News of The District

Fred J. Mann is a small town merchant. He conducts a small general store in the little town of Devil's Lake, North Dakota. But despite the necessarily confined area from which he draws his patronage, Mr. Mann won the reputation of selling more merchandise than is sold in any store of equal size in the world. The secret of Mr. Mann's success is best told by a statement he recently made concerning newspaper advertising:—"I would feel I was tied hand and foot if I failed to tell the public through the home papers what I have to sell. The best time to advertise is when times are hard or business is bad and your competitor either curtails his advertising or is not advertising at all. I believe the newspapers of this country are the greatest business builders the world has ever known. I have tried to do business without printer's ink as well as with it, and my conclusion is that the merchant who thinks he can prosper without advertising his goods is foolish."

The contract for the erection of Collingwood's new Collegiate Institute has been let to Messrs. G. H. Thomas & Son of Galt. It is to cost $125,000 and be completed by September.

A peculiar accident robbed E. Dougan of Nelson township, south of Milton, of a valuable cow recently. The animal swallowed a piece of wire that lay loose near the stall and the wire pierced its heart.

Outsiders who peddle meat in Meaford will in future have to pay a license fee of $15.

The new 1925 automobile markers are making their appearance. They are decidedly more becoming in appearance than the 1924 markers.

We had an example of fickle winter last week. A drop of 40 degrees inside of 24 hours is as bad as the "freezing" sometimes given by the modern flapper.

How to get your name in the daily newspapers: Predict the end of the world, marry a movie star, shoot your landlord or get imprisonment in a cave.

"Excuse this bit of sarcasm," said Smith to Jones," but I must say you are an infamous liar and scoundrel." "Pardon this bit of irony," said Jones to Smith, as he knocked him over with a poker.

There is some chance that the municipal voters' lists that will be made this year will be taken as the standard for the lists that will be used in the next Domnion election.

BROWN'S BREAD LIMITED TORONTO

Owen Sound In Finals

SPECIAL TRAIN WENT TO TORONTO MONDAY — FLESHERTON FANS WENT ALONG.

Owen Sound junior championship hockey team won the privilege of participating in the junior finals for the O.H.A. championship by taking Midland juniors to task on Toronto ice beating them unmercifully 14-2. Midland had played two other games with Owen Sound and each was a tie and the game on Monday night had to be played on neutral ice. The Owen Sound bunch were far ahead the best team on the ice and skated their opponents to exhaustion till the third period when they used combination and piled in eight goals to take the series without question. They now meet Aura Lee juniors of Toronto for the final games the first to be played in Owen Sound to-night with the return game in Toronto on Friday. The Greys are favorites to win the O.H.A. honors again this year as they are a well balanced team and all members are practically stars. Any team that beats them will know that they have been up against a real sweet hockey team.

Coldwater has been improving its fire alarm service by having it directly hooked up with the telephone exchange.

Statistics just published by the American Newspaper Directory show there are 2,771 less weekly newspapers in the United States to-day than there were in 1917. The reason given is that the increased publishing costs forced these thousands of publishers to quit. The loss of the weekly newspaper to a town hastens the drift cityward and means the loss of the small community's best publicity agent and trade puller. District interests fall away to other centres and the town without a good paper is looked upon as a dead one. Every week the local paper boosts the interests of its citizens, its community and its district, reflecting to the outside world its town is a live centre, a good place to trade in and live in. Every loyal and enterprising citizen should be a subscriber to his home town paper and share in the co-operation to attract trade to his town by advertising through its columns.

Girls Tie Dundalk Again

A good crowd saw the slush-eating war maids canoe around the ice on Wednesday night last. Although the ice was bad the girls from Dundalk held the locals to a 1-1 score, thus losing nothing in making the trip. Marie Patton scored for Flesherton in the first period. Dundalk netted theirs on a nice shot by Emma Wright and from that on no further scoring was done. Marie Patton was best for the local girls, while Evelyn Watson starred for Dundalk. After the game the girls of the school served luncheon to the visitors and an enjoyable time was spent.

Dundalk—Goal A. Lockhart; Defence, Evelyn Watson, M. Stephen; Forwards, Emma Wright, J. Spanhouse, Helen Wright; Subs, Loreen Moody, Eva Goodfellow.

Flesherton—Goal, E. Watson; Def., Forwards, Laura Boyd, Marie Patton and T. Wilson; Subs, Evelyn Ferris and Elsie McKee.

F. J. Thurston, referee.

Chatsworth Won 7-4

The Flesherton Intermediates were forced to accept defeat at the hands of the fast Chatsworth sextette last Thursday evening in the latter town. The game was fast and clean and when the smoke had cleared away the score was announced as 7—4.

The boys were without the services of Frank Thurston their defence man and as a result the lineup was shaken up considerably, R. Boyd falling back on defence. The lighting in the Chatsworth arena could be improved on and in the first two periods the boys were kept busy getting used to the conditions that prevailed.

The boys were well used by the people of Chatsworth and W. Galbraith gave excellent satisfaction as referee. The following players made the trip:—Goal, Akins; Defence, S. McTavish and R. Boyd; forwards, W. Armstrong, C. McTavish and M. Watson; sub., Jack Dow.

The Chatsworth team was composed of Goal, M. Sinclair; Defence, A. McDonald and L. Collins; Forwards, C. Dudgeon, A. Bowes and L. Sinclair, sub., W. Breese.
