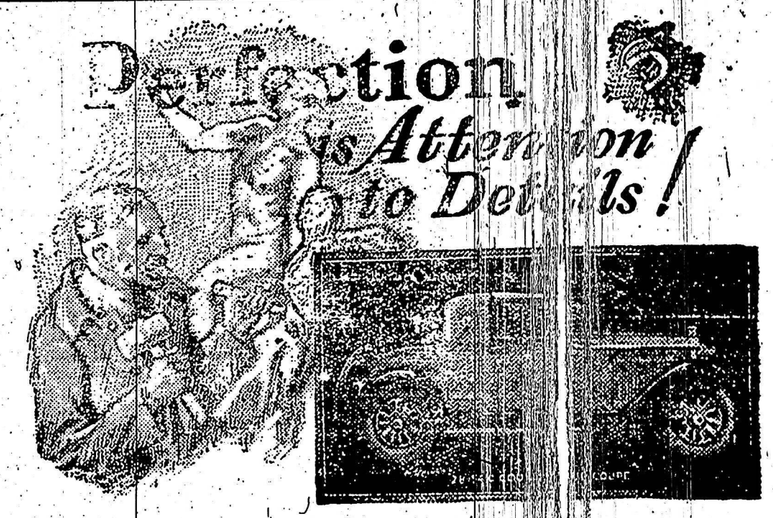
Perfection is Attention to Details!



McLaughlin-Buick standards of quality and workmanship are just as rigidly maintained in the smallest detail as in the most vital part of the car. Perfection is the constant aim of every McLaughlin-Buick craftsman. Even the parts you never see are made to a degree of precision and quality that allows a wide margin of security and durability.

THE deeply satisfying performance of McLaughlin-Buick is the result of painstaking attention to unseen but important details.

The G. M. A. C. Deferred Payment Plan offers many advantages to buyers of McLaughlin-Buick cars.

"Establishing a New Standard in Automobiles"

Finer, Faster

FINER . . . because of the exclusive design of the Durant built Hayes-Hunt bodies . . . the superior grade of upholstery materials . . . the roominess of the interior and its easy riding qualities . . .

Faster . . . because of the studied refinements of the already famous Red Seal Continental "L"-head Motor . . .

See the new Durant Sixes . . . go for a ride in them . . . ask your local Durant dealer why they are "finer and faster" . . . ask him to compare the specifications with those of higher priced automobiles . . . then judge these cars for yourself . . . on their merits!
