BOARDERS WANTED.—Two gentlemen boarders wanted at No. 2 Daly's terrace, 26-14.

RANCH.—One hundred head of cattle wanted to pasture for the summer. Terms, 50 cts. per month, to be paid when cattle are taken away. Will be regularly salting during the season. AUGUSTUS SUDNANT, Burnt River P.O.—91-14.

MARRIAGE LICENSES, under the provisions of the new act, are issued by T. Beall, at his residence, on Albert street, at any time of the day between 6 a.m. and 11 p.m.; also at his office in G. W. Beall's jewelry store during business hours as usual.—55-14.

WILL TRY THE FARM CUR.—Friday's Toronto papers contained the following reference to a North Victoria boy: "In February, Archibald McGillivray, a young lumberman, was riding on a load of logs coming down a hill, 20 miles north of Sudbury, when the hind chain broke and one of the logs fell across McGillivray's back, breaking the spinal column near the hips. He was brought to Toronto general hospital in March, paralyzed from the hips downward. He lay on the water bed in the hospital for a year, and was then removed to his home at Dalrymple, North Victoria, as incurable. His friends and relatives have been interested in the marvelous cures alleged to have been effected by Dr. Dowrie, a famous Chicago folk healer, and have shipped the young man to Zion tabernacle, Dr. Dowrie's church, to see if under the manipulation and prayers of the reverend physician a cure can be produced.

ACCOMMODATION.—Any one wishing to visit riveride cemetery during the season, W. Workman will be prepared to drive them out and back for 25 cts. Also private driving by the hour. Telephone No. 72, or at Dr. Shier's office, Lindsay street.—96-14.

MARRIAGE LICENSES.—J. Britton (of the firm of Britton Bros., jewellers, Lindsay), issues a marriage license for \$2.00. East end of Kent street.—177-14.

DOMINION DAY AT PLEASANT POINT.—The annual picnic and festival of Dunstons preschool Sunday school will be held on Thursday, July 1st, at Pleasant Point. An excellent programme consisting of boys and men sports has been arranged for. The committee has grounds and tea, 25c. Admission to grounds and tea, 25c. The committee has spared no pains to make this the best day ever held in the locality.

TRUSTEES requiring pictures of the Queen, framed or unframed, for schools, can be supplied by calling at Geo. A. Little's book and stationery store, opposite post office, Kent St., Lindsay.—99-14.

THE 45TH REGIMENT.—The Canadian Bismarck will have harder work than ever in winning the colonial prize on account of the increased number of riflemen now in England from the other colonies, who have been attending the diamond jubilee celebration. Lieut. King of the 45th regiment is again on the team this year. He has been officer on the Canadian team than any of the others, having won his place in 1884, 1885, 1886, 1893, 1895, and 1896. He is a steady, reliable shot and should do well in the great last year at Bismarck he won the golden penny, a prize given by an English newspaper. He has always done well at the provincial and Dominion meetings. In him the 45th has an able representative.

JUBILEE STAMPS.—The jubilee stamps were sold for the first time from the post office Saturday. There was a great rush for them; specialists in stamp collecting vied with each other in trying to secure the greatest number. Several gentlemen in Lindsay tried to buy out Postmaster Gladman's supply. He disposed of a large quantity in three days and sent in another lot in three days, but at the present rate of selling it does not look as if they would hold out three weeks.

WARDER CONTRIBUTIONS.—This week we publish more poetry contributed by friends of THE WARDER. During the past few weeks THE WARDER has published some especially fine contributions by such talented writers as Theo. C. Robson of Minden, Ont., McCaughey of Uphill, Mrs. E. E. Sharp of Lindsay, and others. The poetry in this issue contributed by Margarette and Mr. George Fox are by no means inferior efforts. THE WARDER prides itself on having on its contributing staff the best writers of the district—writers whose articles any paper would be proud to publish.

A MARRIAGE LICENSE for \$2.00, at Hughton & Co's jewelry store, 62 Kent street, Lindsay.—17-14.

TO RENT.—Furnished Cottages at Sturgeon Point, J. J. Weatherup, Box 415, Lindsay.—97-14.

THE WARDER RAILROAD.—If you are contemplating a trip to the gold mining country, please consider the merits of the Warder railroad, the short and true route via Detroit, Chicago and St. Paul, to all points in the Kootenay districts. Passengers leaving Toronto by early morning train reach St. Paul next day at noon, where direct connection is made for all points in the gold fields. Quebec and best route to Hot Springs, Ark., Old Mexico, California and all western points. Tickets and time-tables at this great railway from any railroad agent, or J. A. Richardson, Canadian passenger agent, northeast corner King and Yonge streets, Toronto.—77-14.

Rev. S. J. SHORRY HONORED.—On Monday last at the regular meeting of the Y.P.S. O.K. of the Cambridge st. Methodist church, the Rev. S. J. Shorry was presented by the society with a beautifully bound volume, together with a set of Gough's works, as a slight mark of the esteem in which the popular pastor is held by the congregation.

THE QUEEN HONORS A LINDSAYITE.—Talking about jubilees, perhaps it is not generally known that Mr. William Jolliffe, of THE WARDER staff, was once personally honored by Queen Victoria. Before coming to this country, Mr. Jolliffe was a resident of the Isle of Wight, lying a short distance from Osborne House. While in attendance at one of the fetes of the little Sunday school there, Her Majesty presented Mr. Jolliffe, when a small boy, with a handsome medal, he being one of the honor boys of the school. Needless to say he appreciates the gift. Few Canadians have been more honored, and he is justly proud of the distinction.

ALBERT JEWETT'S ACCOMMODATION BARN.—Shed and yard room for sixty horses, independent of my livery barn. Your rig, wraps, traps, robes, etc., all under cover. Accommodates that is very nice. Riding room for ladies and gentlemen while waiting for their horses. You can leave your rig, get your check; do your shopping; parcel boy comes with your parcels numbered same as your rig, corresponding with your check; the man on the puts them in your rig, no more trouble. We charge for every horse in. You can bring your own feed if you choose. Our charges are very moderate, and the accommodation is very, very good; the best you ever met with in this part of the country. ALBERT JEWETT, proprietor, York street, in rear of Simpson house.—Oct. 21, 1896.—66-13.

41 per cent loans made on farms. Municipal debentures purchased. Write with stamp enclosed or call on Reynolds, Shanks, & Co., 124 Victoria street, Toronto.—71-14.

HORSES WANTED.—I will be at the Central House, on Saturday, June 25th, for the purpose of buying 1 car load of horses of all kinds, from 5 to 10 years old. Must be good in their class, sound and in good condition. Highest prices paid. W. A. WESS, Horse buyer.

An agitation is starting throughout the county against hawkers and peddlers who sell their wares from house to house, working off shoddy goods at low prices undermining the trade of the old reliable business men. The matter was discussed at the county council last week when the general opinion was that a high license should be charged hawkers and peddlers. The matter will be definitely dealt with shortly.

A FIRE ON BLAKE.—Fire started in Dr. Broad's veterinary surgeon's stable about 4 o'clock Monday afternoon and very quickly before the arrival of the brigade the whole place was a mass of flames and had ignited to the curling rink. At the time the alarm was sent in the fire team were engaged in hauling the water cart at the east end of Kent street. A valuable time was lost in getting back to the fire station and when the salvage wagon had started for the fire more time was lost owing to defective harness. We understand that the harness has been in this condition for several months. The council should see that repairs are made, and that quickly. There was a very strong wind at the time of the fire and the brigade directed its efforts to saving the surrounding buildings. The excellent water service aided them much. The curling rink, however, was used inside the building with good effect, putting out several small places. Fortunately it was saved from destruction. Some amusing scenes were witnessed. The news having spread that the rink was afire, the majority of the curlers were for a year, tumbled over one another in their desire to save their stones. The council may find that it is true economy some day to have a hose especially for the water cart. Such a hose as that of Monday night might occur again in a year but in that particular case a fire might have started that would burn down half the town.

JUNE WEDDING.—During the month that is fast passing away have been celebrated many pretty and happy weddings. But no pleasanter event has ever taken place or afforded more pleasure to the large assembly of invited guests than that which occurred on Wednesday at the residence of Mr. T. D. Staples, Albert st., on the occasion of the marriage of his eldest daughter, Llewellyn, to Mr. George H. Lindsay. Many friends from Toronto, Walkerton, Uxbridge, Gorrle and Peterboro had congregated to witness the nuptial ceremony, and participate in the wedding festivities. The ceremony was performed by the Rev. S. J. Shorry. The bride, most tastefully attired in a cream gown and veil, carried a bouquet of pink roses. The groom was supported by his brother, Mr. Charles Lindsay. As the guests entered the drawing room, Miss Eva Ferris, in her masterly manner, played Mendelssohn's wedding march. Numerous, costly and beautiful presents sent by the many friends and well-wishers of the bride were a proof of high estimation and regard, and many were the wishes for the bride's continued happiness. After partaking of a bountiful "dejeuner a la fourchette," the bridal party left for Toronto, Niagara and other western points.

ONE OF THE FINEST of those pretty June events occurred Wednesday, by which Lindsay lost one of her popular young ladies. It was the marriage of Miss Llewellyn, daughter of Mr. T. D. Staples, to Mr. George H. Lindsay. The ceremony took place at the residence of the bride's parents on Victoria avenue, the Rev. S. J. Shorry officiating. The house was tastefully decorated with roses and green leaves. The bride was becomingly dressed in cream silk, trimmed with chiffon and pearls, and carried a bouquet of cream roses. Miss Graystock, sister of Madoc, and Miss Hattie Britton, sister of the bride, acted as bridesmaids. Mr. Frank Britton, brother of the bride, supported the groom. Miss Graystock, dressed in cream serge, trimmed with moire ribbon and lace, and carrying a bouquet of pink roses, and Miss Hattie Britton, gownned in cream serge, trimmed with pale green and lace, and holding a bouquet of pink roses, looked exceedingly pretty. After receiving the congratulations of a numerous host of friends, Mr. and Mrs. Both left on the evening train to spend the honeymoon in Chicago and other western points.

ORANGE BLOSSOMS.—Another one of those pretty June Weddings took place Tuesday when the marriage was solemnized of Mr. W. H. Coombs, the popular Lindsay company's book-keeper and Miss Rathbun Coombs, second daughter of Mr. James Watson. Miss Ida Watson, sister of the bride, was bridesmaid and Mr. Will Baker of Kingston supported the groom. The Rev. J. W. Macmillan of St. Andrew's church, assisted by the Rev. J. L. Hughton of the Baptist church, performed the marriage ceremony. A very large number of friends saw Mr. and Mrs. Coombs off on the 7:45 evening train on their honeymoon. They will take up residence on Glenelg st.

ON WEDNESDAY, the Rev. S. J. Shorry united in marriage at the residence of the famous Rochester Odometer, the latest and most improved instrument known to modern science for pointing out every defect and disease of the eye and sight. Odometer's great and infatuation of the lids, headache, and straightness cross-eye, etc., without medicine or operation. A cure guaranteed in every case or money refunded. Consultation and examination free. Will be at Morgans, Drug Store, June 28th only.—1-1.

The Woman and the Sphinx.

The mystery of womanhood is full of deep unanswerable enigmas. Why should women be compelled to suffer simply because they are women? Why is it that the source of their highest joy is at the same time the cause of their greatest wretchedness? The very attributes which make it possible for women to be happy wives and mothers also render them liable to the most physical misery and pain. The sufferings of body and mind caused by some weakness of the femininely feminine organs are so almost universal among women that the question might well be asked: "Is this Nature's punishment for the crime of being a woman?" The true answer is No! These sufferings are neither natural nor necessary. They would not exist if the organism was healthy. No woman ought to endure such troubles. There is no need of it. Dr. Pierce's Favorite Prescription is a perfect and positive cure for feminine weakness and disease. It gives health and strength to the special organs and nerve-centres; heals inflammation; stops weakening drains; promotes functional regularity, and restores the normal, vigorous and painless condition which Nature intended.

It is the only medicine of its kind invented by an educated and experienced physician. It is the only medicine which makes baby's coming safe and comparatively painless.

Any woman who would like to know more about this medicine and about her own physical make-up should send 31 one-cent stamps to Dr. R. V. Pierce, Buffalo, N. Y., to pay the cost of customs and mailing of an absolutely free copy of his thousand-page illustrated book, "The People's Common Sense Medical Adviser," or, 50 stamps for cloth covered.

A sure and permanent cure for constipation is Dr. Pierce's Pellets. One "Pellet" is a gentle laxative, two a mild cathartic.

BOUGHT HOME A TROPHY.—Last year the editor of the Canadian Oddfellows offered a valuable trophy in the shape of a silver cup to the lodge which secured the greatest number of new members. The Lily of the Valley lodge of this town determined to win the award and energetically set to work with the result that they won, securing 57 new members. The highest of their order in Ontario. At the grand lodge held in Belleville last week the trophy was presented to the Lindsay delegates, Messrs C. W. Hughton, W. McWaters and R. S. Simpson. The delegates arrived in town Thursday night last week on the night train from Belleville in company with Dr. Bingham and Mr. Harwood of Canimington and Mr. Ray of Cameron. They were met at the station by the lodge here and were driven to the lodge rooms accompanied by the band. At the rooms speeches were delivered by Dr. Bingham, Harwood, the delegates, Mr. Harrington and others. After singing the national anthem the gathering dispersed.

The 34th battalion arrived from the Niagara camp Saturday. Several Victoria county boys have been out with them this year.

THE MANSION HOUSE.—Notable among the many finely decorated business places in town on Tuesday was this popular house, recently purchased by Messrs. Holmes and Butler. The house outside was decorated with evergreens and flags, and inside was artistically arranged with flowers, flags, Chinese lanterns, etc. Messrs. Holmes & Butler went to considerable expense, but feel amply repaid by the large business done. The travelling public will find this one of the best conducted hotels in the province.

Miss Galbraith, music teacher, 86 William street, two doors south of Woolen Factory—66-14.

About twenty gentlemen, including a number of members of parliament, made a trip over a portion of the route on the Trent Valley canal last week. They came up from Lakefield on the government yacht Empire, Saturday, and took the evening train for Peterboro.

The body of Mr. J. Duggan, a former resident of Fenelon Falls, passed through town Friday from Toronto, for interment at the Falls.

Parkin's large mill is running full blast these days, and the large staff of men are kept busy supplying the demands of heavy orders. About 60,000 shingles are cut daily.

Mr. D. W. McIntyre of Lorneville had a close call in a gravel pit near Woodville last week, the gravel caving in and stunning him. His willing hands soon dug him out. He was very serious, and even one of his ears was cut off. This accident happened in the same pit where Silverthorn lost his life two years ago.

In the three matches of the military rifle league the 45th Bt. team from Lindsay makes sixth in the Dominion with a total of 2,597 points, the highest being 2,466.

Joseph Read, the 30 year old son of Mr. J. L. Read, Bobcaygegon's prominent merchant, was drowned Tuesday at Bobcaygegon. He was swimming near Petrie's mill and became suddenly seized with a cramp, and before his companions realized it he was drowned.

ON FRIDAY evening regular meetings of the Y. M. C. A. and Gleaner's Union of St. Paul's church were held at Mr. M. Simpson's residence. After the business of the evening was dispensed with an address together with a handsome present was given to Mr. Stanley Soanes, a valued member of both orders who left next day, to do mission work in the McKenzie river district. The Rev. C. H. Marsh, and others made brief speeches extolling the virtues of Mr. Soanes, saying many complimentary things of his faithful and ardent church work. The affair was a complete surprise to the recipient of the honors, who nevertheless made a suitable reply. Mr. Soanes will be away for five years. He will assist the Rev. T. H. Marsh in his work.

COMING.—Dr. Jebb, (formerly of New York), Eye Specialist, and inventor of the famous Rochester Odometer, the latest and most improved instrument known to modern science for pointing out every defect and disease of the eye and sight. Odometer's great and infatuation of the lids, headache, and straightness cross-eye, etc., without medicine or operation. A cure guaranteed in every case or money refunded. A DOUBLE-HEADER SALE!

THE SOLID REASON Why We Must Have the Goods Go:

1. Dissolution of the Business!
2. Removal to New Premises

Our Big Dissolution Sale will continue for 30 days longer. People will realize how necessary it is for us to get rid of the goods, when we say that in addition to the requirements of closing up the interests of the late firm there is the imperative call to clear stock before removing.

We go to our new store, Dobson's block, corner of Kent and William Streets, as soon as they can be made ready. Our removal illustrates the growth of the business. Its growth means satisfaction of customers who have brought trade to its doors.

The new store will fill a larger trade and handle a larger stock. Our friends need not fear that under the new auspices Mr. B. J. Gough will be less able than in the past to do his share as a successful buyer and seller, for he still remains a member of the buying syndicate of Gough Bros.—buying for eight stores—the largest Clothing syndicate in Canada. COME AND SEE.

The motto will be: "Spot cash, and your money back if the goods are not as represented." You can't judge of the values we offer unless you come and see the goods for yourselves. COME AND SEE.

You can find your neighbors buying at our counters, and saving money by it. So, too, can you. COME AND SEE.

We cannot afford, for the sake of our reputation, to have any but the best and latest clothing. We must offer it at the lowest prices. This we do. COME AND SEE.

There's big value for you in our Double-Header Sale. Two solid reasons why we want to unload. Will you stand by and see the unloading done, and not get a share of the advantages? Come And See
