Holdfast U.F.W.O. Meeting

A most enjoyable regular meeting of the Holdfast U.F.W.O. club was held at Mrs. Geo. Cairn's on Thursday, February 8, twenty-seven members being present and one new member joining. After the opening exercises and usual business was disposed of the report of the delegate, Mrs. Alex. Carson was heard. Mrs. Carson gave an exceptionally fine review of the U. F. W. O. convention and conveyed to the members the enthusiasm and knowledge gained there. Questions on the form of Provincial Government were answered by four members.

The Club members feel keenly the death of Mrs. Sled, who was really responsible for the organization of the Club last summer. She had a quiet cheery presence that brought comfort and happiness wherever she went. Mrs. Sled was Vice-President.

Mrs. Carson was elected to succeed her, and Mrs. John K. McLeod was elected Sec.-Treas to repace Agnes Macphail, who leaves in a few weeks to attend the Session.

On behalf of the Club Mrs. Dan Campbell read an address of appreciation and farewell to Agnes Macphail, and Mrs. Purdy presented her with a pair of book ends and an embossed metal vase. Miss Macphail expressed herself as both glad and sorry, sorry for the sacrifice made for her, and glad in the knowledge that such a united goup of splendid women made her work a pleasure.

The next regular meeting will be held at Mrs. John D. MacLeod's on February 12th.

University extension courses for convicts at Sing Sing prison have proved to be a success.

French parliament sat so late that the clocks in the bulidings were stopped to hide the hour. The pendulums ceased, but the tongues of the members went on wagging.

KIMBERLEY

(Intended for Last Week)

The old familiar sound of the school bell is what greets us after the holidays, telling us that the teachers have gone back to their work, also pupils and the holiday visitors and friends gone to their homes or various occupations.

We were sorry that we omitted from the list of friends visiting, the names of Mr. and Mrs. O. Maxwell, also Mrs. L. Morwood, last week.

Rev. Mr. Ellison took his three outlying appointments Sunday. Which Kimberley must supply. Through the kindness of Mr. J. A. Stuart we had a special treat of sermons and music by radio.

Mr. York, Markdale, and Mr. Geddes of Toronto put on a radio concert Tuesday night which was much enjoyed. It is at present installed at Mr. J. A. Stuart's.

Mr. Russel Ellis has also a radio set put up.

Mr. Edgar Saul is the guest of his brother, Mr. T. Saul, also his sister, Mrs. Carruthers.

Mr. and Mrs. R. Chard and children visited with Mrs. W. T. Ellis last week, Miss Justina returning with them for a few days.

A jolly big load of young folks went to Flesherton Saturday night to skate and report a good time.

Mrs. A. F. Hammond and family and Mrs. J. A. Stuart and family spent New Years with Mrs. McMullen at Eugenia.

Mr. Charles Thompson of Flesherton and his mother visited with Mr. and Mrs. Plewes Sunday, as also did Mr. and Mrs. Frank Davis.

The New Years social put on by the League was a splendid success under the leadership of Rev. Mr. Ellison. Everyone enjoyed the progressive crokinole. Miss K. Hutchinson and Mrs. Myrel Weber succeeded in winning the prize.

Membership Growing At The Baptist Church

The annual business meeting of the Flesherton Baptist church was held on Friday afternoon last, Rev. Alfred J. Preston occupying the chair. Reports of the different offices and departments of the church were given. One of the noticeable features of the financial statement was an increase of 100 per cent. in the amount of loose collection over the preceeding year, this in turn speaking of the increased attendance at the church services.

In the report of the spiritual advances, it was pointed out that, as a result of the different and extended evangelistic efforts, there had been eight new members added to the membership during the past year. This did not include the new members of the Rock Mills church as they are included in the new organization which has come into effect during the fall months.

The members deeply regret the loss of two highly esteemed and valued workers in Deacon Martin Phillips, who passed away in the spring of the year, and Mrs. Levi Betts, who went to her eternal home in the midsummer.

The election of officers for the ensuing year was greatly facilitated by the work of a nominating committee. The Deacons board will be Mr. W. Beaton, Mr. G. Beecroft and Mr. G. Warling. The finance committee comprises Messrs. L. Betts, C. Betts, H. Allen, G. Warling, A. McKechnie, G. Beecroft, J. Sewell, also Mrs. D. Williams and Miss M. Warling. The clerk of the church was re-elected namely, Mr. W. Beaton, and Mr. Gordon Warling is the newly-elected treasurer. A Deaconess board was elected of which Mrs. D. Williams was asked to be convenor. The trustee board and building committee contains the following Messrs. L. Betts, R. Allen, C. Stafford, J. Sewell and W. Beaton.

At the close of the business session a social hour was spent at which the ladies of the church served light refreshments.

REFUSE COMPENSATION

After many days during which the provincial game department officials either took the mater into their serious consideration or allowed the application or affidavit to rest undisturbed in a letter basket, the deputy minister of game and fisheries has addressed to Mr. Henry Jones a reply to Mr. Jones' application for compensation for the damage done his green house when a deer, that is protected by law against death or injury at the hand of any one hunting it, jumped through the glass roof and let in the frost which killed much of the stock that was being grown for the Christmas trade. Monday of this week Mr. Jones received the following letter from the department of game and fisheries:—

"Your claim for $714.00 and affidavit attached concerning the loss sustained by you when a deer entered your premises on October 23rd last, have been given due consideration by the department and as formerly advised it will be impossible to recognize any claim for damages against this department. From your former report it would appear that the deer had been chased by dogs, and if so, you may be able to ascertain the names of the owners of the dogs which caused the deer to become frightened and enter your premises.

"From time to time this department receives notice of alleged damage caused by beaver flooding lands and squirrels entering residences and causing in many cases quite heavy losses, but in no instance has the department been held liable for such damage, nor is it desirable to establish such a precendent."—Alliston Herald.
