—MUDDY roads.

—WONDER if Vennor couldn't send us some frost and snow.

—BUSINESS is dull on account of the muddy state of the roads.

—THE weather this week has been more suitable for April than February.

—VALENTINE'S day has come and gone, and many valentines have passed through the post office.

—THE mild weather, together with the late rain, have given our roads the appearance of mortar beds in some places.

—84 BIRTHS, 13 marriages, and 32 deaths, were registered during 1879, at the office of John Easterbrook, Nassagaweya township clerk.

—WM. Logie has been authorized by Nassagaweya Township Council, to collect all taxes due that municipality, and pay the same over to the Township Treasurer, forthwith.

—ON Tuesday morning, a team, driven by Mr. S. Zimmerman, was frightened by the cars, and commenced running at top speed along the street. They were fortunately stopped before any damage was done.

—A NUMBER of sportsmen came to Acton from Guelph, on Monday, to shoot home shooters, and didn't get overmuch able party. They succeeded in bringing in about a score of rabits.

—A MISSIONARY sermon will be preached in the Methodist Church at Crewson's Corners, next Sunday, at 2:30 p.m., by Rev. Mr. McKenzie, of Nassagaweya. The annual meeting will be held on Tuesday evening, when addresses will be delivered by Revs. McKenzie and McLean.

Stop that Cough.

HAGYARDS' PECTORAL BALSAM is composed of the most healing balsams and gums. The Balsams, which enter into its composition, were used by natives when America was first discovered, and are combined with other vegetable tonics, so blended together, that it is a specific for all affections of the throat and lungs. Thousands of bottles are used annually, and it is considered one of the standard preparations of the day. For Coughs, Colds, etc. For sale by all dealers at 25cts. per bottle.

INTERESTING DATES.—Following are some interesting dates for the present year:—St. Valentine's Day, Saturday, Feb. 14; First Sunday in Lent, Feb. 15; St. Patrick's Day, Wednesday, March 17; Palm Sunday, March 21; Good Friday, March 26; Easter Sunday, March 28; Rogation Sunday, May 2; Ascension Day, May 6; Whit Sunday, May 16; Trinity Sunday, May 23rd; Queen's Birthday, Monday, 24th May; Dominion Day, Thursday, July 1st; Fourth of July, Sunday; Advent Sunday, Nov. 28; Christmas, Saturday, Dec. 25.

THE DONNELLY MURDER.—The Biddulph tragedy set the daily papers of Toronto and London on their nettles, and the reporters seem to have worked for all they are worth to beat each other. The chief rival centured in London between the *Advertiser* and *Free Press*. While both did wonders the *Advertiser* seems to have got ahead. At the first it published the house at which the tragedy occurred, was first in interviewing Father Connelly, and to crown all to publish first the boy Connor's evidence, wherein he gave the names of the murderers, and then it followed these up with portraits of the principal parties concerned.

—JOHN Leslie, of Salmonville, the checker player, writes this to the Halton *News*: "I notice that considerable chaffing is indulged in through the Guelph newspapers by Mr. McKenzie, regarding the draught championship of the county of Halton. I think I offered Mr. McKenzie a very fair thing before, to show him and his friends that I mean business, I now offer to play him for the championship of Wellington and Halton, and will agree to meet him at Acton, which is half way between Salmonville and Guelph, any time after giving me two week's notice, each one to pay his own expenses. If he won't agree to this it is quite evident that bluff is the only game they play in Guelph. If Mr. McKenzie can show a just claim to the championship of Halton, I am willing to go to Guelph, pay my own expenses, and play him, but I certainly knows that the champion of Halton has never yet been played for."

THE LATEST DODGE.—Of the dodges to cheat farmers, the latest is that of a 'dead beat' who offers to sell them for $1 a receipt by which they can make their own coal oil at a cost of eight cents per gallon.

CROOKED WHISKEY.—Mr. Jno. Lee, a resident of Erin, was sent for trial at Toronto last week, a worm and other articles used in the illicit manufacture of whiskey having been found on his premises. It is said the prisoner has always borne an excellent character.

LEFT.—Mr. J. D. Cummins, whose disastrous failure in the milling business in Milton, caused considerable comment recently, has left that town, and is supposed to be in the United States. The mill is still standing idle, and it is not definitely known when operation will be resumed.

"Like Dull Narcotics Numbing Pain."

When Tennyson, the poet of England, penned the above line he never wrote anything more forcible or pointed. Many of the so called remedies for dyspepsia, bronchitis and consumption simply numbs the pain, and does not strike at the root of the disease. How different it is with Scott's Emulsion of **Pure Cod Liver Oil with Hypophosphites of Lime and Soda.** It gently and insidiously permeates the whole system, and relief is certain to follow; and then it is perfectly agreeable to the taste.

THE LOCAL PAPER.—If your local paper happens to tread on your toes a little in performing its mission, don't get your back up and abuse the editor, but stop and take a good breath and think back for a reason and see if you can't remember some of the favors and kindness he has shown you in the past. Then reflect that it may not be long before you may want favors again.

SERIOUS ACCIDENT.—On Saturday morning Mr. and Mrs. John Marshal, of Trafalgar, started to drive to Hamilton. When driving down the Zimmerman hill the wagon "slewed" around at the turn near the mill and upset, throwing both occupants violently out. Mrs. Marshal received no serious injuries, but Mr. Marshal was dangerously hurt, and his recovery is considered doubtful. His spine is supposed to be injured, and on Monday night he was insensible.

IS THAT WHAT THEY MEAN.—There is an appalling outbreak of initials in the papers. Meetings of the Y. M. U. B., the A.O.U.W., I.O.F.R., and the J.G.A., are announced without fear of consequences. dark hits. Your Most Ugly Bachelors, the Ancient Order of Ugly Women, the Immense Order of Prize Roosters and the Jackasses Gone Astray, are now unmasked and must seek other disguises.

THE WEATHER.—Since Vennor took the contract to supply this country with weather we must say that we have been treated to a quality of weather so bad that if the people do not petition the Dominion Government to cancel the contract they deserve to wallow in mud and slush for the remainder of their days. We believe in progress, but as regards the weather, we prefer it in the "good old way." We can say that the supply now on hand is simply villainous.

MISSIONARY SERVICES.—The annual missionary services, in connection with the Canada Methodist Church, will be held in Acton next Sunday and Monday. On Sunday Toronto, will preach at 10:30 a.m., and 6:30 p.m., and on Monday evening the deputation will consist of Rev. E. H. Dewart, D. D., of Toronto, editor of the *Guardian*, and Rev. H. McLean, of Georgetown. A collection in aid of the Missionary Fund will be taken up after each service.

TONSORIAL.—Mr. W. J. Wilson, of Toronto, has purchased from Mr. J. Warden the Barber Shop and business, as carried on in the building opposite Storey's Glove Works. Mr. Wilson is a man who thoroughly understands his business, having been employed in some of the largest shops in Baltimore, New York, Boston, and other American cities, besides working a number of years in Toronto and Montreal. All persons wishing anything in the tonsorial line will receive satisfaction by calling at this shop.

VENNOR AGAIN PROPHECIES.—The "weather prophet" Vennor's latest: The second cold period in February will reach us on the 22nd, 23rd, 24th and 25th days. This, it is probable, will be extremely cold along the valley of the St. Lawrence and Ottawa Rivers, Northern United States, and to the westward. February will certainly end cold. The second heavy snow storm of the month should—by my theory—come on us about the 15th, and this bids fair to be heavy, with drifts and fairly cold weather. We have yet to get our heaviest snow falls of the winter, and some of these are certain to extend through March. Up to the 15th the weather should be moist.

SWINDLING THE FARMERS.—The latest method of swindling the farmers, says an exchange, is as follows: A gentlemanly fellow drives up with blanks for statistics on the farm—bushels of wheat, number of cattle raised, acres under cultivation, etc. Between the tables and the foot of the page, where the farmer signs his name, attesting the statement, is a blank space whose existence is accounted for as affording room for miscellaneous information. In a month more the farmer receives notice from a neighboring bank that his note for $150 is due. He knows nothing of the note, but investigation shows that the "census-taker" has filled in the blank with a promise to pay, which, being now in the hands of an innocent holder, must be paid by the unlucky dupe. Beware of them.

AUCTION SALES.

GEO. GIBBS, AUCTIONEER.

Mr. Adam Cook has instructed G. Gibbs, to sell by public auction, on Monday, 23rd February, his valuable farm, consisting of the W ½ of lot 28, con. 7, township of Esquesing. 100 acres more or less; 85 acres cleared, balance good cedar and oak timber. Terms, $500 on day of sale; for balance, liberal terms will be given. At the same time and place a lot of Farm Stock and Implements will be sold. Terms $6 and under, cash, over that amount 8 months credit on good security. Good title guaranteed.

Auction Sale of Farm Stock and implements, on Monday, 1st March, at 1 o'clock, on lot 24, con. 6, Esquesing. No reserve. Thos. Arthurs, proprietor. George Gibbs, Auctioneer.

—ORION Lodge, I.O.O.F., Georgetown, realized $75 at a social, to aid the suffering Irish.

—IF you don't mean to attend to your business, and prefer a slender income while your neighbors grow rich, it won't pay to advertise.

CONCERT.—The concert to be given by Mr. A. C. Black will be given in four or five weeks, instead of two or three months hence.

—VILLAGE council meets in Matthews' Hall Monday evening next. The auditors' Report will be received, besides other important business.

—THE Rag Baby is being talked up somewhat in town, and we understand there will be a public meeting to discuss the question before long.

—THIS is the holiday puzzle of the Port Hope *Times*: The question is an interesting one to many others about these days: "Don't U O us a $ or 2?"

—EIGHTY ONE dollars were paid at a religious tea fight at Georgetown, and still people complain of hard times and starvation in Ireland.—*Brant Review.*

—JOHN Leslie, of Salmonville, and Mr. McKenzie, of Guelph, are having a good deal of chaff as to which is the best draughts player. Get to work, men, and play a game, and thus finally decide the matter.

—MR A. A. Allworth has purchased the Brant *Review*, from A. H. Baker, whose continued illness prevented his attending to the business. We wish the new proprietor—who is an enterprising and able young man—every success.

Personals.

Mr. Horace Hall, of Berlin, formerly of Acton, was in town on Friday last.

Mrs. D. Henderson is visiting her friends in Glencoe and Sarnia. She intends to be absent about two weeks.

BIBLE SOCIETY.—A meeting of the committee of the Acton Branch of the U. C. Bible Society will be held at the office of the Secretary, on Saturday evening the 21st inst., at 7:30 o'clock, for the purpose of appointing collectors and making announcements for the annual meeting. All subscribers of one dollar and upwards are members of the committee. A full attendance

SUNDAY SCHOOL CONVENTION.—The annual convention of Halton County S. S. Association was held in Milton Methodist Church of Canada, on Tuesday and Wednesday of this week. A good representation of Sabbath school workers from various parts of the county was in attendance, and interesting addresses were delivered by ministers and others engaged in S. S. work. A full report next week.

DIOCESE OF NIAGARA.—The following sums were paid by Anglican churches in this neighborhood at the Episcopal Synod office, Hamilton, in January, towards the Mission Fund: Harriston, $5.31; Guelph, $27.35; Alma, 77 cents. Guarantee account.—Acton, $40; Harriston, $30 15; Erin, $46.99; Ferens, $21.93; Alma, $29,25; Eramosa, $20. Algoma Fund.—Guelph, $24.65; Erin, $4.30; Hillsburg, $1.60; Garafraxa, $3.03; Alma, $3; Orangeville, $15; Burlington, $6; Nelson, $2.77; Acton, Rockwood and Eramosa, $15.

A POSITIVE FACT.—Nervousness is the sense of feebleness, or the lack of stability of the nervous system, as distinguished from the rest of the body. It is pre eminently a disease, and more widely spread through the Northern and Eastern part of the United States and Dominion of Canada than in any other part of the world. We will not stop to say why this is the case, but we do emphatically say the Victoria Compound Syrup of Hypophosphites will be found an invaluable medicine for all parties afflicted with Nervousness, Dyspepsia Consumption, Defective Nutrition, General Debility, or weakness of the whole system. One of the first effects is an increase of the nervous or vital energy, followed by a feeling of unusual comfort and strength. For sale by all dealers.

ROWE—CLARK.—In the Connection by the Rev. Joseph Unsworth, G. G. Rowe, M. D., of Wales Centre, N.Y., and son of M. P. Rowe, Esq., Georgetown, to Miss Jennie Clark, eldest daughter of Thos. Clark, Esq., Georgetown.

"No! You Must Not."

Perhaps the strongest anomaly in human nature is we will—while a course for medicine. But so it is when they have partaken of Scott & Bowne's Palatable Castor Oil. These gentlemen by their incurable evil shall have made this hitherto noxious drug a positive delight, and one that is a pleasure, not a nauseating effort, to partake. Admit the beneficial effects of Castor Oil but are restrained from taking it by the revolting taste. This mistake in science, has been overcome. Price 25 cents.
