THURSDAY MORNING, FEBRUARY 24, 1887.

NEW EVERY MORNING.

Every day is a fresh beginning.
Every morn is a world made new;
You who are weary of sorrow and sinning,
Here is a beautiful hope for you;
A hope for me and a hope for you.

All the past things are past and over,
The tasks are done and the tears are shed;
Yesterday's errors let yesterday cover;
Yesterday's wounds which smarted and bled,
Are healed with the healing which night has shed.

Yesterday now is a part of forever,
Bound up in a sheaf which God holds tight,
With glad days and sad days and bad days which never
Shall visit us more with their bloom and their blight,
Their fulness of sunshine or sorrowful night.

Let them go since we cannot relieve them,
Cannot undo and cannot atone;
God in his mercy receive, forgive them,
Only the new days are our own,
To-day is ours and to-day alone.

Here are the skies all burnished brightly,
Here is the spent earth all re-born,
Here are the tired limbs springing lightly
To face the sun and to share with the morn
In the chrism of dew and the cool of dawn.

Every day is a fresh beginning;
Listen, my soul, to the glad refrain,
And spite of old sorrow and older sinning,
And puzzles forecasted and possible pain,
Take heart with the day, and begin again.

—*Susan Coolidge.*

"Revenge is Sweet!"

HOW AN OLD SCOTCHMAN RETALIATED ON A NOTED LAWYER.

Lately an eminent lawyer who had been fishing in a district far removed from any place where he could get refreshed, stopped at a small house by the roadside on his way home, and thus addressed an old man who came to the gate:—"How are you, old man?" "Geyan weel, sir, thanky. Hoo's a' wi' ye?" "I am hot, hungry, thirsty and tired; can you give me anything?" "I could, but I winna." "Can't you give me some water?" "Na, na; not for Joe!" "I see that you have a well there?" "Oo, ay! the well's a' richt eneuch." "Then why can't I get some water?" "Luik here, my bejeweled freen, ye think I dinna ken ye, but ye're mista'en. I was aince a witness at the Circuit Coort, an' ye cross questioned me an' abused me, an' tried to catch me in a lee, but ye didna succeed then, an' ye winna get what ye want noo aither. I've bed it in for ye ever since that time, an' if ye get ony water oot o' that well it'll be aifter ane o' the teuchest fechts mortal ever had." The "fecht," it may be added, did not come off.

WINTER SNAPS.

Tamarac

Is not an ordinary mixture. In fact its properties are entirely different from any preparation used for Coughs, Colds, Throat and Lung Troubles.

Worms derange the whole system. Mother Graves' Worm Exterminator destroys worms, and gives rest to the sufferer. It only costs twenty-five cents to try it and be convinced.

Babies and Children.

They are always catching cold in the head. Place a small particle of Nasal Balm in each nostril at night, also rub well over the bridge of the nose, and let us know how they are in the morning.

A lady writes: "I was enabled to remove the corns, root and branch, by the use of Holloway's Corn Cure." Others who have tried it have the same experience.

HIGH LIVING.

High living is unquestionably bad for the liver, but whether from that or other causes, the liver becomes deranged, the best cure for liver complaint or biliousness, is that standard medicine for sale by all druggists, Burdock Blood Bitters. Remember B. B. B. is the special trade mark of this medicine.

Ayer's Sarsaparilla is the best medicine for every one in the spring. Emigrants and travelers will find it an effectual cure for the eruptions, boils, pimples, eczemas, etc., that break out on the skin—the effects of disorders in the blood, caused by sea diet and life on board ship.

FROM MANITOBA.

In a letter from James Irwin, Beaver Creek, Manitoba, he says, "I was taken ill last summer with a very severe pain in my back. By using one bottle of Hagyard's Yellow Oil I was completely cured." Yellow Oil also cures lumbago, rheumatism and all external pains.

It is a good rule to accept only such medicines as, after a long trial, have proved worthy of confidence. This is a case where other people's experience may be of service, and it has been the experience of thousands that Ayer's Cherry Pectoral is the best cough medicine ever used.

AMONG THE INDIANS.

"While my husband was trading in furs he came across an Indian who was taken to his lodge to die. He had inward pains and pains in all his limbs. He gave some Yellow Oil internally and applied it externally, and cured him. It also cured my husband of rheumatism, and I find it valuable for coughs and colds, sore throat, etc." Mrs. A. Beaw, Cook's Mills, Serpent River, Ont.

C. C. Jacobs, Buffalo, N. Y., says: "Dr. Thomas' Eclectric Oil cured him of a bad case of piles of 8 years' standing, having tried almost every known remedy, "besides two Buffalo Physicians," without relief: but the Oil cured him; he thinks it cannot be recommended too highly.

PROHIBITION AND POLITICS.

The anti-liquor question is a strong plank in the political platform, and one safe to lay hold of. All intoxicating beverages are safest when let alone, even in medicine. Burdock Blood Bitters is not a bar beverage, but a strictly pure medicine, reliable for disease of the stomach, liver, bowels, kidneys and blood, and will not aid in making drunkards.

How He Married Again.

A clergyman, a widower, recently created quite a sensation in his household, which consisted of seven grown-up daughters. The reverend gentleman was absent from home for a number of days, visiting in an adjoining county. The daughters received a letter from their father which stated that he had "married a widow with six sprightly children," and that he might be expected home at a certain time. The effect of that news was a great shock to the happy family. The girls, noted for their meekness and amiable temperaments, seemed another set of beings; there was weeping and wailing and tearing of hair, and all manner of naughty things was said. The tidy home was neglected, and when the day of arrival came the house was anything but inviting. At last the gentleman came but he was alone. He greeted his daughters as usual, and as he viewed the neglected apartments, there was a merry twinkle in his eye. The daughters were nervous and evidently anxious. At last the eldest mustered courage and asked: "Where is our mother?" "In heaven," said the good man. "But where is the widow with six children whom you wrote you had married?" "Why, I married her to another man, my dears," he replied, delighted at the success of his joke.

Dangers of Delay.

If we were allowed to look into the future and see the fatal consequences that follow a neglected cold, how differently would our course be; could we realize our danger, how speedily we would seek a cure but with many it is only when the monster disease has fastened its fangs upon our lungs that we awaken to our folly. What follows a neglected cold? Is it not disease of the throat and lungs, bronchitis, asthma, consumption and many other diseases of like nature. It is worse than madness to neglect a cold, and it is folly not to have some good remedy available for this frequent complaint. One of the most efficacious medicines for all diseases of the throat and lungs is Bickle's Anti-Consumptive Syrup. This medicine is composed of several medicinal herbs, which exert a most wonderful influence in curing consumption and other diseases of the lungs and chest. It promotes a free and easy expectoration, soothes irritation and drives the disease from the system.

A GOOD NAME.

The best recommendation of anything is its popularity where it has been longest known. Through the Dominion of Canada there is no more effectual medicine for coughs, colds, hoarseness, sore throat, bronchitis and asthma, than Hagyard's Pectoral Balsam, for sale by druggists.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

Cholera and all summer complaints are so quick in their action that the cold hand of death is upon the victims before they are aware that danger is near. If attacked do not delay in getting the proper medicine. Try a dose of Dr. J. D. Kellogg's Dysentery Cordial, and you will get immediate relief. It acts with wonderful rapidity and never fails to effect a cure.

—If you want a nobby durable and cheap suit, go to J. Fyfe's, Acton.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in during Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

After years of suffering, persons who have vainly sought remedical help from other sources, have obtained the long desired relief from Northrop & Lyman's Vegetable Discovery and Dyspeptic Cure, which puts a stop to the torments of Dyspepsia, renews activity of the Bowels and Liver, relieves maladies incident to the gentler sex, and builds up failing health and strength, gives purity to the blood, and tone to the whole system.

—Go to J. Fyfe's, Acton, for your clothing. He can suit you for price, quality and style every time.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds," and is for sale by all Druggists at 25 cents a bottle.

Worth Thinking Of.

What Ayer's Cherry Pectoral does:—

It prevents the growth, to serious illness, of a dangerous class of diseases that begin as mere trivial ailments, and are too apt to be neglected as such.
It alleviates even the most desperate cases of pulmonary disease, and affords to the patient a last and the only chance for restoration to health.
It breaks up a cold, and stops a cough more speedily, certainly, and thoroughly than any other medicine.
It spares mothers much painful anxiety about their children, and saves the little ones' lives.
It cures all lung and throat diseases that can be reached by human aid.

How Ayer's Cherry Pectoral Does Such Good.

It expels the mucus from the throat and the air passages of the head, and cleanses the mucous membrane.
It allays inflammation, puts a stop to tickling in the throat and coughing, and enables the patient to rest.
It heals sore throat, reduces the swollen tonsils, and restores natural tone to the affected vocal cords.
It soothes to natural and refreshing slumber, during which Nature regains strength to combat disease.
It clears out and heals diseased air cells in the lungs, and helps Nature to repair the waste made by the corrosion of pulmonary disease.
It puts a stop to the cankerous decay of Catarrh.

Why Ayer's Cherry Pectoral is so Perfect a Medicine.

Because it is a scientifically ordered compound, of great potency, the product of years of study, observation, and experience in the treatment of throat and lung diseases.
Because it is prepared from the purest forms of the drugs employed in it, chemically combined by a process of such perfection and accuracy as would be unattainable, even by the most skillful pharmacist, dealing with small quantities.
Because it is not only the most effective medicine for the uses to which it is designed, but, owing to the enormous quantities in which it is made, is sold at so low a price that it is placed within the reach of every household.
Because it is an active curative agent, that must be taken by drops, as prescribed in the directions accompanying each bottle, and not a mere palliative syrup that may be swallowed by mouthfuls.

Where Ayer's Cherry Pectoral Stands Before the World.

It is popularly known to be a medicine that has cured laryngeal, bronchial, and pulmonary affections where all others had failed.
It is a favorite household remedy to-day with people whose lives were saved by it, when they were young, a generation ago.
It has held the first place in popular estimation for nearly half a century in this country, and is more and more highly appreciated, year after year, both at home and abroad.
It evokes daily, from all over the world, expressions of gratitude for lives saved by its use.
It is everywhere recommended by reputable druggists, who know, from conversations with their patrons, and from their own experience, how almost magical are its effects for good.
It is regularly prescribed by many physicians of the best standing, and is recommended by Professors of Medical Colleges, to their students, as invaluable for all diseases of the throat and lungs.

PRIDE OF THE VALLEY.

Yes. Pride of the Valley—that is the name of the medicine. It cured me of dyspepsia. First, I bought a sample package for 25c; then, five packages for $1; and before I had taken the contents of four packages I was entirely well. Have never felt the symptoms since; that was four years ago. I also bought a bottle of Pride of the Valley Liniment last spring for my hired man, who sprained his ankle so badly he could not bear his weight on it. After using Pride of the Valley Liniment for 24 hours he was able to go to work as well as ever. And what is the name of that other Medicine? Why, Pride of the Valley Catarrh and Rheumatic Cure! That is the greatest known remedy in the world for the cure of Catarrh; not an inhaler, but the Medicine is to be taken internally once a day. It strikes at the root of the disease and removes the cause at once, as thousands will testify that have used the Catarrh remedy. The three above remedies go hand in hand. And where can I get them? At L. G. MATTHEWS', Acton, Ont. Also at all first-class Medicine dealers in Canada. Manufactured by PROF. A. M. SHIMEVER, LONDON, ONT.
