The Young Folks.

BY AND BY.

By and by the path shall brighten,
And its outlines rise to view;
As the moving mists shall lighten,
And dimmed the evening dew:
Then the gems of gold shall glisten,
In the cloud-supported sky;
While the soul shall look and listen,
By and by, yes, by and by.

By and by a fringe of beauty
Shall appear beyond the line,
Where the upward path of duty
Meets and melts in love divine,
There the Lord shall rise in glory,
Through the star-depths drawing nigh;
Crowning thus Redemption's story,
By and by, yes, by and by.

By and by shall come the ringing
Of the music from the throne,
As the seraphs in their singing
Chant the marvels they have known;
And the azure heights shall thunder
With the chorals of the sky;
Till the soul shall wait and wonder,
By and by, yes, by and by.

By and by the city golden
Shall in broad perspective stand;
All its massive bulk upholden
In the hollow of God's hand;
Then the templed heights shall glisten,
Near the throne exalted high;
While the soul shall look and listen,
By and by, yes, by and by.

MARKING GOODS AT ODD PRICES.

It has become a frequent custom among dealers to mark their goods at some odd prices, such as 23, 47 or 98 cents. Said a Broadway dealer the other day: "You would be surprised to see how much of an inducement these markings are to purchasers. The return of two or three cents in change seems a small matter, but long observation has taught me that many a person will buy an article for 23 cents, for example, which he would not buy if it were marked 25 cents." The principle also extends to comparatively high priced goods, which are often marked a certain number of dollars and an odd number of cents. The odd price is almost invariably so fixed as to be slightly less than the value of some coin in common use, the idea being to tempt the purchaser by the return of the small amount of change.—*New York Sun.*

JOKES OF COLLEGE STUDENTS.

Cornell students and Jeremy Smith, a neighboring land owner, are again on the war path. The bone of contention is the right way over Smith's pond. This right has been contested every year for some years past. Once in a while the body of water is "tapped" at the sluice way. Smith is very particular how the students shall pass his domain in coming to the campus. The students are not. This leads to threats on one side, and practical jokes on the other. The trouble began in the side hill potato field of Mr. Smith. His wagon started off aimlessly toward the bank. No one was in sight, but a crowd of concealed students were hauling a rope. While Mr. Smith went to the rescue of his wagon, some students attached a long wire to the plow and led it astray. By the time the plow and the wagon were corralled, the buggy was observed disappearing over the edge of the bank. The irate proprietor followed a suspected student to recitation, and demanded an introduction to the teacher. The student introduced him to an older student as Professor Jenkins, who exhibited all kinds of righteous indignation, and promised, if necessary, to expel the whole freshman class.—*The Argonaut.*

In Brief And to the Point.

Dyspepsia is dreadful. Disordered live misery. Indigestion is a foe to no good nature.

The human digestive apparatus is one of the most complicated and wonderful things in existence. It is easily put out of order.

Greasy food, tough food, sloppy food, bad cookery, mental worry, late hours, irregular habits, and many other things which ought not to be have made the American people a nation of dyspeptics.

But Green's August Flower has done a wonderful work in reforming this sad business and making the American people so healthy that they can enjoy their meals and be happy.

Remember:—No happiness without health. But Green's August Flower brings health and happiness to the dyspeptic. Ask your druggist for a bottle. Seventy-five cents.

There is a machine in the bank of England which receives sovereigns, as a mill receives grain, for the purpose of determining wholesale whether they are full weight. As they pass through, the machinery, by unerring laws, throws all that are light to one side, and all that are full weight to another. That process is a silent and solemn parable for me. Founded as it is on the laws of nature, it affords the most vivid similitude of the certainty which characterizes the judgement of the great day. There are no mistakes or partialities to which the light may trust; the only hope lies in being standard weight before they go in.—*Wm. Arnot.*

Cause And Effect.

Many persons wonder at the tired, worn and weary feeling that oppresses them without any apparent cause. It may be poverty of the blood or a disordered stomach; in either case the stomach, blood and liver are not performing their regular functions and, with many persons, they will follow a dull, heavy headache, nausea and many other symptoms that precede a well developed case of Dyspepsia, purify the blood, cleanse the system of the clogged secretions by using Meacham's Mandrake Mixture, prepared by J. B. Meacham, 143 Yonge street, a chemist of nineteen years experience.

The word "pattern" in original is expressive—a pattern from which endless copies may be taken. You have heard of stereotype printing; when the the types are set up they are cast—made a fixed thing, so that from one plate you can strike off thousands of pages in succession without the trouble of setting up the types again. Paul says: "That I might be a plate never worn out—never destroyed; from which proof impressions may be taken to the very end of time." What a splendid thought; that the apostle Paul, having portrayed himself as having received forgiveness for a grand and specific end, that he might be a standing plate, from which impressions might be taken forever, that no man might despair who had read his biography.—*Dr. Cumming.*

If you want to buy or sell a Farm, advertise in the Toronto *Weekly Mail*. That paper reaches 100,000 Farmers' homes every week, and your advertisement should meet the eye of someone who wants to purchase. Advertisements of this class are inserted in the Toronto *Weekly Mail* for Five Cents a word each insertion, or Twenty Cents a word for five insertions. Address The Mail, Toronto, Canada.

JINGLES AND JOKELETS.

Half an Hour With the Wise Men, the Wits and the paragraphs of the Day.

Dangerous fits are often caused by worms. Freeman's Worm Powders destroy worms.

Arouse the liver when torpid with National Pills, a good anti-bilious cathartic, sugar-coated.

All well pleased.—The children like Dr. Low's Pleasant Worm Syrup and parents rejoice over its virtues.

It is the principal, and not the manners, that makes the man. The principal is the mainspring; the manners are only the figures on the dial.

James H. Gilmour, of T. Gilmour & Co., Wholesale Grocers, Brockville, says—I have used Tamarac Elixir for a severe cold and cough, which it immediately relieved and cured.

Ayer's Hair Vigor has long held the first place, as a hair dressing, in the estimation of the public. Ladies find that the preparation gives a beautiful gloss to the hair, and gentlemen use it to prevent baldness and cure humors in the scalp.

Indispensible

"I have used Dr. Fowler's Extract of Wild Strawberry for summer complaints and given it to my friends. It gives instant relief when all other remedies fail. I would not be without it in my house." Mrs. T. Boil, Weidman, Ont.

Words cannot express the gratitude which people feel for the benefit done them by the use of Ayer's Sarsaparilla. Long-standing cases of Rheumatism yeild to this remedy, when all others fail to give relief. This medicine thoroughly expels the poison from the blood.

A Sad Loss.

Loss of appetite and the attendant low spirits, dullness and debility, are of very frequent occurrence. Regulate the bowels and improve circulation and digestion by using Burdock Blood Bitters whenever these symtoms are present.

Everywhere one enquires in Toronto as to who is in reality the producer of the best Art Stained Glass in that city. The reply is unanously in favor Jos. McCausland & Son. All the finest residences in Toronto, and most of those throughout Canada, have delightful examples in some form or other.

Be Prepared.

Many of the worse attacks of cholera morbus, cramps, dysentery and colic come suddenly in the night and the most speedy and prompt means must be used against them. Dr. Fowler's Extract of Wild Strawberry is the remedy. Keep it at hand for emergencies. It never fails to cure or relieve.

If you feel languid and bilious, try Northrop & Lyman's Vegetable Discovery, and you will find it one of the best preparations for such complaints. Mr. S. B. Maginn, Ethel, used Northrop & Lyman's Vegetable Discovery, and cured a severe bilious sick headache which troubled him for a long time.

Dangerous Counterfeits.

Counterfeits are always dangerous, more so that they always closely imitate the original in appearance and name. The remarkable success achieved by Nasal Balm as a positive cure for Catarrh and Cold in the Head has induced unprincipled parties to imitate it. The public are cautioned not to be deceived by nostrums imitating Nasal Balm in name and appearance, bearing such names as Nasal Cream, Nasal Balsam, etc. Ask for Nasal Balm and do not take imitations dealers may urge upon you. For sale by all druggists or sent post-paid on receipt of price (50c and $1) by addressing Fulford & Co., Brockville, Ont.

The Third page of the Toronto *Daily Mail* is noted for "Want" advertisement. If you want to buy or sell anything. If you want a situation, a mechanic, a business, machinery, lodgings, if you have lost or found anything, or if you want to find out where anyone is, advertise in the Toronto *Daily Mail* and read the advertisements on the Third page of that paper. The charge is Two Cents a word each insertion. Address The Mail, Toronto, Canada.

Astonishing Success.

It is the duty of every person who has used *Boschee's German Syrup* to let its wonderful qualities be known to their friends in curing Consumption, severe Coughs, Croup, Asthma, Pneumonia, and in fact all throat and lung diseases. No person can use it without immediate relief. Three doses will relieve any case, and we consider it the duty of all Druggists to recommend it to the poor, dying consumptive, at least to try one bottle, as 80,000 dozen bottles were sold last year, and no one case where fairly was reported. Such a medicine as the *German Syrup* cannot be too widely known. Ask your druggist about it. Sample bottles to try, sold at ten cents. Regular size, 75 cents. Sold by all Druggists and Dealers, in the United States and Canada.

Advice to Mothers.—Are you disturbed at night and broken of your rest by a sick child suffering and crying with pain of Cutting Teeth? If so, send at once and get a bottle of "Mrs. Winslow's Soothing Syrup" for Children Teething. Its value is incalculable. It will relieve the poor little sufferer immediately. Depend upon it, mothers; there is no mistake about it. It cures Dysentery and Diarrhœa, regulates the Stomach and Bowels, cures Wind Colic, softens the Gums, reduces Inflammation, and gives tone and energy to the whole system. "Mrs. Winslow's Soothing Syrup" for children teething is pleasant to the taste, and is the prescription of one of the oldest and best female physicians and nurses in the United States, and is for sale by all druggists throughout the world. Price twenty-five cents a bottle. Be sure and ask for "Mrs. Winslow's Soothing Syrup," and take no other kind.

It is worse than madness to neglect a cough or cold which is easily subdued if taken in time becomes, when left to itself, the fore-runner of consumption and premature death. Inflammation, when it attacks the delicate tissue of the lungs and bronchial tubes, travels with perilous rapidity; then do not delay, get a bottle of Bickle's Anti-Consumptive Syrup, the medicine that grasps this formidable foe of the human body, and drives it from the system. This medicine promotes a free and easy expectoration, subdues the cough, heals the diseased parts, and exerts a most wonderful influence in curing consumption, and other diseases of the throat and lungs. If parents wish to save the lives of their children, and themselves from much anxiety, trouble and expense, let them procure a bottle of Bickle's Anti-Consumptive Syrup, and whenever a child has taken cold, has a cough or hoarseness, give the Syrup according to directions.

—Gentlemen, kindly call and examine Kelly Bros. spring suitings and pantings.

Meacham's Beef, Iron and Wine.

If you are languid and weak, and your appetite poor, my Beef, Iron, and Wine is the tonic, be sure.

As an invigorating tonic it is recognized by the Medical Profession as the best strengthening medicine thus far produced. It is invaluable as a blood-and-muscle maker, especially in those cases where weakness is the result of imperfect or infood, of wasting fevers or excess of any sort. It contains the nutriment of Beef, the stimulant properties of Wine and the tonic powers of Iron, and is admirably calculated to build up the emaciated system.

For nettle rash, Summer Heat, Eruptions and general purposes use Low's Sulphur Soap.

A Dying Wish

to try Burdock Blood Bitters is often expressed by some sufferer upon whom all treatment has failed. Marvelous results have often been obtained by the use of this grand restorative and purifying tonic under these circumstances.

Pope & Bitlau, Druggists, Cedar Rapids, Iowa, write: "We have never sold any medicine that gives such satisfaction to the seller as Dr. Thomas' Eclectric Oil. We can refer you to numbers that have used it for Diptheria with entire satisfaction and success."

An old Time Favorite.

The season of green fruits and summer drinks is the time when the worst forms of cholera morbus and bowel complaints prevail. As a safeguard, Dr. Fowlers' Extract of Wild Strawberry should be kept at hand. For 30 years it has been the most reliable remedy.

Much distress and sickness in children is caused by worms. Mother Graves' Worm Exterminator gives relief by removing the cause. Give it a trial and be convinced.

The next Total Eclipse of the Sun.

Visible in Canada will occur in Oct. 1st, 1888. Put this in your scrap book. Imperial Cream Tartar Baking Powder eclipses all others made. Absolutely Pure.

Wheezing, gasping sufferers from Asthma receive quick and permanent relief by using Southern Asthma Cure. Sold by all druggists or by mail on receipt of price.

Causing an Impression.

Many cures made by B. B. B. have been those of chronic sufferers known throughout the district through the very fact of their having been afflicted for years. This naturally creates a strong impression in favor of this valuable family medicine.

Out of Sorts.—Symptoms, Headache loss of appetite, furred tongue, and general indisposition. These symptoms, if neglected, develope into acute disease. It is a trite saying that an "ounce of prevention is worth a pound of cure," and a little attention at this point may save months of sickness and large doctor's bills. For this complaint take from two to three of Parmelee's Vegetable Pills on going to bed, and one or two for three nights in succession, and a cure will be effected.

—Ladies kindly read Kelly Bros. advertisement.

The Teacher

Who advised her pupils to strengthen their minds by the use of Ayer's Sarsaparilla, appreciated the truth that bodily health is essential to mental vigor. For persons of delicate and feeble constitution, whether young or old, this medicine is remarkably beneficial. Be sure you get **Ayer's Sarsaparilla.**

"Every spring and fall I take a number of bottles of Ayer's Sarsaparilla, and am greatly benefited."—Mrs. James H. Eastman, Stoneham, Mass.

"I have taken Ayer's Sarsaparilla with great benefit to my general health."—Miss Thirza L. Crerar, Palmyra, Md.

"My daughter, twelve years of age, has suffered for the past year from

General Debility.

A few weeks since, we began to give her Ayer's Sarsaparilla. Her health has greatly improved."—Mrs. Harriet H. Battles, South Chelmsford, Mass.

"About a year ago I began using Ayer's Sarsaparilla as a remedy for debility and neuralgia resulting from malarial exposure in the army. I was in a very bad condition, but six bottles of the Sarsaparilla, with occasional doses of Ayer's Pills, have greatly improved my health. I am now able to work, and feel that I cannot say too much for your excellent remedies."—F. A. Pinkham, South Molunkus, Me.

"My daughter, sixteen years old, is using Ayer's Sarsaparilla with good effect."—Rev. S. J. Graham, United Brethren Church, Buckhannon, W. Va.

"I suffered from

Nervous Prostration,

with lame back and headache, and have been much benefited by the use of Ayer's Sarsaparilla. I am now 80 years of age, and am satisfied that my present health and prolonged life are due to the use of Ayer's Sarsaparilla."—Lucy Moffitt, Killingly, Conn.

Mrs. Ann H. Farnsworth, a lady 79 years old, So. Woodstock, Vt., writes: "After several weeks' suffering from nervous prostration, I procured a bottle of Ayer's Sarsaparilla, and before I had taken half of it my usual health returned."

MANHOOD

How Lost. How Restored!

Just published, a new edition of Dr. Culverwell's Celebrated Essay on the Radical cure of Spermatorrhœa or Incapacity Induced by excess or early indiscretion.

The celebrated author, in this admirable essay, clearly demonstrates from thirty years successful practice, that the alarming consequences of early error may be radically cured; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately and radically.

This lecture should be in the hands of every youth and every man in the land.
