Doubling the Arguments For Saving

All that can be said in favor of opening a savings account in the Standard Bank may be repeated with a greater emphasis as regards a joint account. Joint accounts are primarily for convenience of depositors, but where two people are bound together by common interests, the moral as well as the practical value of working together, planning their financial betterment with the aid of a joint account is clearly evident. The Standard Bank solicits your joint savings account.

RAINS SUNDAY AND MONDAY BENEFIT THIS DISTRICT

The need for rain has been greatly felt in this district for the past few weeks and the heavy shower on Sunday evening, together with the downpour Monday afternoon, gave the land the needed moisture to bring the grain along.

Rain commenced falling about 5.30 Monday afternoon and in a few sheets, making the roadways regular rivers of water. This kept up for about half an hour and then gradually receded. Flesherton League Wins The Debating Shield

One of the most successful debates and oratorical contests ever held in Markdale, was conducted Thursday evening, under the auspices of the Young Peoples' Societies of the Methodist churches in the Owen Sound District. A large number of people from Dundalk, Inistioge, Proton, Priceville, Flesherton. Berkley, Holland Centre, Chatsworth, and Owen Sound, were present to hear the addresses, and witness the presentations.

The subject of the debate was "Resolved that Circumstance has more to do with success in life than has Character. Miss Mildred Caswell and Mr. George Akins upheld the affirmative on behalf of the Flesherton Methodist church, while Miss Margaret Carnahan and Miss Elma Grusnell represented Douglas street Methodist Church, Owen Sound.

The debate was closely contested and some excellent facts and persuasive arguments were put up by all the speakers. The Flesherton team showed that character itself was due to environment and circumstances. They showed that heredity, religion, health, wealth, location and moral circumstances contributed a great deal to success, and while not discounting the value of charaacter, convinced the judges that circumstance contributed a great deal to attaining success.

Messrs. W. D. Henry; T. S. Cooper and Dr. L. G. Campbell, who were the judges, decided in favour of the affirmative.

Miss Muriel Murdock of Goring, who gave an excellent address on, "Temperance" won the oratorical contest. The second prize was won by Mr. Russell Patterson, Inistioge, who rendered, in his masterful manner, an address on "Widening Problems confronting Missions."

Miss Kathleen Hutchinson, Kimberley, gave an excellently composed address on the subject "Canada,—God's Consecrated Nation."

The last speaker, Miss Cora McFadden of Flesherton, also rendered a good address on "Resources of Canada.

Another honor won by Flesherton, was the diploma, awarded to the Young People's Society staging the best program suggestions for the picnic to be conducted.

The debate and oratorical contest will be the last held under the direction of the Methodist church. It is hoped, however, that when the new boundaries of the Presbytery will be defined the Young People of the United Church of Canada, will again organize and the debates and other contests made a permanent function.

Rev. Mr. Bowes, pastor of Markdale Methodist Church, in his usual affable manner, presented the beautiful shield to Miss Caswell and Mr. Akins, who will keep it until won next year. The winners are barred from competing for the shield for one year, but it is hoped that the United Leagues will enter a team, capable of retaining possession of the coveted silverware.

Rev. H. H. Eaton acted as chairman, while the Vice-President, Mr. H. I. Graham read the rules of the debating society. Mr. Graham has worked faithfully in connection with the debating series, and the thanks of everyone is due him for making the series a success.

To Possess A Pony Young Lad Takes Money

A young lad of about 14 years, entered a dry goods store in town on Saturday last, and stole a sum of money, with which he traded a wheel and a watch to the horse traders camped on the road to Ceylon, for a small pony, which any boy would envy him the possession of. Before the transaction was completed the traders told the young lad to secure his mother's consent to the deal, the boy coming back in a short time saying everthing was alright, and the pony was turned over to him. Later on in the afternoon the money was missed and suspicion was directed to him, and on being questioned, he owned up to what had taken place On Sunday the pony was returned to its late owners, the wheel watch, and the money being gladly returned by them when the explanation was made.
