YOUNG FOLKS CORNER.

Why Puss Washes After Eating.

A long time ago,
How long I don't know,
A cat caught a fat young rabbit.
And with it she'd play
In her own cruel way
As we all know cats have the habit.

She thought if twere stewed,
Twould be very good
With gravy and well-baked potatoes;
Twould make a nice roast,
Of which she could boast
If eaten with corn and tomatoes.

Or if it were fried—
But she could not decide,
While in her embrace still he lying.
The sassy young hare
Said, "Are you aware
That gentle folks wash before dining?"

If etiquette have
Contained such a clause
Puss thought it was time to begin it;
But to her surprise
While wiping her eyes
The rabbit was off in a minute.

She stood with a gaze
Of utter amaze
At seeing her dinner interesting.
And since that sad day
Sly puss has a way
Of washing her face after eating.

Johnny's Reason.

A circus came to town, and everybody knows how the music and the grand tent and horse set all the boys crazy. Quarters and shillings are in great demand, and many a choice bit of money have the circus riders carried away which was meant for better purposes.

A little boy was seen looking around the premises with a great deal of curiosity. "Halloo, Johnny, said a man who knew him, "going to the circus?"

"No, sir, answered Johnny, "father don't like em."

"Oh, well, I'll give you the money to go, Johnny," said the man.

"Father dont approve of them," answered Johnny.

"Well, go in for once, and I'll pay for you."

"No, sir," said Johnny, "my father would give me the money if he thought 'twere best; besides I have got twenty five cents in my strong box—twice enough to go."

"I'd go, Johny, for once; it's wonderful the way the horses do," said the man. "Your father need'nt know it."

"I can't," said the boy.

"Now, why?" asked the man.

"Cause," said Johny, twirling his bare toes in the sand, "after I've been there I could'nt look at my father right in the eye, but I can now.

Pleasant Visitors.

Young people who are visiting at a friend's house do not always make themselves as agreeable as they might. You should always anticipate a good time, and be prepared to contribute your share to it. Be pleased with what is done for you and express your pleasure. Do not be obstructive in offering help to your host, but if an opportunity arises for you to give assistance, do not be afraid to embrace it. There are little helpful things which come in our way at home and abroad if we have eyes to see them. A lad can help a lady in carrying bundles or running errands. A girl might play and sing—if she can—without being urged, or amuse the children by telling them stories. Of course young people will be as tidy as possible, and do no injury to the house or its belongings.

We might as well have no opportunities as not to use one that we have.

Hypocrisy is a hard game to play at, for it is one deceiver against many observers.

Thousands suffer untold miseries from Nervous Weakness, Pain in the back, and other distressing symptoms arising from disordered Kidneys. Burdock blood Bitters is the Sovereign remedy. Trial bottle 10 cents

The thrifty housewife never attains perfection, for she is always mending.

After many years of patient investigation **Dr. Van Buren**, of Germany, finally succeeded in perfecting a Kidney Cure that would permanently relieve all cases of Kidney Disease. Be sure and ask your druggist for **Dr. Van Buren's Kidney Cure.** Sold in Acton by J. E. McGarvin.

"I have a fresh cold," said a gentleman to his acquaintance. "Why do you have a fresh one? Why don't you have it cured?"

C. A. Livingstone, Plattsville, says: "I have much pleasure in recommending Dr. Thomas' Electric Oil, from having used it myself, and having sold it for some time. In my own case I will say for it that it is the best preparation I have tried for rheumatism."

A merchant may manage to grub along without advertising, and so may a man empty a hogshead of water with a teaspoon, but both are decidedly tedious undertakings.

Are you a martyr to headache? Suffer no longer. A remedy is found in Burdock Blood Bitters. It regulates the Bowels, cleanses the system, allays nervous irritation and restores health and vigor. Sample bottle 10 cents.

Thomas Robinson, Farnham Centre, P. Q., writes: "I have been afflicted with rheumatism for the last ten years, and have tried many remedies without any relief. I got a bottle of Dr. Thomas' Electric Oil, and found it to give instant relief, and since then have had no attack. I would recommend it to all.

Mr. H. F. MacCarthy, Chemist, Ottawa, writes: "I have been dispensing and jobbing Northrop & Lyman's Emulsions of Cod Liver Oil and Hypophosphites of Lime and Soda for the past two years, and consider that there is no better preparation of the same kind in the market. It is very palatable, and for chronic coughs it has no equal."

Every Heart Knoweth Its Own Sorrow.

This statement appears to contain much truth. In some cases, however, it is the heart of a nasty little corn, which, though small, is capable of much feeling. This form of heart-ache is very common, and can be remedied by PUTNAM'S PAIN-LESS CORN EXTRACTOR gives peace to the throbbing corn. Don't forget that. Sold by druggists everywhere. N. C. POLSON & CO., Proprietors Kingston.

Miss Mary Campbell, Elm, writes:—"After taking four bottles of Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, I feel as if I were a new person. I had been troubled with Dyspepsia for a number of years, and tried many remedies, but of no avail until I used the celebrated Dyspeptic Cure." For all Impurities of the Blood, Sick Headache, Liver and Kidney Complaints Costiveness, &c., it is the best medicine known.

Had Suffered many Physicians

and grew no better but father worse. Mr. D. H. Howard, of Geneva, N. Y., after dismissing his physicians, tried nearly half a gross of the various blood and liver remedies advertised, with no benefit; when one bottle of Burdock Blood Bitters cured him of Paralysis and General Debility. At the advanced age of 60, he says he feels young again, and is overjoyed at his wonderful recovery.

Every now and then then some grand discovery bursts upon the world scattering to the winds the theories and dogmas of the past. The discovery of the famous medicine known as Northrop & Loman's Vegetable Discovery and Dyspeptic Cure is one of those most important events. Its cures of Dyspepsia, Liver Complaint, Impurities of the Blood &c., &c., have been very astonishing. No case is entirely hopeless until this medicine has been.

WILL YOU **EXCHANGE** a case of Dyspepsia or Biliousness for 75 cents? It is awfully unwise to agonize under the many ailments arising from Dyspepsia, Indigestion, Disordered Stomach and Liver, when this offer is made to you in your own home in all sincerity, with an absolute certainty of curing you.

ZOPESA (from Brazil) cures Dyspepsia and Biliousness. A single dose relieves; a sample bottle convinces; a 75 cent bottle cures.

It acts directly upon the Stomach, Liver, and Kidneys.

Cleansing, Correcting, Regulating, Zopesa gives energy and vim to the Brain, Nerve, and Muscle, simply by working wonders upon the Digestion, and giving activity to the Liver.

Cut this out, take it to any dealer in medicines, and get at least one 75 cent bottle of Zopesa, and tell your neighbor how it acts. It is warranted to cure Dyspepsia and Biliousness.

Kendall's Spavin Cure

Freemont, Ohio, Jan. 27th, 1881.

DR. B. J. KENDALL & Co., Gents:—I think it my duty to render you my thanks for the benefits and profits which I have derived from your invaluable and far famed Spavin Cure. My cousin and I had a valuable stallion worth $1000, which had (we gr) bad spavin, and was pronounced by four eminent Veterinary Surgeons beyond any cure, and that the Horse was done for ever. As a last resort I advised my cousin to try a bottle of Kendall's Spavin Cure. It had a magical effect. The third bottle cured it and the horse is as well as ever. Dr. Dick of Edinburgh, the eminent Veterinary Surgeon, was an uncle of mine; and I take great interest in assisting his profession.

Yours truly,
JAMES A. WILSON,
Civil Engineer.

DR. B. J. KENDALL & CO., Gents:—About a year ago I fell in a mud hole on some ice and was badly hurt in the hip joint, which caused me much suffering. I tried various remedies but none gave me relief until I tried Kendall's Spavin Cure. I applied it full strength twice a day for about two weeks during last October, and it effected a perfect cure. I have since been well and free from lameness. It is very valuable for man as well as beast.

Yours truly,
CHESTER K. GREEN.

A NOTED BUT UNTITLED WOMAN.

[From the Boston Globe]

Messrs. Editors—

The above is a good likeness of Mrs. Lydia E. Pinkham, of Lynn, Mass., who above all other human beings may be truthfully called the "Dear Friend of Woman," as some of her correspondents love to call her. She is seriously devoted to her work, which is the outcome of a life-study, and is obliged to keep six lady assistants, to help her answer the large correspondence which daily pours in upon her, each bearing its special burden of suffering, or joy at release from it. Her Vegetable Compound is a medicine for good and not evil purposes. I have personally investigated it and am satisfied of the truth of this

On account of its proven merits it is recommended and prescribed by the best physicians in the country. One says: "It works like a charm and saves much pain. It will cure entirely the worst form of falling of the uterus, Leucorrhœa, Irregular and painful Menstruation, all Ovarian Troubles, Inflammation and Ulceration, Floodings, all Displacements and the consequent spinal weakness, and is especially adapted to the Change of Life."

It permeates every portion of the system, and gives new life and vigor. It removes faintness, flatulency, destroys all craving for stimulants, and relieves weakness of the stomach. It cures Bloating, Headaches, Nervous Prostration, General Debility, Sleeplessness, Depression and Indigestion. That feeling of bearing down, causing pain, weight and backache, is always permanently cured by its use. It will at all times, and under all circumstances, act in harmony with the law that governs the female system.

It costs only $1. per bottle or six for $5., and is sold by druggists. Any advice required as to special cases, and the names of many who have been restored to perfect health by the use of the Vegetable Compound, can be obtained by addressing Mrs. P., with stamp for reply, at her home in Lynn, Mass.

For Kidney Complaint of *either* sex this compound is unsurpassed as abundant testimonials show.

"Mrs. Pinkham's Liver Pills," says one writer, "are *the best in the world* for the cure of Constipation, Biliousness and Torpidity of the Liver. Her Blood Purifier works wonders in its special line and bids fair to equal the Compound in its popularity.

All must respect her as an Angel of Mercy whose sole ambition is to do good to others.
