Teddy Jones is Winner of Miss MacPhail's Prize

Sixteen Students Competed in Contest Held in High School at Flesherton

Will Take Trip to Ottawa

In the crowded auditorium of the Flesherton High School, sixteen representative winners of the various school Fairs throughout the County, met in the final elimination contest for those who would receive the awards of Miss Agnes MacPhail M.P. The subject, "The Federal Government of Canada," was well handled by every speaker, and everyone was delighted with the outlining of he method in which Canada is governed.

Miss Hilda Gordon of Artemesia was the first speaker, with the following in order: Clara Subject, Bentick, Helen Jerrett, Collingwood, Geo. Acton, Derby; Susie McDonald, Egremont; Irene Saunders, Euphrasia, Dorothy Robinson, Glenelg; Milton Shouldice, Holland; Ruby Crampton, Keppel; Teddy Jones Keppel (Shallow Lake); Dorothy Mann, Markdale, Kathleen Walters, Normanby; Lorna Chard, Osprey; Archie Clark, Proton; Edna Stephens, South Proton and Egremont.

Rev. Clements of Flesherton, led in community singing. Miss Blanche Walker of Markdale rendered a fine solo, with Miss Dunham playing the accompaniments throughout.

Miss MacPhail acted as chairman, while Dr. O. J. Stevenson, M.A., D. Paed, Professor of English, O.A.C. Guelph, Mr. Jas. Shaw, B.A., principal of Dufferin School, Owen Sound, and Mr. Ralph Clemens, B S. A., Agricultural Representative of Wellington County, were the judges. Dr. Stevenson scored the memorized speech, and declared that this was not the ideal way to deliver an address. He then announced the prize winners. Teddy Jones of Keppel township (Shallow Lake,) won first prize and chose the trip to Ottawa in preference to the gold watch. Kathleen Walters, of Normanby was second, and received a solid gold medal, Clara Subject of Bentinck was third, and received a ster ling silver medal while Milton Shouldice of Holland and Dorothy Mann of Markdale tied for fourth place. Miss MacPhail donated all four prizes with the exception of the extra one needed for the fourth prize, which T. S. Cooper contributed.

Miss MacPhail announced that the contest would be continued next year and made clear, that the memorized speech would be a great handicap to the contestant.

We are giving below, a copy of Teddy Jones' address which was the one which gave him the trip to Ottawa.

The Federal Government of Canada

Canada is a federation or a federal union, that is, a union in which the power does not rest wholly with the central parliamnt, but is part retained by the provinces.

Ever since 1867 Canadians have had a greater outlook than that of the citizens of a province.

The Dominion is dependent, but self-governing, a group of states yet a single union.

The three functions of government are to enforce law, to make law, and to interpret law. The government of Canada is carried on by a governor general an executive council, a Senate and a House of Commons.

The Governor-General represents the crown and is still the guardian of the interests of the Empire, and his knowledge enables him to give advice of great value.

The members of the Senate are chosen for life by the Governor General. A Senator must be a British subject, thirty years of age, a resident in the province, and worth at least four thousand dollars.

The House of Commons is elected by voters over twenty one years of age and of a sound mind. A general election is held every five years. Rep resentation is by population, Quebec having sixty five and the provinces the same ratio.

The Govenor-General chooses the members of his cabinet from the party in power. When the cabinet has decided on the policy which it intends to pursue, every member must support that policy or resign. The Prime Minister is their president. There are also ministers of Agriculture, Finance, Marine, Labor, Railways and Canals, etc.

There are in Canada, three parties, the Conservatives, Liberals, and the Progressives. Each of these is organized under a leader, and extends throughout he country. The members of Parliament of each party hold frequent meetings at Ottawa at which the affairs of the party are discussed.

The Speaker is chosen from the party in power, and on the right sit the party in power while on the left sits the opposition.

Many important matters are controlled by the Dominion, such as the organization of railways, banks,etc.

All the Indians of Canada are under the care of the Dominion; even foreign affairs are under its control. We may say, how is this money obtained: from excise, from custom dues, from licenses and revenue of the post office and other public works. Yet large as is our revenue, at times we are forced o borrow money and our national debt is away up in the millions.

Thus every Canadian is at once a citizen of a municipality, of a province, of a domnion, of an empire. ince ,of a dominion, and of an empire. part of a province and the province as part of our native land. As an English poet has said:

"We sailed wherever ship could sail;
We founded many a mighty state,
Pray God our greatness may not fail
Through craven fears of being great."

Flesherton — Geo. Mitchell, T. D. Berry, P. Munshaw, Jack McKee, S. Pedlar, G. B. Welton, J. Hodgson of Brooklyn and A. Sparks as cook. Mr. Thos. Mercer of Markdale will likely go with the Flesherton party.

NEW PREMIUM POLICY FOR RAMS

The Dominion Government some threq or four months ago made a change in the policy of giving premiums on rams. Heretofore the individual who never owned a pure bred registered ram could get a premium of $10.00 divided into two annual payments of $5.00 each. The policy is now changed. The following are the main points:-

1. That there must be ten farmers in a community who apply. (The size of the community is not defined.)

2. These must own at least ten ewes each and have never used a pure bred ram.

3. They must purchase rams of the same breed.

4. All male lambs must be castrated and all lambs docked.

5. Application must be received not later than December 31st of the year in which the ram was purchased.

Quite a large number of farmers have requested these premiums this year but they are too late unless they have nine other farmers to form a club.

All those securing first premiums last year must sign the forms for their second premium and return not later than December 31st this year.
