Big Crowd at Fair on Friday of Last Week

There was the largest crowd out on Friday afternoon to attend the Flesherton fair than there has been for years. Everybody enjoyed the day to the fullest extent, there being something for everyone to see—horse racing, girls' softball games, stock judging, exhibits in the hall and amusement concessions. While the hall was not as well filled as last year the quality of exhibits was of the best, and a large number of new exhibitors were entered in the competition.

The march to the grounds of the school children of Artemesia and Flesherton schools and the drilling by them there is worthy of mention. Ceylon school carried off first prize, with Proton Station second and Rock Mills school third. The marching was fine and the drills, yells and songs were heartily applauded. Portlaw, Orange Valley, Springhill and Flesherton schools were also in the parade, but the latter school was barred from taking a prize.

Thos. Freeman had first prize agricultural team with Andrew Hincks second, while P. Sims of Markdale and Russell Storey of Rocklyn took the prizes for general purpose. The roadster honors went evenly to H. Lever, L. Betts, Dr. Henry and T. H. Wilson.

The poultry exhibition was very good, although there were not as many shown as last year. W. D. Connor of Durhm won the Flesherton Advance special of the best bird in the show with a Barred Rock cock, which, as a cockerel, won the same prize last year.

In cattle the largest exhibitors were:— Polled Angus, P. Sims of Markdale; Holsteins, F. Davis and Harry Baker, Vandeleur; Shorthorn, Ed. Littlejohns, Markdale, who also won two specials, Stewart & Sons, and Massey-Harris. Sheep honors were shared by Geo. Shand, Hopeville W. J. Meads, Flesherton, Edgar Betts and McLoughry Bros., while in the swine Chas. Stewart had Berkshires and Edgar Betts, Yorkshires.

The ladies' work section was also well filled, only two classes not having entries. Miss Alice Heard was awarded the Owen Sound Business College medal in the public school writing contest.

Four ladies' softball teams played ball during the afternoon and large crowds gathered to watch the ladies play. Flesherton and Dundalk played the first game, the former winning with a one run margin 10-9. Markdale and Massey then played and the latter were easy winners, the final game between Massey and Flesherton resulted in a win for Massey by a 12-9 score. The games were good and in places were quite exciting.

The concert in the high school at night was given by the Brunswick Trio of Londoon and many complimentary remarks were made on the performance of these entertainers, it being the best show concert given here for some time. They were certainly well received by a full house.

This year the Society had more members than has been the case in the history of the Society and many of the Directors are looking forward to having five hundred next year. Flesherton fall fair is always a good one and this year the officers have an incentive to work harder and make the fair one of the best in this part of the province.

BETTER TIMES BETTER BUSINESS BETTER BUYS

Owing to the expansion of our business we had to ald an addition to our already very large store to accommodate the needs of the buying public.

We have the largest and most up-to-date jewellery store and stock between Owen Sound and Toronto, and with the new addition it will enable us to live up to our slogan:

Come in and get it,
If we haven't got it we'll get it,
If we can't get it
