ROCK MILLS

Unity U.F.W.O. club and Eugenia U.F.O. club will hold a joint meeting and social evening in the Orange Hall at Eugenia this Friday night, March 6th. Ladies bring sandwich and cake.

We had a taste of real winter on Thursday and Friday of last week, it being about the worst storm we have had this winter.

Mr. Walter Russell visited over the week end with his wife, who is in the hospital at Owen Sound.

Mr. and Mrs. Melville Douglass of Feversham visited recently with the latter's brother, Mr. Robt. Croft, and wife and family here.

We are sorry to report Mrs. Geo. Johnson very ill at the time of writing, but we hope to hear of a great change for the better soon.

Rev. H. B. Jackson, evangelist, held a prayer meeting at the home of Mr. John Porteous on Tuesday night of last week when the house was crowded. A sleigh load of students from the Bible School, Proton, were also present. Mr. Jackson is a forceful and convincing speaker and we were delighted to have him back with us again. Mr. Jackson will conduct another prayer meeting at the home of Mr. Porteous on Tuesday night of this week.

Miss Sarah White visited at her parental home here.

Mr. and Mrs. Dave White received the sad news last week of the death of their grandson, Georgie Walker, of Goderich at the age of eight years. We extend our sincere sympathy to the bereaved ones.

We extend our sincere sympathy to Mr. Oliver Turner and family in their hour of sorrow by the death of their loving wife and mother.

Mr. Dargavel has several teams on drawing lumber again from the Company's yards here and shipping it to their factory in Durham.

The logs have been coming into the mill here pretty fast lately, as it looked a few days ago as if we were going to lose all our snow. There is plenty of it again and most people will be able ot finish their winter's work nicely.

Rev. A. J. Preston intends holding prayer meeting this Thursday night at the home of Mr. Thos. Fenwick on the 8th line.

IN MEMORIAM

OSBORNE—In loving memory of my sister, Reta Osborne, who died Feb 27, 1919:

I think of thee, dear Reta,
Though not with outward show,
For the heart that mourns sincerely
Mourns silently and low.
The highest grief that's in the soul
No human tongue can trace,
For many an aching heart is hid
Behind a smiling face.

EUGENIA

Keep March the 12th in reserve as the people of this vicinity will have a treat in store in the way of a four act play entitled "That Gal O' Mine" to be given in the Presbyterian church on the above date by the Markdale Dramatic Club. Large Bros.' orchestra will also be in attendance. Don't miss this treat.

Mr. William Graham, cinemoatographer of the Government studio at Trenton, spent the past week at the Eugenia House and took about 600 feet of films of the pheasants, etc., at the Island.

S. W. Sloan spent the past week in the city on business.

The Liberal-Conservative Association held their regular meeting at the home of W. E. Morgan and put through considerable business.

Mrs. Thos. Fenwick of the 8th line spent a few days recently with her cousin, Mrs. Haney.

It was with regret we learned on Wednesday morning of the death of Mrs. Oliver Turner, who passed away at her home after an illness of some months, although Mrs. Turner's life was despaired of a year ago. She regained her strength to the extent that she was able to come to the village in the car and her death came as a shock. Mrs. Turner was the eldest daughter of Mr. and Mrs. Wm. Magee of the 8th line, very highly respected and loved by all who knew her, being of a very kind and gentle nature. She leaves to mourn her loss her sorrowing husband and two young children, a son and daughter. There is also the mother and father, one brother and three sisters left to mourn the loss of a devoted mother and daugher, who have the deepest sympathy of the entire community in the hour of bereavement.

Word was received here the past week of the death of an old Eugenia resident in the person of Mrs. Samuel Fisher, whose death took place at her home in Toronto the past week. Mrs. Fisher, with her late husband and their family together resided in Eugenia for a number of years, moving to Toronto some 15 years ago. Mrs. Fisher, whose maiden name was Margaret Menzie, was very highly respected, was of a very bright and cheerful disposition, ever ready to help a friend in need and it was with regret that we learn of her death. She leaves to mourn the loss of a kind and devoted mother, six sons, John, Paisley; Will, Winnipeg; Alex., Herb, Charlie and Laurie of Toronto; three daughters, Mary (Mrs. Alex. McKechnie) Markdale; Winnifred of Toronto also one daughter at home. One son, Fred, predeceased her, having made the supreme sacrifice in the Great War. The sympathy of the community is extended to the bereaved family.

Jack Large attended the funeral of his old friend, Mrs. Arthur Johnston at Vandeleur the past week.

A number of hydro telephone men are busily engaged in stringing a new line from the power house to Flesherton.

Mr. and Mrs. E. Proctor and little daughter visited the former's parents at Kimberley the past week.

BORN—On Tuesday, February 24, 1925, to Mr. and Mrs. Harry Tate, Hillsburg, a son.

Mr. Johnny Little and son of Wareham called on a few of his old friends the past week.

The recent earthquake shock was felt by a number around the village, while others did not notice it at all. We believe a number of the valley residents felt it more distintly han those on the mountain.

Harry Foester is visiting at present with his parents at Kitchener.

Mrs. Large entertained a number of ladies to a quilting and tea the past week.

FOXES BRING $1,000

Mr. Bernard Rutland of Deemerton one of the pioneers in fox farming in this district, sold a fine pair of registered Black Silver foxes to Mr. O. G. Parkinson, who has a ranch near Guelph. The price paid for the pair, which are purebred of best quality, was about one thousand dollars. The fox industry is going strong in Western Ontario and this province may soon rival Prince Edward Island, where raising of reynards has come to be an exceeding profitable and prosperous industry, with some millions of dollar invested in it.—Hanover Post

KIMBERLEY

Mr. J. Plewes is visiting with his son, Mr. L. Plewes, at the mill.

Mr. W. Plant has leased his farm to Mr. J. Burrell for a term and has moved to the house of Mr. G. McConnell.

Mr. and Mrs. W. T. Ellis spent part of a week with their daughter, Mrs. R. Chard.

Rev. Mr. Ellison will preach his sermon on sports on Sunday night, March 8th. We hope the bad weather will not prevent a full house.

A happy event of more than ordinary interest took place at the home of Mr. and Mrs. F. Weber on Wednesday, February 25th, when they entertained Mr. Rufus Wickens and family, it being his 74th birthday. The family of two sons and four daughters were all present with the of Sask. Mr. Wickens has lived 68 years in the valley and accepts the best wishes of his many friends.

The debate between Vandeleur and Kimberley young people was a much enjoyed event, the subject being resolved, "that the advancement of a country is due more to its natural resources than to its people," Kimberley having the affirmative and aVndeleur the negative. The affirmativ was the winner. Both sides are to be congratulated on "digging up gems" which were really fine. The affirmative was taken by Miss Almeda Weber and Miss Kathleen Hutchinson, the negative by Mr. A. Buchanan and Mrs. F. Davis. The judges of the debate were Revs. Eaton and Harrower of Flesherton and Mr. R. D. Carruthers. We also enjoyed Mr. Eaton's solo. The next of the series will be at Vandeleur between Flesherton and Kimberley on March 13th.

The W. I. met at the home of Mrs. J. A. Stuart on Thursday and on account of the storm the attendance was small. They decided to have a social evening on Thursday night of this week, progressive crokinole and lunch. In the afternoon the Ladies' Aid will have a quilting for the bazaar.

The League went to Flesherton on Monday night and spent a social time with the Flesherton League.

Almost everyone was frightened by the earthquake shocks on Saturday night at about 9.30. It was so severe that some doors came open, lamps shook and water in pails swayed at least one and a half inches.

PRAYER FOLLOWED BY WORKS

The town of Weston has risen high in the esteem of the sport-loving public by the magnificent spirit displayed by its citizens to one of their lacrosse "idols" when misfortune befell him by way of an auto accident, which confined him to the hospital for two months suffering with a fractured skull, says the Port Elgin Times. We refer to "Bob" Stephenson, who arrived home about a week ago to recuperate from his long siege of suffering and incapacitation. When it was feared that one of their team, which they cheered to victory on the lacrosse campus on many occasions, was going to join "the great majority," as a result of his injuries, an appeal by way of prayer was offered up in all their churches in this, his greatest battle. While not proffesing to be a model Christian, yet Bob believes that the prayers, like their cheers, had much to do in winning the battle. Nor was this all. These same citizens, by means of voluntary subscriptions and benefit concerts, paid over $1100 for his hospital and medical expenses and when he was leaving for home the Mayor of the town called him into his office and handed him a $50 cheque. Truly, this is a wonderful spirit shown by the people of Weston toward one of their popular lacrosse stars. "Bob" certainly must have won their hearts, and can you blame him when he says, "I am sure going back."

Including purchase price of cars upkeep and depreciation as well as the expense of maintaining motor highways, Hon. W. F. Nickle says the people of Ontario spent more money on automobiles last year than the total value of the crop of the province. That is something to think about.

A quiet but pretty wedding took place at the residence of Mr. and Mrs. A. E. Haw, Ceylon, on Tuesday at high noon, when Mrs. Nellie Jane Arnott was united in the holy bonds of matrimony to Mr. Thos. A. Gilchrist. The ceremony was performed by Rev. H. H. Eaton, Methodist minister of Flesherton, in the presence of immediate friends. The bride looked lovely attired in a navy blue suit with sand blouse and hat to match, and carried a shower bouquet of American Beauty roses and wearing the groom's gift, a string of pearls. The bride and groom were unattended. After the ceremony the guests repaired to the dining room where a dainty repast was served. The tables were pertty with pink and white carnations. The bride and groom were the recipients of many beautiful gifts testifying to the high regard they are held. They left on the afternoon train amid showers of confetti for Toronto, Hamilton and other points and on their return will reside at the groom's residence here. The best wishes of the community is extended to them.

There passed away on Tuesday evening, February 24th at the home of her daughter, Mrs. Knox, where she was spending the winter months, Mrs. Margaret Richardson at the age of 82 years, after only a few days' illness. For a great many years she has been a resident of Swinton Park, where two of her sons reside. The funeral took place on Thursday afternoon, when a short service was held at the house here. The remains were taken to the church at Swinton Park and, after the service conducted by Rev. A. Sutherland, were laid to rest in the cemetery by the side of loved ones, who passed on before. Much sympathy is expressed for the sorrowing ones.
