. . . Why Ford is the universal quality car

Ford

LEADERSHIP

More Ford Cars are in daily use than the combined totals of all other makes.

Such leadership could only have been established by outstanding quality in the product itself. Ford leadership, year after year, proves that Ford has maintained uncompromising quality throughout.

Ten million owners have accepted the Ford as the world's most practical standard of motor car quality.

PULL

A horse can't pull while he's kicking,
This fact I merely mention:
And he cannot kick while pulling
Which is my chief contention
Go imitate the good old horse
And lead a life that's fitting.
Just pull an honest load, and quit
Your everlasting kicking
