T. MATCHETT, County Clerk.

County Clerk's Office, Lindsay, May 28th, 1883. 15-2.

The Whirligig of Time Brings Changes.

What is One Man's Misfortune is Another Man's Gain.

There is no proof to show what disease killed Adam, but there is proof to show why the City Store Syndicate is giving Bargains in Staple and Fancy Dry Goods, Carpets, Millinery &c, calculated to make your eyes blink with amazement. Owing to the continuous cold weather, the wholesalers who are overstocked are offering extraordinary inducements in low prices to clear out quantities. The City Store is always on the alert to take advantage of such opportunities. This is one of the secrets of our great success. To buy cheap and sell cheap is our motto. In this particular instance we have been unusually successful, the discounts in some instances reaching 50 and 55 per cent, and our patrons will get the benefit.

In Lyons Black Gros Grain Silks we are safe in saying that no such bargains were ever offered anywhere.

In Colored Silks we begin the price at 30c, and offer equal inducements in every quality.

In Dress Goods we always save our patrons from 25 to 30 per cent. Every lady wanting a dress should take a look through and see our city styles and lower prices.

In Carpets and House-furnishings we lead the trade in quantity, quality and design, and prices always the lowest.

FINE CLOTHING.

The man ain't put together right who don't appreciate scientific and artistic cut garments, skillfully made and finished with exquisite taste. We believe every man and boy reader of our advertisements understands the secret of our great success, and the majority have assisted us in our efforts by their patronage in putting the thumb-nails on the old-fashioned prices and frowning down improperly made habiliments, thus encouraging us in our efforts. Last week we announced the purchase of over 6,000 yds. of Fine Tweeds and suitings at a reduction of 50 per cent, under regular prices to clear. We are making this boom. People tell us there never was the same value offered before. We ask you to come in and see if you are half in need of a suit. We can sell you without any trouble, in fact you will want to buy when you see the goods. We merely show them the price and quality and that completes the sale.

Hats and Caps are another of our special hobbies. We keep them in all quantities and styles, and sell them cheap.

Gents' Furnishings—you are sure to find the exact thing you want at the City Store.

Ready-made Clothing—Our stock is always large and well assorted in qualities and sizes.

Boys' Ready-made—we keep a full range of all the leading styles to fit boys of all sizes.

We are determined to give the public the best value for their money if it takes the plaster off the ceiling.
