Agnes McPhail Again Elected For S.-E. Grey

Returns Came in By The Radio Route Through W. A. Hawken and Down & Sons Machines

Canada's only woman member of parliament will again occupy her seat at the Dominion Parliament at Ottawa during the sessions conducted by the next government. Miss Agnes C. Macphail was re-elected member in this, South-East Grey, constituency, by a substantial majority over Dr. Lewis Campbell of Markdale, Conservative candidate.

A big crowd was in town on election night and received the returns by way of the radio route, Mr. W. A. Hawken receiving them at his store and H. Down & Sons using the town hall, which was well filled, the returns coming in fine. The Bell Telephone Company, at their local office, handled the local returns very satisfactorily, through the manager, Mrs. Munshaw.

Ceylon's famous woman politician took her victory calmy. She had campaigned faithfully and was confident from the first that she would be re-elected on her Progressive ticket. Miss MacPhail's majority is the largest of any in the district. In 1921 she defeated the Conservative and Liberal candidates in South East Grey quite easily, obtaining a plurality vote of 210 over them both. That election she was given a vote of 6,972 and her total on Thursday was 6,468.

Dr. Campbell made a strong bid for his election in the towns and villages in his constituency, defeating his rival at nearly all of these polls. Markdale, his home town gave him a majority of 231 and the other centres were in his favour also, but the country and the farmer vote were all for Miss McPhail. She reaped large gains in most of the townships which were enough to insure her election Following are the results:

Miss Agnes C. MacPhail, who was again returned as member for the constituency of South East Grey in the Dominion elections last Thursday with a majority of over 1200.

COL. ERN ARMSTRONG WAS ELECTED AN M.P.

In a three-cornered fight in South Temiskaming an old Flesherton boy, Col. Ern Armstrong, was successful in carrying the constituency in the interests of the Conservative party by a majority of over seven hundred. "Ern" has made quite a success of himself at Cobalt where he has been practising dentistry for the past few years, besides having several irons in the mining game. For the past two years he has been mayor of Cobalt and has served his town faithfully and well during his terms of office. Dr. Ern was also overseas during the war, having recruited and taken to England the 159th battalion and on his return to Canada went back to the northern mining town. He is sure to make a good name for himself at Ottawa and we are sure will serve in the interests of his constituency with efficiency and zeal.
