The Methodist Sunday School held their annual New Years supper and concert last Thursday evening in the Methodist church. A record crowd attended, the auditorium being filled to capacity, and to show their appreciation the children, young and old, excelled themselves, and a splendid program was the result. The choruses, drills, recitations and dialogues showed an excellency which comes only after much work and practice.

A cantata entitled "Every Child" completed the program and was so arranged that every one in the school took part. Miss Elda Karstedt took the part of Love, and Miss Mildred Caswell represented Canada. Both delivered their parts very creditably.

The proceeds for the evening amounted to $111.70, which is a record.
