After all, it is

QUALITY

that counts

During the past few weeks of Slaughter Sales the people of Markdale have had a great opportunity to choose between my exclusive high-class clothes tailored up to a standard and those of the other kind made down to a price. Never before have I been so well satisfied with the foundation of "quality" on which I built this business. My ideal has always been high-class goods at a fair price—fair to the buyer, fair to the seller.

To-day that policy is giving its best results. While others are driven to questionable methods to unload their "cheap" clothing, my hand-tailored garments for men stand out in a class by themselves and sell at 100 cents on the dollar, and the customer knows they are worth the money.

At present I am showing a beautiful range of two and three-piece Summer Suits cut in a smart two-button model (same as illustration,) made from "Hewson Homespun" in grey, brown, leather mixtures, prices $10, $12, $15, $18. See these exclusive lines before you buy.

FORTY THOUSAND MEN REQUIRED

Farm Laborers' Excursions— This Year's Wheat Crop will be the Largest in the History of Canada.

The wheat crop of 1913 will be the greatest ever harvested in Manitoba, Saskatchewan and Alberta, thus requiring the farm laborers of the East to recruit and assist in harvesting the World's greatest bread basket.

The Governments of the respective Provinces state that forty thousand men will be required for this year's harvest. These will have to be principally recruited from Ontario, and the prosperity of Canada depends on securing labor promptly. The Canadian Pacific, on which Company will fall practically the entire task of transporting the men to the West, is already making special arrangements for this year. Excursions from points in Ontario to Manitoba, Saskatchewan and Alberta will be run, and special trains operated, making the trip in about thirty-six hours and avoiding any change of cars or transfers. This will be a day shorter than any other route.

"Going Trip West," $10.00 to Winnipeg, plus half-cent per mile from Winnipeg up to MacLeod, Calgary or Edmonton.
