COLLEGE ATHLETICS

Why Agricultural College Students Need Physical Culture.

Brawn and Brain Work Well Together — Students Help to Direct In Sports—Building Up the Body for Later Usefulness.

Contributed by Ontario Department of Agriculture, Toronto.)

A... College are ... placed on a more stable basis then in the past ...

... The following is a brief outline of the Athletic Program for the coming year:—

(1) Students who have had previous training to act as leaders in the different branches of sports—to coach in boxing, wrestling, aquatics, and track and instruct in athletic games.

(2) Promote a fuller program of inter-year athletics by having schedules in more branches of sports. Inter-year competitions in the following sports: Rugby, soccer, play ground ball, push ball, volley ball, outdoor basket ball, boxing and wrestling, track, mass athletic meets, cross country runs, tug of war, tennis and aquatics.

(3) For those students who do not take part in these sports two compulsory periods a week will be given in which they will be instructed in athletic games, field and indoor events, swimming, boxing and wrestling.

In order to promote this program, we had to enlarge on our Athletic Council which was composed of the sports managers picked from the faculty, and the Athletic Executive. To this we added a Leaders Corp and Managers of inter-year sports picked from the students. The Leaders Corp is made up of directors of sports (one for each sport) and their leaders. The inter-year managers (one for each sport) have charge of the coaching and managing of their teams and are responsible to their year representative who is a member of the executive.

By such an organization we feel confident of swinging our program successfully, which means every student will take part in some branch of athletics. Those students, who come under clause (3) of our program, will be given special instruction by our Leaders Corp and will greatly benefit themselves and the college. In this way we will be able to reach the student on the side lines.

Suggestions regarding athletics in rural community centres will be presented in a future article.—K. W. Forman Director of Athletics O. A. College, Guelph.

EUPHRASIA COUNCIL

The Council met at the Township Hall, Rocklyn, on Friday, July 13th, all members present except George Hutchinson. The Minutes of last meeting were read and confirmed.

Moved by J. W. Patton; seconded by W. H. Erskine— That a time be set to discuss matters of difference between Kimberley Police Village and the Township.—Carried.

The Council adjourned until the ...th of August.

N. L. CURRY, Clerk.

HOLLAND COUNCIL

Holland, July 3rd, 1923.

Council met on the above date for transaction of Township business, all members present. David Gardiner, Esq., Reeve, presiding. The Minutes of June 4th were read and confirmed.

Petitions were received from John McMullen and twenty others for a snow fence on con. 2 E.T.S.R.

A communication was received from Hugh Byers re dogs.

McLean—Ritchie—That a special grant of $20.00 be given for work on con. 2, W. T. S. R.—Carried.

McLean—Davidson—That the Clerk notify the County Treasurer to erase the taxes against lot of Mrs. J. Walters, Walters Falls, for 1922.—Carried.

Stewart—Davidson—That the petition of John McMullen and twenty others for snow fence be placed on file for further consideration.—Carried.

McLean—Ritchie—That Wm. McKinley be authorized to pay $10.00, being taxes of Mrs. J. T. Walters, Walters Falls, for 1922, to the Treasurer.—Carried.

Ritchie—Stewart—That the resolution of Council at January meeting ...

... Perhaps ... at ... many farmers would like to get in touch with these people. We believe ... would be good business ...

POULTRY CULLING

Next week Poultry Culling Experts will be in the County. There is considerable work on hand. As the Cullers remain in the County for one week only the demonstration work which is free, must be done during that time. Applications are being received up to the time of culling.

PLOWING MATCHES

Some time ago, the Department of Agriculture, Markdale, sent to several Agricultural Societies a brief account of assistance which it was possible to obtain for the development of Plowing Matches in the County. Nothing has been heard at time of writing except from Markdale Agricultural Society, re the decision arrived at by the various organizations notified.

If Plowing Matches are going to be held this year, a start should be made in the preliminary work. It is well to organize at earliest convenience and opportunity, so that when the season opens all will be in readiness. What Society will be the first to organize a Plowing Match?

CALCIUM ARSENATE

A new insecticide has just come on the Ontario Markets, known as Arsenate of Lime or Calcium Arsenate. Experiments have proven it is just as effective as Arsenate of Lead or Paris Green, and much less expensive. It is claimed to adhere to the foliage much better than any other poison.

Tenders Wanted

SEALED TENDERS will be received by the undersigned up to and including FRIDAY, AUGUST 10TH, 1923, for the construction of the concrete abutments of a steel bridge to be constructed on the Townline Deviation between Artemesia and Euphrasia Townships, Lots 3 & 4, Con. 5, Euphrasia.

Tenders must be accompanied by a MARKED cheque for FIVE PER CENT (5%) of the amount of the tender, cheques being made payable to the TREASURER OF THE COUNTY OF GREY.

Plans and specifications may be seen at the office of the Engineer at Owen Sound, or at the office of W. J. Bellamy, Flesherton.

The lowest or any tender not necessarily accepted.

G. A. BOTHWELL,
Chairman County Road and Bridge Committee.

R. C. McKNIGHT,
County Engineer.
