After a short illness of a couple of weeks, with pneumonia, Wm. Reid passed to the haven of rest, on Saturday last at his home here bearing the ripe old age of 83 years. The late Mr. Reid has been a familiar figure in town for twenty-two years and was respected by all who knew him. He was born in Stirling Scotland, in 1842 and came to Canada in 1845, settling in the township of Egremont. There he married Miss Isabella Ferguson of that township in 1869 and then moved to Glenelg, when after a stay of five years he moved to Dromore where he is still well known, and from that moved to the old Durham road, Artemesia. In 1903 he retired from farm life and came to Flesherton, where he has since resided and was caretaker of the public school for thirteen years, from which position he had to retire a year or so ago through failing health.

The late Mr. Reid leaves to mourn his loss a half sister, Mrs. Mary Ann Tuck, of Holstein. Fifteen years ago his wife passed away and his brother, James Reid, of the O.D.R. died about a year ago.

The funeral took place on Monday afternoon, a short service being held at his late residence, interment taking place in Flesherton Cemetery, his pastor, Rev. Alfred J. L. G. Campbell Will Carry The Tory Banner

Chosen By Convention At Markdale As Condidate In S. E. Grey

"We are prepared," the motto of John Bull, is the rallying cry of the Conservatives of South East Grey. At a largely attended convention, held in Markdale on Friday afternoon, Dr. L.G. Campbell of Markdale was chosen to bear the Standard of the Conservative party to victory or defeat at the next generaal election.

The sixteen municipalities composing the riding were represented and the convention of 500 people was enthusiastic and there was a hopeful feeling among the delegates that they would oust Miss McPhail when the time comes.

Dr. Campbell, who has been president of the Liberal-Conservative Association for the past three years occupied the chair. He announced that this year, the Conservatives would hold their annual picnics at Eugenia Wasaga Beach, and Markham, sometime in the month of July. He extended a cordial welcome to all the delegates and congratulated them on the splendid turn out.

The first business was the election of officers, the account of which we will omit, except to give the names of local members and the president:-

President, J. Nelson Purdue, Holland Centre; Treasurer, Dan McTavish, Flesherton; Assistant Treasurer, W. J. Bellamy, Flesherton; Auditors, G. B. Welton and Robt. Down, Flesherton.

The real object of the meeting was then at hand, that of receiving nominations for a candidate to carry the Conservative Standard at the next election. The nominated were:- George Mitchell, Flesherton, Daniel McTavish Flesherton; Dr. L. G. Campbell, Markdale; Robt. J. Ball, Hanover; J. N. Purdue, Holland township; W. D. Henry, Markdale; Dr. David Jamieson of Durham; R. T. Edwards, Glenelg; E. E. Hockridge, Hopeville; Ernest Morgan Jr., Eugenia.

All retired with the exception of Geo. Mitchell, Dr. Campbell, W. D. Henry, and E. E Hockridge. Dr. Campbell was declared elected with a majority over all, to be the choice of the Association, as its candidate at the next general election.

Dr. Campbell received a regular ovation, and was cheered to the echo, and then cheered again, Mr. MacNicoll acting as cheer leader.

Dr. Campbell thanked the people for the nomination and asked their support, and radiated a feeling of optimism as to the result of the next Federal election.

Mr. J. . MacNicoll, Dominion President of the association gave an address on, "Reasons Why the Conservative Party Should Be returned to Power in Canada." In closing Mr. MacNicoll made a stirring appeal to the voters of South East Grey and urged them to go out and fight for the election of the candidate they had chosen.

Nearly Suffocated By A Strange Occurrance

Was Locked In Rear Of A Ford Coupe When Lid Fell Down

Being locked in the back of a Ford coupe while repairing the storage battery and becoming.. nearly suffocated, was the unpleasant experience of Mr. Oliver Olmstead of Owen Sound, while on a visit with his mother at Walter's Falls. Mr. Olmstead was in the deep roomy body at the back of the car under which the battery is situated and had just replaced the board after making repairs, when in some manner the top fell and locked him in. His little brother was nearby when it occured, but ran away when the top closed and did closed and did no say anything about it to the people in the house. The victim commenced to shout for help, and for some time his calls were unheard. His mother hastened to go out to the back door and heard the muffled calls, but could not tell from where they issued until the little boy told her that Oliver was in the car. Mrs. Olmstead was unable to unlock the top and help was secured from a neighbor who, on direction being given by Mr. Olmstead unlocked the door and helped he imprisoned man out.

Mr. Olmstead believes that if he had not been released when he was, that he could not have lasted much longer in his cramped position as the air was very heay then, and in his position he was unable to secure a fresh supply by lifting the board from the floor. It was a narrow escape that he does not wish repeated at any time.
