IGNORED TAX ON POP GROCER PAYS $25 FINE

Determined to enforce the regulations regarding the imposing of the Luxury Tax upon soft drinks and beverages, the Provincial Treasurer's Department secured in the Toronto police court, its first conviction. The charge was laid against E. W. Pearen, grocer of 1,360 Queen street east, and a fine was imposed of $25 and costs or ten days. Mr. Pearen intimated that he would appeal and was informed by the bench that in that case the maximum penalty would be imposed upon him. Mr. Pearen thereupon said he would abide by the judgment.

According to the evidence of two Luxury Tax Inspectors, George Moore and T.P. Eversfield, Pearen neglected to affix the necessary stamps to receipts for soft drinks sold,and also refused to purchase such stamps from the Department. — Toronto Telegram.
