The Young Folks.

A REGULAR BOY.

He was not at all particular
To keep his perpendicular,
While walking, for he either skipped or jumped.
He stood upon his head awhile,
And, when he went to bed awhile,
He dove among the pillows, which he thumped.

He never could keep still a bit;
The lookers-on thought ill of it;
He balanced on his ear the kitchen broom;
And did some neat trapezing,
Which was wonderfully pleasing,
On every peg in grandpa's harness room.

From absolute inanity,
The cat approached insanity
To see him slide the banisters, so rash;
But once on that mahogany,
While trying to toboggan, he
Upset his calculations with a crash!

And since that sad disaster
He has gone about in plaster—
Not of Paris, like a nice Italian toy;
But the kind the doctor uses,
When the bumps and cuts and bruises
Overcome a little regular live boy!

MAKING AN AFTERNOON CALL WITH TOMMY.

As a reward for having been a good boy for nearly an hour Mrs. Whyte took her little son Tommy with her the other afternoon when she went to return a call she had long owed Mrs Greene.

Mrs. Greene had a little boy of about Tommy's age, but he was by no means a boy so fertile in expedients when it came to getting into mischief and making other people miserable.

Little Hall Greene was out when the callers first arrived. Mrs. Whyte said:

Oh, Mrs. Greene, I'm very glad to see you. I have intended calling this long time, but really could not sooner. I hope you'll excuse me for bringing my little Tommy with me. He—"

"Why, certainly," cries Mrs. Greene, "I'm delighted to see you both. It seems so much less formal to have you just run in this way with your little boy. How do you do, my little man?"

"Shake hands with the lady, Tommy."

"Don't want to," says Tommy, hanging back.

"Why, Tommy, I am ashamed of you. Go and speak to the lady."

"I don't want to."

"You're not afraid of me, are you, my dear?" asks Mrs. Greene. "I like little boys. Hall will be in presently, and you can play with him."

"And he'll shake hands with me, I know," said Mrs. Whyte. "Mamma never will take you any place again; now sit still. How do you do this winter, Mrs. Greene? I heard that—Tommy, let that book alone."

"He won't hurt the book. I'm quite well and—be careful, little boy, that small table upsets easily."

"Tommy! Go away from that table. Yes, I heard that you had been quite ill, and—Tommy, Tommy, put that vase down."

"I was sick, but—I wouldn't rock so far back in that chair, little boy; it tips over easily."

"Tommy, get out of that chair! Yes I knew that you—Tommy, stop drumming on that piano."

"Yes, I was afraid at first that—I wouldn't try to close that screen, my dear; it will fall on you."

"Why, Tommy, what are you doing! Don't touch that screen again. Mamma is so ashamed of you! Did you really have a touch of typhoid fever? I heard—Tommy Whyte, what are you doing pulling that table drawer out? Let it alone. I had typhoid fever once, and—Tommy Whyte, what do you mean by standing on that plush chair with your dirty boots? Get right down. There! over goes the chair. I declare I—as I was saying, Mrs. Greene, when I was sick I—don't whirl around so on that piano stool, Tommy."

Master Hall here appears and the fun begins in earnest. Their Modoc-like performances bring the call to a speedy termination, and the ladies part, each agreeing that the other's boy is the "very worst youngster that ever lived and breathed."—*Detroit Free Press.*

WORDS OF WISDOM.

Reason and experience both forbid us to suppose that personal morality can be maintained without religion, or national morality to the exclusion of the religious principal.—*Washington.*

Cause and effect: When one has his picture taken he is told to look natural. Possibly this is why so many photographs seem to be portraits of naturals.—*Boston Transcript.*

Waters may rise as high as they fall. Whatsoever action hath God for its author hath God its center. A circular line has its ending where it and its ending where it had its beginning.

Ugliness of the right sort is a kind of beauty. It has some of the best qualities of beauty—it attracts observation and fixes the memory.—*Jean Ingelow.*

The popular idea of an anarchist is that of a man who is liable to take any thing valuable that comes in his way, except a bath.

In Brief And to the Point.

Dyspepsia is dreadful. Disordered live misery. Indigestion is a foe to no good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be, have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the forerunner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Dr. Low's Pleasant Worm Syrup—An agreeable, safe and effectual remedy to remove all kinds of worms.

For rough conditions of the Skin, Shampooing the head, Pimples, Eruption and Skin Diseases, use Prof. Low's Sulphur Soap.

Freeman's Worm Powders destroy and remove worms without injury to adult or infant.

Obstruction of the Stomach, Liver and Bowels, are promptly removed by National Pills.

A Family Friend.

Dear Sir,—We have used Hagyard's Yellow Oil for sore throat and colds, and always can depend on it to cure. We also use it for sore shoulders on our horses. Mrs. Wm. Highly, Wilberforce P.O., Ont.

James H. Gilmour, of T. Gilmour & Co. Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Prevailing Sickness.

Rheumatism, Neuralgia, Sore Throat, Inflamations and Conjestions are most prevalent this season of the year. Hagyard's Yellow Oil is the best external and internal remedy for all these and other troubles.

The extraordinary popularity of Ayer's Cherry Pectoral is the natural result of its use by intelligent people for over forty years It has proven itself the very best specific for colds, coughs, and pulmonary complaints.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

Making Sure.

There are many people who adopt health and diet rules when attacked by disease of the stomach, liver or bowels, this is quite right, but those who add to this treatment the use of B.B.B. according to directions, make sure of being quickly and easily cured.

The coughing and wheezing of persons troubled with bronchitis or the asthma is excessively harassing to themselves and annoying to others. Dr. Thomas' Eclectric Oil obviates all this entirely, safely and speedily.

Be on Your Guard.

Don't allow a cold in the head to slowly and surely run into catarrh, when you can be cured for 25c. by using Dr. Chase's Catarrh Cure. A few applications cure insipient catarrh; 1 to 2 boxes cures ordinary catarrh; 2 to 5 boxes is guaranteed to cure chronic catarrh. Try it. Only 25c. and sure cure.

Mother Graves' Worm Exterminator is pleasant to take; sure and effectual in destroying worms. Many have tried it with excellent results.

Thankful.

Some time ago being very greatly troubled with colds and coughing, I went to the drug store and got Hagyard's Pectoral Balsam. In a short time I was well. I have found it a sure cure and am thankful that I used it, and now would not be without it. E. A. Schaefer, Berlin, Ont.

F. H. Earl, West Shefford, P. Q., writes: "I have been troubled with Liver Complaint for several years, and have tried different medicines with little or no benefit, until I tried Dr. Thomas' Eclectric Oil which gave me immediate relief, and I would say that I have used it since with the best effect. No one should be without it. I have tried it on my horse in cases of Cuts, Wounds, etc., and I think it equally as good for horse as for man."

How To Save Money.

Always buy the best because it is the cheapest in the end, and not only is Burdock Blood Bitters the best medicine known for all chronic diseases of the Stomach, Kidneys, Liver and Blood, but it is really the cheapest as it needs less to cure and cures more quickly than any other remedy.

Sleeplessness is due to nervous excitement. The delicately constituted, the financier, the business man, and those whose occupation necessitates great mental strain or worry, all suffer less or more from it. Sleep is the great restorer of a worried brain, and to get sleep cleanse the stomach from all impurities, with a few doses of Parmelee's Vegetable Pills, gelatine coated, containing no mercury, and are guaranteed to give satisfaction or the money will be refunded.

Our Best Physicians and Chemists

Certify that Imperial Cream Tartar Baking Powder is made from pure Crystal Cream Tartar and English Soda and is by far the best known. Sold by all grocers.

The face wears a yellowish hue, pimples appear upon it, sick headaches, vertigo, morning nausea, and pains in back, side and shoulder blade, are experienced when bile enters the system and poisons the blood. Expel it from the circulation, and direct it into its natural channel, the bowels, with North'rop & Lyman's Vegetable Discovery and Great Blood Purifier, which has widely superseded mineral drugs having a dangerous reaction. Indigestion, Constipation, Impurity of the Blood, and Kidney Complaints are entirely overcome by its use.

Rest and Comfort to the Suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quicken the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent, post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

A Sad Prospect.

How many weary broken down invalids there are to whom life is burdensome and whose prospect is sad indeed. The nervous debility and general weakness of those afflicted with lingering disease is best remedied by the invigorating and restoring properties of B. B. B.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 50,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

MANHOOD

How Lost. How Restored.

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical Cure of Spermatorrhœa or Seminal Weakness, Impotency, Premature Decay, Nervous Debility, Nocturnal Emissions, Sexual Incapacity, Impediments to Marriage, Consumption, Epilepsy and Fits, induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty-years successful practice, that the alarming consequences of early error may be radically cured. He points out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
