BANKING FIFTY YEARS

WHEN the last animal has passed through the auction ring, when every implement of the farm equipment has been sold, what then? The vast majority of farm auction sales are conducted on a credit basis, but if the sale is to be counted a success a trained banking expert must pass judgment upon the soundness of all settlements.

Warden McTavish Gave Banquen Friday Eve.

Quite a number from here attended the Warden's banquet at the Masonic Hall in Owen Sound on Friday evening last given by the Warden, Reeve Dan McTavish of Flesherton. The host provided a very bountiful table, catered by Mrs. Coleman. The guests, present from all parts of the county sat down at 7 o'clock and needless to say full justice was done the good things provided. During the meal the Georgian orchestra provided fine music. His Honor Judge Sutherland was the toastmaster for the evening and performed his duties in a genial manner and kept things going along nicely. The toast list was a large one, but the speakers were kind and all were given a good hearing.

The toast to the "King and Empire" was proposed by the chairman and was responded to first by singing the National Anthem and then addresses by John McQuaker and W. S. Middlebro, K.C.

The Dominion and Provincial Governments was responded to by M. R. Duncan, M.P. Dr. Jamieson of Durham was to have responded also, but he was not able to come on account of the storm.

"The County" was responded to by Sheriff Wilson.

"Agriculture," the keystone of our prosperity, was ably responded to by Reeves John T. Miler and Geo. A. Bothwell, and was followed by the toast to "The Ladies" whose interests were defended by Reeve W. W. Smith and W. I. Field. The last toast was that to "The Press," which was responded to by Messrs. A. S. Thurston of the Meaford Mirror and Frank Irwin of the Durham Chronicle.

There was also a toast to "The Warden", although t was not on the program, and Warden McTavish was in fine humor, making a nice response to the toast. Although there have been many Wardens' banquets in the past this one was declared to be one of the best banquets they had ever attended.

Those who attended from here were:—Messrs. W. J. Bellamy, Geo. Mitchell, W. J. Meads, G. F. Brackenbury, F. Pinder, F. J. Thurston, G. A. McTavish, F. Mathewson, C. E. Batty and C. N. Richardson .

A REMARKABLE SIT-UATION

From the Creemore Star

One of the teachers at the continuation school suffered a "come down" on Wednesday morning. When she entered the class room and sat down in the usual chair, it appeared to her to be bottomless. We understand she was not hurt but the chair was a bad wreck.

Borrowing trouble is bad enough; lending it to your neighbors is worse.

John Rudolph, a well known farmer of the 6th con. of Brant, was fatally injured in an auto accident 1¼ miles south of Cargill, when his car upset, pinning him underneath.

A Durham pool room owner was fined $10 and costs for allowing a 16-year-old boy to play pool.

A kiss is a peculiar thing. Of no use to one, yet absolute bliss to two. The small boy gets it for nothing, the young man has to steal it, and the old man has to buy it. 'Tis the baby's right, the lover's privilege, the hypocrite's mask. To a young girl, faith; to a married woman, hope; to an old maid, faith, hope an[1] charity.
