Andrew Wilson Dead

The citizens of Flesherton will regret very much to learn of the death of a former resident of Flesherton, in the person of Andrew Wilson, at his home in the West. About fifteen years ago Mr. Wilson and family left for the West after conducting barber business here for a number of years. Mr. Wilson was also the capable leader of the Flesherton Citizen's Band which was in a very flourishing

THE LATE ANDREW WILSON

condition at that time. Mrs. Wilson and family have the sympathy of the community in their great loss. The following report of his death was in the Weyburn Review of November 18th:

A death is chronicled this week in the passing of Andrew Wilson of Maxim, at the age of sixty one years, who died on Thursday, Nov. 12th. He was born at Markham, Ont. on April 11, 1864. Bringing their family of 2 sons and 2 daughters, Mr. and Mrs. Wilson came west fourteen years ago, first to Radville, where they lived for a year, and then settled at Maxim where they started a general store which they have conducted for thirteen years. Mr. Wilson was made postmaster a year later when mail was brought into the district from Colgate twice a week before the C.P.R. built the branch line. He was also a justice of the peace in and for the province of Saskatchewan for the last ten years. Owing to poor health he sold his business about five weeks ago to James Graham of Napinka and he and Mrs .Wilson intended taking a trip to visit their children at various points in the States also to their old home in Ontario when he suddenly took ill three weeks ago and gradually grew weaker until the end. He is survived by his widow, two daughters, Mrs. Jennie McLeod, formerly of Weyburn, now of Detroit, and Mrs. Elizabeth Roache of Chicaga and two sons, William, of Detroit and George at Maxim. The sincere sympathy of the entire community is extended to them in their bereavement. Funeral services were held at the former home at 11 a.m. on Saturday, after which the body was taken to Weyburn and shipped to Toronto for burial. His widow and son, George, accompanied the remains east.

LADY M.P. PRESENTS PICTURES TO SCHOOLS

Recently Mr. T. W. Findlay delivered to Miss Agnes C. Macphail, M.P., a number of beautiful pictures which he had framed and which are to be presented to several schools in Grey County. The pictures have been on exhibition in the Department of Agriculture at Markdale. There are 19 of them and they are to be presented to the school in each of the 19 school fairs, winning the greatest number of points in proportion to the number of pupils enrolled. The total points have not been figured out for all the fairs owing to the rush of fall work but it is hoped that inside of another week the schools winning will receive their picture.

The pictures are actual photographs about 18 inches square, of some beautiful spots in Canada. Most of them are of Rocky Mountain scenery with a picture of a couple of buffalo and another of mountain goats. These were given to Miss Macphail by the Parks branch and the framing was done by Mr. Findlay, being paid for by Miss Macphail.

The pictures are indeed most exceptional and should prove quite an acquisition to any school room which in many instances are not furnished with pictures which teach the children anything of their own beautiful Canada or inspire them with a love for the land of their nativity.

Mrs. W. A. Armstrong and Miss Marie Patton are in Toronto this week attending a C.G.I.T. convention.

Don't forget Saturday next, December 5th, is the day of the big bazaar in Clayton's Hall.

The Late Mrs. J. Stuart

Another of our esteemed pioneers of Grey County has answered the inevitable call. The death of Ellen Fawcett, widow of the late James Stuart, occurred at Kimberley at the home of her daughter, Mrs. W. T. Ellis, after a short illnes on Thursday morning, November 19th.

The late Mrs. Stuart was born in Euphrasia township in 1850 and in the year 1867 she married the late James Stuart and were among the first settlers in the valley, and made a home for themselves on the townline of Euphrasia and Artemesia, where they lived for many years. Thd union was blessed with eight children, seven sons and one daughter all of whom survive and were present to pay their last respects to a kind and loving mother. In 1887 Mr. and Mrs. Stuart, with their family, moved to their farm one mile south of Kimberley and later in 1910 they retired and lived in the village.

On February 28th, 1918 the very happy occasion of their golden wedding was held at the home of their son, J. A. Stuart, at Kimberley.

Mrs. Stuart's Christian character and kindly nature won for her the love and respect of all who were privileged to know her, and her many kind and loving acts shall not soon be forgotten. She was a life long member of the Methodist church.

Interment took place at Markdale on Saturday, November 21st. A very impressive service was conducted by her pastor, Rev. Mr. Ellison, at the home of her daughter, with whom she resided since the demise of her husband, who predeceased her on May 24th, 1923. Members of the family who mourn the loss of this devoted mother are: Wm. and Geo. of Powassan, John of Burks Falls, Charles of Rosseau, Fred of Flesherton, Robert of Thornbury, J. A. and Mrs. W. T. Ellis of Kimberley, also thirty-seven grandchildren and sixteen great grandchildren.

Servant of God, well done!
Thy glorious warfare's past,
The battle's fought, the race is won
And thou art crowned ta last."

Mrs. M. Thistlethwaite left Tuesday to spend the winter months with her daughter in Toronto.

Had His Ankle Broken

An unfortunate accident occurred to Mr. George Beecroft of the East Back Line, Artemesia, on Thursday of last week which resulted in the bones in one of his ankles being broken. He was cutting down some sapplings on his property on the mill road when two of them became lodged in another tree. We understand that it was when he was chopping down the third tree and he misjudged the way the tree was to fall and slipped the trees hitting him when he fell. He was taken to his home and later to the Owen Sound hospital by his son, John, who was in the district, for expert treatment. The injured man is doing as nicely as can be expected. The sapplings fortunately were small ones otherwise the accident might have had a more serious turn.
