YOUNG FOLKS CORNER.

A MODEL OF VIRTUE.

[illegible]
[illegible]
[illegible]
[illegible]
[illegible] nervous viler,
Nor wore upon his head a tile;
He never played hockey from the school,
Nor tackled billiards, cards or pool.

He never swore nor drank a drop;
He never cheated jack from a "cop;"
He never called his pa "old man,"
Nor to a boy's tail tied a can.

He never robbed an apple tree;
No melon pilf his entered he;
He never went a courting, through
To him the girls would favors show.

He always early went to rest,
And rose at daybreak with a zest;
Although his appetite was good,
He never in pantries stole his food.

But Master Ebenezer Brown,
Who is the model of the town,
Is also, if the truth is told,
A smoker yet—just one year old.

The Laborer Worthy of His Hire.

BURDETT'S COUNCIL TO HIS WORTHY SON

From the Burlington Hawkeye.

Myson, when you hear a man groaning and scolding because Moody gets $200 a week for preaching Christianity, you will perceive that he never worth a minute to use Ingersoll gets $200 a night for preaching atheism. You will observe, that the man who is utterly shocked because Francis Murphy is paid $150 a week for temperance work seems to think it is all right when bar keepers take in twice as much in a single day. The laborer is worthy of his hire, my boy, and he is just as worthy of it in the pulpit as he is upon the stump. Is the man who is honestly trying to save your immortal soul worth less than the man who is only trying his level best to go to congress? Isn't Moody doing as good work as Ingersoll? Isn't John B. Gough as much the friend of humanity and society as the bartender? Do you want to get all the good in the world for nothing so that you may be able to pay a high price for the bad? Remember, my boy, the good things in the world are always the cheapest. Spring water costs less than corn whiskey; a box cigars will buy two or three Bibles; a gallon of old Brandy costs more than a barrel of flour; a "full hand" at a poker often costs a man more in twenty minutes than his church subscription amounts to in three years; a State election costs more than a revival of religion; you can shoot a church every Sunday for nothing. You're mean enough to deal best your blessings in your way, but a hop in Pellyon or a soirée costs two dollars every time; fifty cents for the circus and money for the little ones to put into the missionary box; one dollar for the theatre and pair of old trousers, frayed at the ends, bagged at the knees, and utterly burned as to the dome for the Michigan sufferers; the dancing lady who tries to wear the skirts of her dress under her arms at the waist at her knees and kicks her slipper clean over the orchestra chairs every night gets $600 a week, and the city missionary gets $500 a year; the horse race scoops in $2,000 the first day, and the church fair last week, worked twenty-five or thirty of the best women in America nearly to death, and comes out $40 in debt—why my boy, if you ever find yourself sneering or scoffing because once in a while you hear of a preacher getting a living, or even a luxurious salary, or a temperance worker making money, count up the dark and feel ashamed of yourself. Precious little does religion and charity cost the old world, my boy, and when the money it does get is flung into its face, like a bone to a dog, the donor is not long fitted by the gift, and the reciever is not, and certainly should not, be grateful.

Imitators vs. Substitutes.

Good points are worth remembering, for the reason that they assist us in avoiding many discomforts, and protect us against the cupidity of overreaching people. When you learn from friends that PUTNAM'S CORN EXTRACTOR is safe, prompt and effectual, don't allow druggists to palm off a worthless and perhaps poisonous substitute. His object is quite patent. He wishes to make a few cents difference between a good article and a cheap imitation or substitute. Putnam's Corn Extractor. Sold everywhere.

Henry Clement writes: "For a long time I was troubled with chronic rheumatism, at times wholly disabled. I tried anything and everything recommended, but failed to get any benefit, until a gentleman who was cured of rheumatism by Dr. Thomas' Electric Oil, told me about it. I began using it both internal and external, and before two bottles were used I was radically cured. We find it a household medicine, and for croup, burns, cuts and bruises, it has no equal."

Dr. J. Corlis, St. Thomas, writes: "During ten years' active practice I have had occasion to prescribe Cod Liver Oil and Hypophosphites. Since Northrop & Lyman's Emulsions of cod Liver Oil and Hypophosphites of Lime and Soda came under my notice, I have tried it, & take great pleasure in saying that it has given great satisfaction, and is to be preferred to any I have ever used or recommended. I have used it in my own family almost as a beverage during heavy colds, and in every instance a happy result has followed. I cheerfully recommend its use in all cases of debility arising from weakness of the muscular or nervous system."

"Buchupaiba."

Quick, complete cure, all annoying Kidney, Bladder and Urinary Diseases. $1 Druggists.

The most brilliant shades possible, on all fabrics are made by the Diamond Dyes. Unequalled for brilliancy and durability. 10 cents.

A REWARD.—Of one dozen "TRABERRY" fans are sending the best four line rhyme on "TRABERRY," the remarkable little gem for the Teeth and Breath. Ask your druggist for address.

Skinny Men.

"Wells' Health Renewer" restores health and vigor, cures Dyspepsia, Impotence, Sexual Debility. $1.

The grand outlets of disease from the system are the Skin, the Bowels and the Kidneys. BURDOCK BLOOD BITTERS is the most safe, pleasant and effectual purifier and health restoring tonic in the world. Trial bottles 10 cents.

All forms of Female Weakness, Suppression, Irregularities and Painful Periods are effectually remedied by the great regulating system renovator, Burdock Blood Bitters. Sample bottles 10 cents.

"Rough on Rats."

Clears out rats, mice, roaches, flies, ants, bed bugs, skunks, chipmunks, gophers. 15c. Druggists.

The only safe and effectual medicine that acts at once upon the Bowels, Liver, Skin and Kidneys, while it cleanses the Blood and strengthens the system, is Burdock Blood Bitters, the great Vegetable Renovating Tonic. Sample bottles 10 cents.

Would you avoid the Biliary complaints incidental to spring and summer? Cleanse the system with Burdock Blood Bitters. It regulates the Liver, Bowels, Kidneys, and Blood, and is the purest tonic in the world. Trial bottle 10 cents.

Mr. George Toulon, Druggist, Graenhurst, Ont., writes: "My customers who have used Northrop & Lyman's Vegetable Discovery and Dyspeptic cure say that it has done them more good than anything they have ever used." It has indeed a wonderful influence in purifying the blood and curing diseases of the Digestive Organs, the Liver, Kidneys and all disorders of the system.

If you would have a clear complexion, a freedom from Blotches, Pimples, Boils, and all foul humors, purify and regulate the blood, liver, kidneys and bowels with Burdock Blood Bitters. Trial bottles 10 cents—15.

Mr. W. R. Lozier, Bailiff, &c., Belleville writes: "I find Dr. Thomas' Electric Oil the best medicine I have ever used in my stable. I have used it for bruises, scratches, wind puffs and cuts, and in every case it gave the best satisfaction. We use it as a household remedy for colds, burns, &c., and its a perfect panacea. It will remove warts by paring them down and applying it occasionally.

Mrs. Armhart, cor. Bratt and Broadway, has been a sufferer for twelve years through rheumatism, and has tried every remedy she could hear of, but received no benefit, until she tried Dr. Thomas' Eclectric Oil; she says she cannot express the satisfaction she feels at having her pain entirely removed and her rheumatism cured."

Mr. P. C. Wilkes, Toronto, writes: "Northrop & Lyman's Vegetable Discovery is a valuable medicine to all who are troubled with indigestion. I tried a bottle of it after suffering for some ten years, and the results are certainly beyond my expectations. It assists digestion wonderfully. I digest my food without apparent effort, and am now entirely free from that sensation, which every dyspeptic well knows, of unpleasantness after each meal.

Do not take such vile trash as cheap Whiskey Bitters and stimulants that only pander to a depraved appetite. Burdock Blood Bitters is a pure vegetable medicine, not a drink. It cleanses the blood and builds up the system. Sample bottles 10 cents.

Had Suffered many Physicians and grew no better but rather worse. Mr. D. H. Howard, of Geneva, N. Y., after dismissing his physicians, tried nearly half a gross of the various blood and liver remedies advertised, with no benefit; when one bottle of Burdock Blood Bitters cured him of Paralysis and General Debility. At the advanced age of 60, he says he feels young again, and is enjoyed at his wonderful recovery.

A Public Meeting should be called of the citizens of every city, town and village in the Dominion, to consider what should be done to prevent the hair from turning Grey,—and falling out. If this important question received their earnest consideration they would unanimously decide that science had at last discovered something that would answer this purpose—and furthermore would recommend Cingalese Hair Renewer as being this something for restoring the hair to its natural color, and prevent its falling out. 50 cents per bottle, at J. E. McGarvin's.

WILL YOU **EXCHANGE** a case of Dyspepsia or Biliousness for 75 cents? It is awfully unwise to agonize under these many ailments arising from Dyspepsia, Indigestion, Disordered Stomach and Liver, when this offer is made to you in your own home in all sincerity, with an absolute certainty of curing you.

ZOPESA (from Brazil) cures Dyspepsia and Biliousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the Stomach, Liver, and Kidneys. Cleansing, Correcting, Regulating, Zopesa gives energy and vim to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Biliousness.

Dr. Pick of Edinburgh, the eminent Veterinary Surgeon, was an visitor at mine, and I have great interest in a so this profession.

A NOTED BUT UNTITLED WOMAN.

[From the Boston Globe.]

Messrs. Editors:—

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is zealously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at relief from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this.

On account of its proven merits, it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, Irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only $1 per bottle or six for $5, and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of either sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are the best in the world for the cure of Constipation, Biliousness and Torpidity of the liver. Her Blood Purifier works wonders in its special line and this fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.

WELLS, RICHARDSON & CO'S
IMPROVED BUTTER COLOR
A NEW DISCOVERY.

For several years we have furnished the Dairymen of America with an excellent artificial color for butter, so meritorious that it met with great success everywhere receiving the highest and only prizes at both International Dairy Fairs.

But patient and scientific chemical research we have improved in several points, and now offer this new color as the best in the world.

It Will Not Color the Buttermilk. It Will Not Turn Rancid. It is the Strongest, Brightest and Cheapest Color Made.

And, while prepared in oil, is so compounded that it is impossible for it to become rancid.

BEWARE of all imitations, and of all other oil colors, for they are liable to become rancid and spoil the butter.

If you cannot get the "improved" write us to know where and how to get it without extra expense. (65)
