MARY'S LAMB IN FIVE LANGUAGES.

I.

Mary had a little lamb,
Its fleece was white as snow,
And everywhere that Mary went,
The lamb was sure to go.

II.

Ze wool was blanche as ze snow,
And everywhere la Marie went,
Le jeune mouton was sure to go.

III.

Wenn ich ein Lämmchen Mary hatte,
Hi wooe ich weiss wie ein Schnee,

A MUSICAL TREAT.

Some years ago a musical entertainment of some note was given in the city of Raleigh, N. C. The *Biblical Recorder*, then brilliantly edited by Brother John H. Mills sharply criticized the performance. The musical director, we believe, undertook the perilous task of replying to Brother Mills in the *Recorder*, and, in the course of his reply, said that the music was better than the editor could have produced. The editorial rejoinder was crushing: "Our correspondent's statement is true, but irrelevant. All the grocers in Raleigh could not together produce one egg; but there is not a grocer of them who is not a better judge of eggs than any egg in Wake County." This has always struck us as one of the keenest, neatest and most exhaustive repartees that we ever read.—*Richmond Religious Herald.*

GUARD YOUR CONDUCT.

It is said that among the high Alps, at certain seasons, the traveller is told to proceed quietly; for on the steep slopes overhead the snow lings so evenly balanced that the sound of a voice or the report of a gun may destroy the equilibrium, and bring down an immense avalanche that will overwhelm everything in ruin in its downward path. And so about our own way there may be a soul in the crisis of its moral history trembling between life and death, and a mere touch or shadow may determine its destiny. A young lady, who was deeply impressed with the truth, and was ready, under conviction of sin, to ask: "What must I do to be saved?" Half all her solemn impressions dissipated by the unseemly jesting of a member of the church by her side as she passed out of the sanctuary. Her irreverent and worldly spirit cast a repellant shadow on the young lady to her from the kingdom of God. How important that we should always and everywhere walk worthy of our high calling as Christians.—*T. Sixth.*

In Brief And to the Point.

Dyspepsia is dreadful. Disordered liver miserably. Indigestion is a foe to no good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

If there is any thing that a man has earned who accumulates a fortune by honest enterprise and industry, it is the right to make each disposal of it as his sane mind desires. The disposition of selfish heirs to thwart this purpose is one of the most aggravating accompaniments of wealth. Where there is any danger of this it behooves a man to be the executor of his own will—in advance. In addition to doing good, he will then get the satisfaction of seeing it accomplished.

Rest and Comfort to the suffering.

"Brown's Household Panacea" has no equal for relieving pain, both internal and external. It cures Pain in the Side, Back, or Bowels, Sore Throat, Rheumatism, Toothache, Lumbago and any kind of a Pain or Ache. "It will most surely quick en the Blood and Heal as its acting power is wonderful." "Brown's Household Panacea," being acknowledged as the great Pain Reliever, and of double the strength of any other Elixir or Liniment in the world, should be in every family handy for use when wanted, "as it really is the best remedy in the world for Cramps in the Stomach, and Pains and Aches of all kinds, and is for sale by all Druggists at 25 cents a bottle.

The inestimable value of Ayer's Sarsaparilla as a blood-purifier should be known to every wife and mother. It corrects irregularities, gives tone and strength to the vital organs, and cleanses the system of all impurities. The best family medicine.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time, becomes, when left to itself, the forerunner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grapes this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to direction.

From Morefane, Man.

Mr. Joseph Clark, writes—"All last winter I was to bed with inflammatory Rheumatism that I was not expected to live. I used no other medicine but Burdock Blood Bitters and can now get around again feeling better than I ever was before I was taken sick. And I owe it all to Burdock Blood Bitters."

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the Paragraphs of the Day.

Dangerous fits are often caused by worms. Freeman's Worm Powders destroy worms.

Arouse the liver when torpid with National Pills, a good anti-bilious carthartic, sugar-coated.

All well pleased.—The children like Dr. Low's Pleasant Worm Syrup and parents rejoice over its virtues.

[illegible] And Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia, purify the blood, cleanse the system of the clogged secretions by using Meacham's Mandrake Mixture, prepared by J. B. Meacham, 133 Yonge street, a chemist of nineteen years experience.

It is the principal, and not the manners, that makes the man. The principal is the mainspring; the manners are only the figures on the dial.

Broken Down.

"After suffering with Dyspepsia, Kidney Disease, loss of appetite and pain in the head until discouraged, I heard of Burdock Blood Bitters, took two bottles and am feeling as well as ever." Mrs. Rufus E. Merry, New Albany, N. S.

Cold, cough, coffin is what philosophers term "a logical sequence." One is very liable to follow the other; but by curing the cold with a dose of Ayer's Cherry Pectoral, the cough will be stopped and the coffin not needed—just at present.

Indelibly True.

"I have used Dr. Fowler's Extract of Wild Strawberry and found it a sure cure for summer complaint. I was very sick and it cured me entirely." Alexander W. Grant, Moose Creek, Ont.

Is there anything more annoying than having your corn stepped upon? Is there anything more delightful than getting rid of it? Holloway's Corn Cure will do it. Try it and be convinced.

A Fact Worth Remembering.

Mr. Jas. Binnie, of Toronto, states that his little baby when three months old was so bad with summer complaint that under doctor's treatment her life was despaired of. Four doses of Dr. Fowler's Extract of Wild Strawberry cured her.

One of the greatest surprises to the English public at the Colonial Exhibition in London was the extensive and artistic display of Memorial Windows and household Stained Glass from the celebrated McCausland & Son, Toronto. The Prince of Wales and thousands of others openly expressed their surprise and delight in the specimens of glass works.

"What ails you?" You don't know? Then why don't you try

Warner's Safe Cure?

Oh, my! Kidneys are all right! "Are they?" You perhaps don't know that *Constipation, Neuralgia, Rheumatism, Stomach Disorders, Malaria, Chills and Fever and Ague, Headaches, Liver Disorders, Impaired Eye Sight, Constipation, Abscesses, Eruptions, Impotency, Lame Back, Lumbago, Boils, Carbuncles*, and, among women, *Female Complaints* prevail mostly among people who, like yourself, insist that they have no kidney disease! They have and don't know it. You will never get well of the above and countless other common disorders, which would never prevail if the Kidneys were all right, unless you restore the unsuspected disordered Kidneys by that great blood tonic and purifier,

Warner's Safe Cure.

Overflow.

Throw all the unwholesome Baking Powders overboard and use only the Imperial Cream Tartar Baking Powder.

James H. Gilmour, of T. Gilmour & Co., Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

A Distressing Disease.

"I wish to give my testimony in favor of Burdock Blood Bitters. I had been troubled with Erysipelas and was induced to try this valuable medicine. I have used three bottles and am now as well as ever." Mrs. L. Finch, Clear Creek, Ont.

C. A. Livingstone, Platteville, Ont., says: "I have much pleasure in recommending Dr. Thomas' Eclectric Oil, from having used it myself, and having sold it for some time. In my own case I will say for it that it is the best preparation I have ever tried for rheumatism.

Well Tested.

"I was nearly dead with Cholera Morbus, one bottle of Extract of Wild Strawberry cured me, and at another time I was so bad with summer complaint that I thought I would never get over it, when two bottles cured me." Mrs. E. Askett, Peel, Ont.

ADVICE TO MOTHERS.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "MRS. WINSLOW'S SOOTHING SYRUP," and take no other kind.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the *Third page* of that paper. The charge is Two Cents a word each insertion. Address The Mail, Toronto, Canada.

Mecham's Beef, Iron and Wine.

If you are languid and weak, and your appetite poor, try Beef, Iron and Wine as the tonic, be sure.

As an invigorating tonic it is recognized by the Medical Profession as the best strengthening medicine thus far produced. It is invaluable as a blood-and-muscle maker, especially in those cases where weakness is the result of imperfect or infood, of wasting fevers or excess of any sort. It contains the nutriment of Beef, the stimulant properties of Wine and the tonic powers of Iron, and is admirably calculated to build up the emaciated system.

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

For nettle rash, Summer Heat, Eruptions and general purposes use Low's Sulphur Soap.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 50,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Out of Sorts.—Symptoms, Headache, loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develope into acute disease. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of Parmelee's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

Long-Standing

Blood Diseases are cured by the persevering use of Ayer's Sarsaparilla.

This medicine is an Alterative, and causes a radical change in the system. The process, in some cases, may not be quite so rapid as in others; but, with persistence, the result is certain. Read these testimonials:—

"For two years I suffered from a severe pain in my right side, and had other troubles caused by a torpid liver and dyspepsia. After giving several medicines a fair trial without a cure, I began to take Ayer's Sarsaparilla. I was gradually benefited by the first bottle, and after taking five bottles I was completely cured."—John W. Benson, 70 Lawrence st., Lowell, Mass.

"Last May a large carbuncle broke out on my arm. The usual remedies had no effect and I was confined to my bed for eight weeks. A friend induced me to try Ayer's Sarsaparilla. Less than three bottles healed the sore. In all my experience with medicine I never saw its equal."—Mrs. Carrie Adams, Holly Springs, Texas.

"I had a dry scaly humor for years, and suffered terribly; and, as my brother and sister were similarly afflicted, I presume the malady is hereditary. Last winter, Dr. Tyson, of Pittsburgh, Penn., recommended me to take Ayer's Sarsaparilla, and continue it for a year. For five months I took it daily. I have not had a blemish upon my body for the last three months."—T. B. Wiley, 111 Chambers st., New York City.

"Last fall and winter I was troubled with a dull, heavy pain in my side. I did not notice it much at first, but it gradually grew worse until it became almost unbearable. During the latter part of this time, disorders of the stomach and liver increased my troubles. I began taking Ayer's Sarsaparilla, and, after faithfully continuing the use of this medicine for some months, the pain disappeared and I was completely cured."—Mrs. Augusta A. Furbush, Haverhill, Mass.

Wonderful Results.

Another marked effect of the use of this medicine was the strengthening of my sight."—Mrs. Carrie Adams, Holly Springs, Texas.

MANHOOD

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or Impotency, Induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from a thirty years successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.
