MUST HAVE MARRIAGE LICENSE THREE DAYS

Municipal Clerks issuing marriage licenses have been forwarded a copy of amendments to the Marriage Act which should be of particular interest to ministers and others vested with the right to solemnize a marriage. One clause in the amend ment which comes into force on June 13th, requires that every license shall be dated and every person who solemnizes marriage under authority of such license within 3 clear days of the date thereon shall be guilty of an offense and shall incur a penalty of not more than $100, provided however that the Provincial Secretary in his absolute discretion may authorize the solemnization of marriage within such three days, in which case there shall be no penalty. Another clause which bears on the poor groom requires that the bride's age must be given before license will be issued, such to be secured from the Registrar, or by affidavit from the bride's parents. These amendments to the Marriage Act have been made to put a check on hasty marriages. Procuring a marriage license and appearing before a minister before the ink is dry is to be done away with forever. As it is to be, young couples will be given three days of grace after procuring a document to think it over before taking the plunge.

A COUNTY ROAD

Under the revised plans of the Ontario Highways Department, there will be fewer county roads and better township highways. Our county roads system has not yet been raised to the level that their originators had hoped. The discarded county roads would naturally be those on which construction work had not been undertaken.

Sectional jealousy has stood in the way of a proper development of the Beaver Valley. When the county undertook to run an improved road up the valley, the move was blocked by interested parties, who wanted to spend money elsewhere.

All that the Beaver Valley needs for its successful development is a proper system of transportation. Either an electric road or a County highway would provide the solution.

Three young men were heavily fined at Collingwood last week for an assault on a Chinaman.

John Taylor of Hanover has been elected President of the Georgian Bay Hydro Association.

June 10th., when their only daughter Alma was united in marriage to Mr. Russell Graham, son of Mr. and Mrs. J. I. Graham of this place. The ceremony was performed by Rev. Kennedy of Temple Hill in the presence of the immediate relatives of the bride and groom. Miss Winnis Graham acted as flower girl and Margaret Crowe as ring bearer

A pretty June wedding took place at the home of Mr. and Mrs. J. I. Graham at twelve o'clock Thursday the 18th, when their youngest daughter Annie, was united in marriage to Mr. Russll Freeman of this place. The ceremony was performed by Rev. F. N. Bowes in the presence of only the near relatives of the bride and groom. The bride who was becomingly attired in Sand Crepe, entered the lawn leaning on the arm of her father, and took her place under an arch of evergreens, ferns and flowers. Miss Winnis Graham acted as ring bearer and was accompanied by little Miss Alice Freeman. Following the dinner the happy couple left for Toronto Oshawa and other points. On their return they will reside on the groom's farm on the townline A&E.

THE SMILING MAN

It doesn't take much to cheer one along;
A kind word, mingled with smile,
A firm hand clasp, a tender song,
And life seems truly worth while.
We all have troubles we call our own;
A cross we surely must bear,
And a smile is better than whine or groan,
To help with the wear and tear.

The world takes note of the smiling man,
As he walks in the early way;
Filling each hour of his earthly span,
With a "hail" and a glad "good day."
Woes cannot drown his loving call;
He sings in the mist and rain,
And makes us happy in spite of all,
As he smiles in the face of pain.

I cannot say, and I will not say
That she is dead. She is just away.
With a cheery smile and a wave of the hand
She has wandered into the glory land
And left us dreaming how very fair
It needs must be, since she lingers there.
Gone but not forgotten.

A DELUGE OF TWINS

Does farming pay? Fenner Bros. of Con. 14, Carrick, will be able to give an emphatic yes to this question if the epidemic of twin calves at the farm keeps up much longer, says the Walkerton Telescope. Though twin calves at any time are a rarity, the Fenner Bros. have been presented with double increases in their herd three times since last August, and twice this week. On Monday, one of their grade Holstein cows became the mother of a fine pair of calves, both blacks, of good size, a male and a female. The following morning, a young heifer followed suit, giving birth to another nice pair of vigorous young calves, which are fine and flourishing. All three pairs of twins were from the same sire.
