"If a little word of mine
May make a life the brighter,
If a little song of mine
May make a heart the lighter,
God help me speak the little word
And do my bit of singing,
And drop it in some lonely heart
To set the echoes ringing."

Sunday School Conv. Was Well Attended

The annual convention of the Artemesia, Markdale and Flesherton Sunday School Associations was held in the Presbyterian church in Flesherton on Tuesday of last week.

The devotional exercises were conducted by the President, Mr. Joseph McKee, after which the roll was called and representatives from eight schools responded.

The department Superintendents did not report as great activities, as might have been given under different circumstances. A nominating committee was appointed to meet after lunch.

Rev. F. W. Madden, who formerly had charge of the Eugenia circuit, and who represents the Ontario Religious Education Council, was unable to attend owing to illness in the family. Miss Lewis of Toronto represented that department and gave an excellent address on the Primary and Junior work in the Sabbath school. Miss Lewis showed great enthusiasm in and a marked knowledge of her subject, the decisions arrived at had been formulated in the school room and were not theoretical. She thught the life of the teachers should be blameless and without blemish. She spoke strongly on the necessity of the intermediates memorizing the scriptures and hymns, and in this, as in many other ways, parents should co-operate with the teacher.

Rev. H. H. Eaton entertained the convention with a solo beautifully rendered.

Miss Lewis held a round table conference, when questions were asked and answered, many of them having to do with the uniform and graded lessons. She said that those schools that used the graded lessons for a time would never go back to the uniform, as the former had a wealth of helps to offer the teacher which the latter has not.

At six 'clock the meeting adjourned to the Sunday school room where the ladies of the churches had provided a bountiful supper to whom Rev. Dr. Gray of Markdale on behalf of the delegates moved a hearty vote of thanks.

At the evening session Rev. H. H. Eaton, by request, spoke on the missionary conference held in Washington last February. We wish we could give this address verbatim, but as we cannot we quote a few points and will allow our readers to give a reason for the statements made. Speakers were on the platform at Washington from Crea,, China, Japan, Africa, etc. Sme of those speakers, who no doubt at one time were what we call heathen said, "We believe in your Christ, but not in [illegible] your [illegible]." Is not this a challenge to live better? "You bring Christ to us and we will show you how to live Christ, we want more [illegible] like Christ." They recognized the fact that the missionaries [illegible] them live different [illegible] whom they meet [illegible] for educational purposes. One [illegible] statement that [illegible] missionary work in [illegible] accepted Christ [illegible] than we, they [illegible] precepts in their [illegible] speaker said that no [illegible] made the progress [illegible] 50 years that the [illegible] of America and Africa [illegible] Mr. Eaton was listened [illegible] close attention.
