March 12th, Thursday evening of this week, is the date of the play to be given in the Presbyterian church entitled "The Girl O' My Heart," by the Dramatic Club of the Methodist church, Markdale. This play has been highly recommended to the Memorial Committee and promises to be a real treat. Three acts, comprising twelve characters make up the play which will commence at 8.30 sharp. The proceeds will be in aid of the Memorial. Come early and get a good seat. Large Bros.' orchestra will also assist.

Miss Muriel Carruthers of McTeer writes of the success which was attained by local talent of that railroad town when about twenty of the young men gave a concert, all of their own making and realizing financially almost $200, Miss Carruthers being pianist. We believe the affair was under the auspices of the Orange Order and goes to show what local talent can do when that old rule is observed, "Together we stand, etc.——". We understand that Miss Carruthers was presented with a handsome purse from the boys in appreciation of her services as pianist.

The ice on the lake is still quite solid and teams are passing over it daily. This road affords great convenience to those getting out wood and other timber. A great amount of wood has been brought out by the people of the village this winter and among whom is Mr. Adam Smith, who, with the help of a couple of men, has put in his year's supply of wood. Mr. Smith is 83 years of age is hale and hearty and thoroughly enjoys the work in the bush. The rugged old pioneers are pretty hard to beat and we are pleased to see them able for this kind of work, especially when it is such a pleasure to them.

The U.F.O. and U.F.W.O. Unity Club entertained with a social evening in the Orange Hall on Friday evening last when a good time was spent by a number of both clubs, together with their friends. After the general business a splendid program was given which lasted over two hours and was greatly enjoyed by all present, after which a bountiful lunch was served by the ladies. Altogether a very profitable and enjoyable evening was spent.

What proved to be a very serious accident occurred here on Wednesday morning when Mr. Claude Wilson, one of the Hydro linemen, fell from a pole and sustained injuries which will mean a length of time before he is able to resume work again. Mr. Wilson had only commenced work and had gone up the first time that morning when it is thought the spur got into a knot in the pole and broke out, Mr. Wilson falling from the top of the pole. He was at once brought to the hotel when Dr. Turnbull was called and upon examination found the right foot to be pretty badly broken up and injured in the back. After ministering to the injured man he was taken to the Owen Sound hospital, accompanied by Dr. Turnbull. An X-ray examination found the foot to be broken in seven places, the main bone having three distinct breaks. The man's back is also seriously injured.

Through the kindness of Mr. Chas. Parks a number of the residents have had the pleasure of listening to some fine concerts on the radio.

Miss Betsy Turner has returned home after spending the past three months at the home of Mr. Oliver Turner.

A very interesting and happy event was that of the 46th anniversary of the wedding of Mr. and Mrs. Henry Williams, a very highly esteemed old couple of this place, when the immediate relatives, also the neighbors, were present to spend a pleasant afternoon and evening on Wednesday of the past week at the home of the bride and groom of 46 years, who were the recipients of a number of useful gifts. During the course of the evening a dainty wedding dinner was served by the histess. Mr. and Mrs. Williams have resided in their farm since their marriage, being among the oldest settlers now remaining in these parts, and can tell some very interesting stories of the early pioneer days. Mr. and Mrs. Williams have always taken a keen interest in everything pertaining to public life and have always helped in every way they could in any worthy cause. Mr. Williams, who assisted in the work of building the Presbyterian church nearly thirty years ago, has been an elder in the church ever since that time and he and his good wife have attended constantly when health would permit, and still take an active part in every work of the church. Mrs. Williams is a constant worker in the Ladies' Aid and Missionary Society. We join with their many friends in wishing the bride and groom of 46 years ago many more years of useful service and happiness.

IN MEMORIAM

BROWNRIDGE—In loving memory of Mrs. Samuel Brownridge, who died March 12th, 1924.

An evening star shines o'er the grave
Of one we loved, but could not save;
God called her home, it was his will.
But in our hearts she liveth still.

A loving mother, true and kind,
No friend like her on earth we'll find;
For all of us she did her best
And God gave her eternal rest.
