. and Jas. of Idaho; Nellie (Mrs. Jas. Linton) of Eugenia; Will of Wareham; Lily (Mrs. Thos. Black), Bessie (Mrs. W. Fisher) both of Portlaw; Walter, residing here; Fred on the east back line and Ernie on the old homestead. The family were all present for the funeral except the first two mentioned. The funeral was held the following Tuesday to Flesherton cemetery and was largely attended, Rev. Mr. Pogson of the Anglican church officiating. Mr. Russell was a kind and loving father and his death is keenly felt by his family. He was also a good neighbor, being very honest and upright and always showing sympathy to others in time of trouble. The flowers were beautiful, among them being a wreath from the family and a spray from the grandchildren. The pall-bearers were Messrs. Wm. Gallope, Frank Chard, Robt. Clark, W. J. Chard, John Porteous and Robert Fisher. Much sympathy is extended to the bereaved family in the hour of trouble. Mr. and Mrs. Wm. Gallope of Stayner attended the funeral.

A meeting of the ratepayers of the school section was called by the trustees to consider a yearly grant of $50 for four years to establish a library and provide books. On motion the measure was lost by a small vote. We are indeed sorry to think so worthy a cause could be voted down for so small an amount. It is also a discouragement to the young people and W. I. who so willingly worked to provide the books on hand. We are loath to think they are not in favor of the work or the efforts already put forth. We hope they will prove their good-will by coming across with generous donations towards getting a new supply of books and good magazines for the winter reading.

RAM PREMIUM POLICY

Last year one hundred farmers in Grey County took advantage of the Dominion Governments Premium Policy on Registered Rams. There were some additional who applied too late to receive the benefit of the policy last winter.

The policy is again continued this year. A large number of applications are again through but the Department wish to emphasize the fact that all applications must be sent in before December 31st of the year in which the ram was purchased. The applicant must have at least ten ewes and all offspring must be docked and castrated.

The opportunity to improve your flock is now open to everyone. Ask the majority of men who have used a pure bred ram and invariably they will recommend the pure bred.
