Our village was shocked on Tuesday, February 17th, when the fresh young life of Mrs. Thos. Woods was so quickly snapped away from our midst at the age of 23 years and 7 months. She had been ailing for only a short time. About eight years ago she underwent an operation for goitre at Rochester and ever since her heart has been weak, the goitre having been so hard on her system, and it was supposed to have hastened her end. Her maiden name was Katie Morrison youngest daughter of the late Mr. Marshall Morrison and Mrs. Morrison. She leaves to mourn her loss a young husband and little babe of seven mos., Beryl; her mother, five brothers and one sister—Will of Richmond Hill, Ont.; Albert of Shelburne; Jack and Alex of Maxwell; Harold of Flesherton and Mrs. Will Stewart of Regina, Sask. All were present at the funeral with the exception of Mrs. Stuart. The remains were taken to the Anglican church where the Rev. The subject was resolved,, "that the advancement of the country depends more on its natural resources than its people." Kimberley supported the affirmative and won by a narrow margin.

On Wednesday, February 11th, 1925, the spirit of Mrs. Arthur Johnston passed peacefully away to the Great Beyond. The deceased, who was 76 years of age, was visiting her daughter, Mrs. F. R. Boland, for about two weeks. Mrs. Johnston, Whose maiden name was Miss Isabella Sinclair, was born in Toronto and when eight years of age moved with her parents to Sarnia where she lived until her marriage in 1873 to the late Arthur Johnston, who predeceased her some years ago. After their marriage they came to Artemesia, where she has since resided. To them were born the following surviving: Mrs. Hare of Markdale, Mrs. F. R. Boland, Lundy and Will of this place, also one brother and two sisters in Sarnia. The deceased was a loving and devoted mother and greatly respected by all who knew her. She was a member of the Methodist church from her early girlhood and was a regular attendant till her failing health about a year ago prevented her. The funeral took place on Friday to the Meaford Road cemetery and was very largely attended. Service was held in the Vandeleur church, conductetd by her pastor, Rev. F. N. Bowes, of Markdale, who preached an excellent sermon. The pallbearers were Messrs. Geo. Shannon, Geo. Pritchard, J. I. Graham, Joe Buchanan, J. J. McGee and S. Gilbert. The floral tributes consisted of wreath from the family, pillow from the McGee family, spray from the Nesbett family, Credit Forks; spray from Mr. W. Buchanan, Tillie and Ben of Toronto; sheaf from the Vandeleur ladies; spray from Presbyterian S. S.; spray from Orange Valley School Section and a sheaf from the Vandeleur Institute.

Robert Steele of Bolton ought to be getting used to broken arms. He was just recovering from an accident in which he had broken his arm, when he slipped on the verandah and broke it again.

Mr. I. B. Lucas has a downy official bed to lie on and the wolf is far rfom his door with a salary of $21,000 a year as Chief Counsel of the Hydro Commission just about as much as the combined salaries of the ministers of of the Crown, outside of the Premier. The Hon. Dougald Carmichael has surely something to answer for in defeating I. B. in East Grey.

At least two instances can be cited locally, as a result of the recent thaw to show that either this winter is peculiar to itself or some things are rushing the season. Miss Edith McComb, Provincial highway, near Melancthon Station, uncovered pansies in bloom in the garden, and Mr. Wll Spilker, William street, Shelburne, dug live fishworms in his garden.—Economist.

FURNITURE TALK

It will soon be the time of the year when all housewives will be thinking of what changes they would like to make in their house cleaning campaign this Spring. Nearly every housewife likes to add or replace some piece of furniture when at the job of cleaning house. Might we suggest that we would be pleased to supply your wants in this line at all times. Special prices to beginners starting up or sales made for presents.

We also handle the Sunstop shades for stores, halls, schools or any business place; last twice as long as ordinary blinds. We have been very pleased with the response to our picture framing advt. and would add that no doubt there are others who have pictures or a nice calendar which would keep far better if nicely framed. If so, bring them in and we will do the job for you.
