Mr. F. H. W. Hickling Given Pleasant Surprise

Prior to his departure, on Wednesday last, for a visit to the home of his birth (the British metropolis) and France, Mr. F. H. W. Hickling, merchant, had a very pleasant surprise. For the past twelve years Mr. Hickling has held the post of treasurer of the Flesherton Methodist church with credit to himself and satisfaction of his fellow officebearers and the members generally. To show the esteem in which they hold him, the members of the trustee and Quarterly Official Board delegated to a committee of their number the agreeable duty of waiting upon Mr. Hickling at his residence and presenting him with an elegant fitted travelling case, replete with every needed aid to comfort together with travelling slippers in case. The presentation was made by Mr. W. H. Bunt, who remarked on the great value of the services which Mr. Hickling had rendered to the congregation during his long term. Mr. Bunt said he was sure he voiced the sentiments of the boards, as well as of the pastor and congregation, when he wished the recipient a very pleasant journey and sojourn with his mother and friends in the old land and a safe return to his home here. Mr. Hickling replied in happy terms, expressing his appreciation of the gifts and the kindly sentiment which prompted their giving. He wished the boards with whom he had always enjoyed the most cordial relations, continued prosperity and success in their good work.

Telephone Lineman Had Ankle Broken In Fall From Pole

Claude Wilson, telephone lineman who hails from Barrie, was very badly injured while working on a pole just north of Eugenia on Thursday morning of last week. The injured man had just gone up the pole and was adjusting his belt when in some manner his foot slipped and he fell to the ground a distance of about twent-five feet. One ankle was badly injured, several bones being broken, and he was also severelly shaken up. He was brought to Flesherton and taken to the General and Marine Hospital at Owen Sound for treatment. It will be some time before he will be able to use the foot again. The work under construction is the building of a new telephone line between the Power House and Flesherton.

A large number of friends and neighbors of Mr. and Mrs. F. Brackenbury met at their home before they left the farm and presented them with a morris chair as a token of good will.

The following is the address as read to them:

To Mr. and Mrs. Brackenbury and family:

We your friends and neighbors are assembled here this evening to spend one more evening with you before you take your departure from us.

You have been among us for a number of years and we appreciate your cheerful and upright dealings. We regret very much that you are going to leave us, such is the way of life. And as you go from us, we want you to know that the best wishes of the neighbors will follow you wherever duty leads you. We feel that we cannot allow the present opportunity to pass without an expression of our appreciation of you and your family, so we wish you to accept this Morris Chair, not for its value but for the best wishes that accompany it.

Signed on behalf of your friends and neighbors—Mark Murphy and Fred Weldrick.

Mr. and Mrs. T. Cook Celebrate Golden Anniv.

One of those rare but most interesting events occurred at Markdale on Tuesday of last week when Mr. and Mrs. Thos. Cook celebrated their golden wedding. Relatives, friends and neighbors from far and near joined with the esteemed couple in celebrating the joyous anniversary.

Married by the late Rev. Mr. Johnston at Traverston they spent their early days pioneering in Glenelg township. Here they resided until retiring some 19 years ago. A wedding breakfast, partaken of by 25 guests was indeed a most happy occasion. Among those present were their son Dr. R. M. Cook and Mrs. Cook of Calgary, with their daughter, Marguerite, of Toronto Conservatory; their daughetr, Mrs. John Love, of Zealandea, Sask; and Mrs. E. Embury of Port Perry. During the evening Mr. and Mrs. Cook were pleasantly surprised by members and officers of several organizations of the Methodist church. An address of appreciation from the Trustee Board, was read by Mr. M. Armstrong. The Women's Missionary Society and Ladies' Aid combined, presented them with a purse of gold. The Bible Class of which Mrs. Cook is the teacher, and teachers of the Sunday school united in giving a wicker sewing table, and the Mission Circle a fountain pen. The W.C.T.U. sherbert dishes and the family a radio and relatives a purse of gold. Many congratulatory telegrams and letters were also received.

On Wednesday afternoon and evening Mr. and Mrs. Cook received their many friends. Roses and daffodils were used to decorate the various rooms and halls. Presiding at the tea table, which was charmingly arranged with handsome linen and lace cloth, yellow candle in silver candle sticks and daffodils, were Mrs. W. L. Young who poured tea and Mrs. C. E. Armstrong cut the ices. Those who assisted in serving were Mrs. (Rev.) Bowes, Mrs. W. J. McFadden, Mrs. A. J. Walker and Mrs. W. J. Bowes and Mrs. M. Armsrong poured during the evening. Miss Marguerie, accompanied by Mrs. Bowes, very beautifully rendered several violin numbers. The entire community joins in exending to Mr. and Mrs. Cook their heartiest congratulations and trust they may long be spared.
