Clothing Inducements!

We are well aware of the fact that although the summer is not half over you expect us to give you a pretty close price on our Summer Suits and Suitings. If you knew how close a price we are prepared to quote you, you would drop in to-day and pick up what others scream about as "bargains." We don't like the word "bargains." They are generally more fakes than "bargains." Good clothes ready to wear or made to your order, which ever you prefer, at an extremely low price are the only bargains we have to offer, and another thing—it's nobody's business how little we charge you for a suit, that's a business transaction between you and us, and we guarantee satisfaction or refund your money.

FLESHERTON HAPPENINGS

(By our own Correspondent.)

Mr. Francis Shier, near Portlaw, suffered a heavy loss last week by the destruction at noon on Wednesday of his barn and contents by fire which started from ashes thrown out by one of the children. The building was a log one, but good size and served the needs of the farm. A wagon, eight loads of hay, eight pigs, harness and a quantity of last year's oats and barley were consumed with the building, upon which there was no insurance, the policy having expired only a short time ago. The house nearby was several times on fire and it was with difficulty neighbors who hurried to the scene saved it from destruction. Mr. and Mrs. Shier, who were away from home when the fire occurred, have the sympathy of the entire community in their loss.

A school section dispute, upon which much interest was centered for some time over the formation of a proposed new union school section, affecting mostly Portlaw section, Artemesia, and the adjoining section in Osprey came up for settlement by arbitration in the town hall here on Thursday afternoon last, when a large number were present. The arbitrators appointed by Grey County Council were R. J. Ball, reeve of Hanover, and W. J. Bellamy and Thos. Scott, clerks respectively of Artemesia and Osprey. After hearing much evidence the decision of the arbitrators was against the formation of the proposed new section and that the old sections remain as they are.

The Presbyterian Ladies Aid Garden Party, given on the agricultural grounds last week was very successful, the proceeds being over $80. More Northwest Excursions.

C. P. R. Meets Rush of Homesteaders.

The homeseekers' excursions run to Winnipeg and the North West provinces by the Canadian Pacific are almost too well known to need description. Thousands of Ontario people have paid a visit to the Golden West this summer, away from home for sixty days if need be, at a cost ridiculously low in comparison with the wealth of the experience gained.

Round-trip tickets are still on sale from all Ontario stations, rates ranging from $32.00 to Winnipeg to $42.50 to Edmonton. The next excursion leaves Toronto Tuesday, Aug. 27th, after that the dates are Sept. 10 and 24, October 8 and 22. The October excursions are a new departure this year, and promise to be successful, the supply of people "going west" being seemingly inexhaustible. Tourist sleeping cars are run on each excursion, berths in which can be reserved at small additional cost. These cars afford every travelling comfort, appreciated especially by ladies and children. Berths must be secured early through local C. P. R. agent, who will be glad to furnish pamphlets and full information regarding these excursions.

Chamberlain's Colic, Cholera and Diarrhoea Remedy Better than Three Doctors.

"Three years ago we had three doctors with our little boy and everything that they could do seemed in vain. At last when all hope seemed to be gone we began using Chamberlain's Colic, Cholera and Diarrhoea Remedy and in a few hours he began to improve. To-day he is as healthy a child as parents could wish for." Mrs. B. J. Johnston, Linton, Miss. For sale by R. L. Stephen.
