### Railroad Notes.

The assistant engineer of the Grand  
Trunk was in town Monday and Tuesday  
of this week.

Mr. Thomas Mims, who has had the  
Lakefield run on the Grand Trunk for some  
years, has been transferred to Lindsay,  
and Mr. John Hagerman now takes the  
train to Lakefield.

Do not allow your cattle to run at large  
within half a mile of a railway crossing.  
It is a criminal offence. Railway men's  
lives and valuable property are endangered  
by cattle straying on the tracks.

Mr. Henry Crampton Lloyd, who was  
the most prominent figure in connection  
with the Belleville and North Hastings  
railway, made a large fortune from mining  
in Mexico after leaving Belleville, and has  
married and purchased an estate in Eng-  
land, where he is now living.

Conductor M. McCarthy returned last  
Saturday from Montreal, where he repre-  
sented the brotherhood of railway trainmen  
at the annual conference of the grievance  
committee with the G.T.R. management.  
The delegates on the committee were  
assured that there was not a word of truth  
in the statement that American workmen  
were taking the places of Canadians on the  
system.

A new regulation has been made where-  
by Grand Trunk brakemen on all freight  
trains are now required to be on top of  
their trains when passing stations, whether  
the train stops or not. The forward  
brakeman must also exchange signals  
with the rear man. This regulation is  
looked upon as an improvement by the  
official staff, but the brakemen themselves  
think it something of a hardship. They  
are kept on the alert all the time.

### Sports.

The Lindsay curlers will hold a bonspiel  
on the 19th of January.

Bicycles are being stored away. Do not  
forget to let down the tires.

It is Orillia's turn to meet the L.C.I. or  
Y.M.C.A. football teams of Lindsay?  
Varsity defeated the Lornes last Satur-  
day; score 43 to 6. This practically gives  
Varsity the championship as the Lornes  
could possibly overcome 37 points of a  
lead.

The executive committee of the Colts  
curling association of the Midland district  
met last night at Peterborough. Messrs.  
J. H. Harte and Wes. Greer of town  
represented Lindsay.

Lindsay and Norwood have been accepted  
into the Midland curling club  
association. A beautiful \$50 trophy has  
been put up for competition. No doubt  
Lindsay will make dangerous opponents.

The silver cup which was put up on the  
1st of July by the Y.M.C.A. for a foot-  
ball competition was forwarded to Pontypool  
on Wednesday. The cup has been in dis-  
pute for the past few months. The Pon-  
typool club very generously offers to give  
the Y.M.C.A. team another game for the  
cup this fall.

One of the Lindsay football teams, in  
requesting a game with the Orillia high  
school team, incidentally mentioned that  
that team had received a cheque to partially  
defray expenses on the occasion of their  
first visit to Lindsay three years ago. The  
secretary of the Lindsay team received a  
very saucy, impertinent answer, denying  
knowledge of the cheque, saying it had  
never been received, and that the Orillia  
team would not play on the same field as  
the unsportsmanlike Lindsayites. As the  
Lindsay athletic association have the  
return cheque (receipt) in their possession  
a very humble apology from Orillia is now  
in order.

### Hunting Notes.

Deer are said to be plentiful.

Many hunters are chasing the fox.

The deer season closes to-morrow.

It has been bad weather lately for venison.

Mr. T. Walters of town has been in the  
deer district.

Rabbits have come in for their share of  
slaughter this year.

Mud Lake is a favorite hunting resort  
with Peterboro hunters.

Up to Wednesday the Sinclair party had  
killed 12 deer. There are 12 hunters in  
the party.

Six and seven, and oftentimes more deer  
have been passing through town every day  
this week.

Dr. Wade of Brighton and Dr. Thome  
of Bobcaygeon have been chasing the  
bounding deer this season.

Narrow escapes are reported. In one  
case a bullet struck a small rock on which  
an Orillia hunter was standing.

The following members of the Canning-  
ton hunt club have been in Muskoka on a  
deer hunt: Messrs W. H. Sprout, Wm.  
Ford, D. Woodward, S. Ross and Lyman  
Ford.

Game warden Tinsley is ill with grip,  
and Mr. H. K. Smith of Belleville, deputy  
game warden, is looking after the depart-  
ment.

Mr. E. Edwards of Colorado U.S. is visit-  
ing his brother Mr. Jas. Edwards of town.  
They were going to Peterboro, Bowman-  
ville, and other places.

5,000 licenses were taken out in Ontario  
for deer. Allow that every man kills one  
deer (many will kill two), that means 5,000  
deer killed. At that rate how long will it  
be before deer become exterminated?

A new peril is menacing the deer hunt-  
ers and settlers of the western section, viz.,  
the long range rifle, gun that carries  
its bullet with sufficient force to penetrate  
50 inches of pine and to be warranted to  
kill at three miles, is not a pleasant neigh-  
bor to have about.

**The Country Press.**

"To foster public opinion and to make it  
ray of the sun," is the motto of the  
country press. There is no more potent agent  
in the development of country pride than the  
country press. Nor is there any force more  
potent upon public opinion as to political  
matters.

### Two Kinds of Newspapers.

The daily newspapers seem to be gradually  
separating themselves into two species—one  
publishing the news, with an occasional use  
of pictures for illustration; the other pub-  
lishing pictures, with now and then a little news  
mixed in to fill up.—N.Y. Sun.

### "Fusion."

Talkin' fusion, left an' right;  
People far an' near.  
Bustle for it day an' night,  
Proud to persevere.  
Jest before election day  
Stirs up every clan,  
Each one has a word to say  
Bout some fusion plan.

I'm in favor of it too,  
If it's rightly done,  
When the leaves of autumn hue  
Quit us, one by one.  
When the chill of winter blends  
With the summer time,  
There's a merriment that sends  
Blessings every time.

—Washington Star.

### Oddfellows' Night.

Thursday night of last week was a banner  
one in the history of Lindsay oddfellows' it  
being the occasion of the first official visit of  
Mr. Henry White, grand master of the grand  
lodge of Ontario. The members of the lodge  
had made every preparation for the event and  
when the night's pleasure was over four hun-  
dred oddfellows'—including representatives  
from nearly every lodge in the district bound  
by Midland, Port Hope, Uxbridge and  
Cobourg, entertained high expectations of Lin-  
dsey's hospitality. The grand master who with  
others came from Port Hope by special train  
was met at the station by a long torch light  
procession and escorted to the Academy of  
Music, which for the first part of the evening  
was thrown open to the public. Addresses of  
welcome were read by F. A. O'Donnell of  
Lindsay lodge, and Bro. Thompson, D.D.G.M.  
of Detroit lodge No. 31, Sunderland. Euthu-  
stic and excellent addresses were made by  
Grand Master White, Bro. Hoyle of Canning-  
ton, P.G.M., representative to the sovereign  
grand lodge, and Dr. Bell, P.G.M. of Peter-  
boro. The "Hizzen" band orchestra, and the  
Harmony band gave well rendered selections  
between the proceedings.

After the public session the lodges went  
into private session and a very interesting  
competition in initiatory degree took place  
between teams representing the Otonabee  
lodge and the Lindsay lodge. The judges,
