THURSDAY MORNING, JULY 5, 1883.

OUR YOUNG FOLKS.

OUR CHOIR.

There's Jane Sophia,
And Ann Maria,
With Obadiah,
And Jedekiah,
In our choir.

And Jane Sophia soprano sings
So high you'd think her voice had wings
To soar above all earthly things,
When she loads off on Sunday;
While Ann Maria's alto choice
Rings out in such harmonious voice
That sinners in the church rejoice,
And wish she'd sing till Monday.

Then Obadiah's tenor high
Is unsurpassed beneath the sky—
Just hear him sing "Sweet By and By,"
And you will sit in wonder;
While Jedekiah's bass profound
Goes down so low it jars the ground,
And makes the echoes miles around,
Like distant rolling thunder.

Talk not to me of Patti's fame,
Or Nicolini's tenor tame,
Or Cary's alto—but a name—
Or Whitney's ponderous basso!
They sing no more like Jane Sophia,
And Ann Maria, Obadiah,
And Jedekiah, in our choir,
Than cats sing like Tomasso!

Words of Wisdom.

Keep the tongue from unkindness.

It is vain to gather virtues without humility.

The truly sublime is always easy and natural.

What men want is not talent — it is purpose.

Ungratefulness is the very poison of manhood.

One always has time enough if he will apply it well.

As every golden thread is valuable, so is every minute.

Talk to the point, and stop when you have reached it.

It is wisdom to think, and folly to sit without thinking.

Guesses.

Why ought a greedy man to wear a plaid waistcoat?—To keep a "check" upon his stomach.

Why are religious communities like bees? Because they are in-sects.

Why is an avaricious man like one troubled with a bad memory?—Because he is always for-getting.

Why are indolent persons' beds too short for them? Because they lie too long in them.

When is a man like a looking-glass?—When he reflects.

When is a window like a star?—When it is a skylight.

Why is a widower like a house in a state of dilapidation?—Because he wants repairing.

What part of their infant tuition have old bachelors and old maids most profited by? Learning to "go alone."

Why is the letter P like death?—Because it is the end of life.

Why is a lady in a cotton dress like anything published?—Because she appears in "print."

What parts of speech are shopkeepers most anxious to dispose of?—Articles.

Why are weary persons like carriage wheels?—Because they are tired.

Why would a tanner make a good chemist?—Because he understands oxides (ox-hides.)

Why is Ireland like a bottle of wine?—Because it has "cork" in it.

Why are there three objections in taking a glass of brandy?—Because there are three "scruples" in a "dram."

Why is a well trained horse like a benevolent man?—Because he stops at the sound of woe (whoa.)

Without earnestness no man is ever great, or does really great things.

My Mother

Has been using your Burdock Blood Bitters as a liver remedy, and finds them very efficacious. Chas. L. Aiusworth, 41 Vanie Block, Indianapolis, Ind..

We should believe only in works; words are sold for nothing everywhere.

No household should be considered complete without a bottle of DR. VAN BUREN'S KIDNEY CURE is in the closet. It is the only remedy that will positively, permanently and promptly cure all forms of kidney disease. Sold by J. E. McGarvin.

Genius at first is little more than a great capacity for receiving discipline.

In no other medical preparation have the results of the most intelligent study and scientific inquiry been so steadily and progressively utilized as in Ayer's Sarsaparilla. It leads the list as a truly scientific preparation for all blood diseases.

Be at peace without thinking of the future; there may be none for you.

John Hays, Credit P. O., says; "His shoulder was so lame for nine months that he could not raise his hand or his head, but by the use of Dr. Thomas' Eclectric Oil the pain and lameness disappeared, and although three months has elapsed, he has not had an attack of it since."

What we charitably forgive will be recompensed as well as what we charitably give.

A Startling Discovery.

Physicians are often startled by remarkable discoveries. The fact that Dr. King's New Discovery for Consumption and all Throat and Lung disease is daily curing patients that they have given up to die, is startling them to realize their sense of duty, and examine into the merits of this wonderful discovery; resulting in hundreds of our best Physicians using it in their practice. Trial bottles free at McGarvin's Drug Store. Regular size $1.00.

Mental depression, Loss of memory, Impaired Vision, Premature Decay, and loss of Power cured by Dr. E. C. West's Nerve and Brain Treatment. Sold at J. E. McGarvin's Drug Store Acton.

To educate the mind and let manners and heart run wild, curses humanity with mildew.

Salt Rheum Cured.

Are you troubled with Salt Rheum, Rough Skin, Pimples or Canker Sores; if so, go at once to J. E. McGarvin's Drug Store and get a package of Calvert's Carbolic Cerate. Price twenty-five cents. It was never known to fail. 47

Devote each day to the subject then in time, and every evening will then find something done.

Mr. H. F. MacCarthy, Chemist, Ottawa, writes: "I have been dispensing and jobbing Northrop & Lyman's Emulsion of Cod Liver Oil and Hypophosphites of Lime and Soda for the past two years, and consider that there is no better preparation of the same kind in the market. It is very palatable, and for chronic coughs it has no equal."

No injurious effects can follow the use of Ayer's Ague Cure in the treatment of malarial diseases. It contains, besides a specific and unfailing antidote miasmatic poison, other remedial agents which unite to expel the poisonous humors, purify the system, and leave it in a healthy and reinvigorated condition.

Kram's Fluid Lightning.

Needs no advertising when once introduced. Every bottle sold sells hundreds of others by doing all and more than represented for Neuralgia, Toothache, Headache, etc. It removes any pain instantly, quick as flash. Try it and you will say it is well named Fluid Lightning. Get a twenty-five cent bottle at J. E. McGarvin's Drug Store Acton. 47

Mr. H. McCaw, Custom House, Toronto, writes: "My wife was troubled with Dyspepsia and Rheumatism for a long time; she tried many different medicines, but did not get any relief until she used Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure. She has taken two bottles of it, and now finds herself in better health than she has been for years."

A Moral Power.

Stovepipes are supposed to move the deepest and most profound desire to swear that it is possible for man to experience. Be that as it may, we venture the opinion that corns produce as many startling exclamations, and the introduction of PUTNAM'S PAINLESS CORN EXTRACTOR should be hailed as a moral influence in the world, independant of its power as a reliever of physical suffering. Sold everywhere. Take only Putnam's Extractor. N. C. POLSON & CO., Kingston, Proprietors.

McGregor's Speedy Cure

From the many remarkable cures wrought by using McGregor's Speedy Cure for Dyspepsia, Indigestion, Constipation and affection of the Liver, and from the immense sale of it without any advertising, we have concluded to place it extensively on the market, so that those who suffer may have a perfect cure. Go to J. E. McGarvin's Drug Store and get a trial bottle free, or the regular sizes at fifty cents and one dollar. 47

G.W. Mingay, Parkdale, Toronto, writes: "My wife had several very severe attacks of cramps in the stomach. Hearing of DR. AUSTIN'S PHOSPHATINE, and its pleasantness to take, I gave her two bottles, and she has not had an attack since, and her health is much improved." For sale by all druggists.

Holloway's Ointment and Pills.—Safely and Securely.—When the severities of winter have yielded to the genial spring, invalids should make a determined effort to regain their lost health; when through confinement indoors, want of appetite, and disturbed sleep, the entire system has been weakened, and the spirits have been broken down, Holloway's remedies are equal to the occasion. The ointment rubbed over the regions of the stomach and liver, aided by the internal administration of his Pills, will rectify the digestion, regulate the bile, and purify the blood—three sanatory actions which will speedily confer renewed vigour, brace up the failing nerves, confirm the flaccid muscles, and restore to the ailing cheerfulness, that great charm of existence.

Mothers! Mothers!! Mothers!!!

Are you disturbed at night and broken of your rest by a sick child suffering and crying with the excruciating pain of cutting teeth? If so, go at once and get a bottle of Mrs. Winslow's Soothing Syrup. It will relieve the poor little sufferer immediately—depend upon it; there is no mistake about it. There is not a mother on earth who has ever used it, who will not tell you at once that it will regulate the bowels, and give rest to the mother, and relief and health to the child, operating like magic. It is perfectly safe to use in all cases, and pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States. Sold everywhere at 25 cents a bottle.

HALL'S
Vegetable Sicilian
HAIR RENEWER

was the first preparation perfectly adapted to cure diseases of the scalp, and the first success ful restorer of faded or gray hair to its natural color, growth, and youthful beauty. It has had many imitators, but none have yet fully met all the requirements needful for the proper treatment of the hair and scalp. HALL'S HAIR RENEWER has steadily grown in favor, and spread its fame and usefulness to every quarter of the globe. Its unparalleled success can be attributed to but one cause: *the entire sufficiency of its promises.*

The proprietors have often been surprised at the receipt of orders from remote countries, where they had never made an effort for its introduction.

The use for a short time of HALL'S HAIR RENEWER wonderfully improves the personal appearance. It cleanses the scalp from all impurities, cures all humors, fever, and dryness, and thus prevents baldness. It stimulates the weakened glands, and enables them to push forward a new and vigorous growth. The effects of this article are not transient, like those of alcoholic preparations, but remain a long time, which makes its use a matter of economy.

MANHOOD:
HOW LOST, HOW RESTORED.

We have recently published a new edition of Dr. Culverwell's Celebrated Essay on the radical and permanent cure (without medicine) of Nervous Debility, Mental and Physical Incapacity, Impediments of Marriage, etc., resulting from excesses.

Price, in a sealed envelope, only 6 cts. or two postage stamps.

The celebrated author, in this admirable Essay, clearly demonstrates, from thirty years' successful practice, that alarming consequences may be radically cured without the dangerous use of internal medicines or the use of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This Lecture should be in the hands of every youth and every man in the land.
